

Locating and Responding to a Solicitation

Locating a Solicitation

1. Open your web browser and go to www.pasupplierportal.state.pa.us. Please note the important information regarding compatible browsers for the PA Supplier Portal website.
2. Select the **Log on** button at the top right of the page.
3. Enter the **User ID** and **Password** you created when you registered as a supplier and log on. *If you are unable to log in, please call the Help Desk at (877) 435-7363 and selection Option #1.*
4. Choose the **Bidder** tab to begin. If you do not see a Bidder tab, another person at your company with separate log-in credentials may have been assigned the Bidder role.

The screenshot shows the SAP Vendor Administrator interface. At the top, there are two tabs: 'Vendor Administrator' and 'Bidder'. The 'Bidder' tab is selected. Below the tabs, there is a navigation menu on the left with options like 'Welcome Vendor Administrator', 'Create Additional Users', 'Manage User Data', 'Manage My Data', 'Manage Company Data', 'Maintain Addresses', and 'Supplier Service Center'. The main content area displays 'WELCOME VENDOR ADMINISTRATOR' and lists administrative tasks: 'Create Additional Users', 'Manage Company Data', 'Manage Supplier Addresses', and 'Manage Bank Data & Product Categories'.

5. The **Bid Processing** screen will open and will display all Events currently open for responses. If the search fields seen below are not visible, select the **Search Criteria** button to display them.

The screenshot shows the Bid Processing screen. At the top, there are two tabs: 'Solicitations - All' and 'Auctions - All'. Below the tabs, there is a 'Search Criteria' button. Below the button are search filters for Solicitation Number, Solicitation Status (Current RFx), Creation Date, Deadline Date Flag, Status, Response Timeframe, and Smart Number. Below the filters are buttons for 'Apply' and 'Clear'. At the bottom, there is a table with columns: Event Number, Event Description, Event Type, Event Status, Start Date, End Date, Response Number, Response Status, and Event Version. The table contains four rows of data.

Event Number	Event Description	Event Type	Event Status	Start Date	End Date	Response Number	Response Status	Event Version

- To search for and respond to a specific Solicitation, enter the **Solicitation Number** in the appropriate field and select the **Apply** button. The Solicitation will appear below. *Please ensure all fields below "Solicitation Status" are blank, as extra information such as "Status" or "Response Timeframe" may cause the system to skip over the desired Solicitation.*

6100046601	PSP Mercer Station Snow Removal	Invitation For Bid	Published	08/28/2018	09/12/2018		No Bid Created	1

- Click the blue **Event Number** link to open the Solicitation in a new window. *If your browser asks to allow pop-ups, select "Always Allow". If the window still does not open, ensure all pop-up blockers are disabled.*
