- Can Contractor assume that the Commonwealth would not expect the Contractor to violate federal regulation required by USPS in performance of the contract?

The Commonwealth does not condone violating Federal Regulations.

- We have tried to locate the Acceptance Form on the Forms page of the Department of General Services’ webpage (www.dgs.state.pa.us) and are not able to find it. Would you please let us know the specific form number we should be looking for, or in the alternative, would you please provide a copy of the Acceptance Form?

Acceptance forms will be sent after the bid awards.

- Would the Commonwealth consider a direct engagement with a third party lender (as opposed to assignment to an Initial Assignee by the Contractor) if that third party lender would accept the proposed terms in the Installment Purchase and Lease Additional Terms, V. 47 and

pennsylvania

DEPARTMENT OF GENERAL SERVICES
BUREAU OF PROCUREMENT

V.48? We expect the Contractor would retain the risk associated with the remainder of the Contract, but the third party lender would accept the Commonwealth's terms for Lease.

No. We would accept an assignment of payment to a 3rd party lender but no additional terms or conditions apart from the assignment of payment.

Type of Solicitation: Electronic Bid (SRM) - Review the Questions section of your solicitation response to ensure you have responded, as required, to any questions relevant to solicitation addenda issued subsequent to the initial advertisement of the solicitation opportunity.

Except as clarified and amended by this Addendum, the terms, conditions, specifications, and instructions of the solicitation and any previous solicitation addenda, remain as originally written.
