

# Specifications – IFB 6100056987

1. **Overview / Scope:** Department of General Services (DGS) will be ordering Apple and Ubiquiti products to be delivered to and installed DGS Commonwealth Media Services (CMS), 333 Market St., Harrisburg, PA 17125. All shipping and installation charges must be factored into the unit cost of the item(s). All Bid pricing should be a unit price for one unit.
2. **Eligibility:** To be eligible for award, a bidder must comply with the following:
  - A. bidder must be the manufacturer of the products being offered, or be an authorized representative reseller or distributor of the manufacturer's products
  - B. Bids must be received on time and completed in its entirety
  - C. Pursuant to Executive Order 2021-06, Worker Protection and Investment (October 21, 2021), the Commonwealth is responsible for ensuring that every Pennsylvania worker has a safe and healthy work environment, and the protections afforded them through labor laws. To that end, contractors and grantees of the Commonwealth must certify that they are in compliance with all applicable Pennsylvania state labor and workforce safety laws. Such certification shall be made through the Worker Protection and Investment Certification Form (BOP-2201) and submitted with the bid, proposal or quote.
3. **Method of Award:** An award will be made to the single lowest responsive and responsible bidder.
4. **Documents to be attached and returned with bid:**
  - A. Cover letter with contact information of Representative with knowledge of this procurement
  - B. Documentation of equipment being proposed with specifications such as owner's manual
  - C. BOP-2201 Worker Protection Contractor Grantee Notice
  - D. GSPUR-89 Reciprocal Limitations Form
5. **Specification:**
  - A. Products shall meet the minimum requirements for each product as described below, unless noted otherwise in product description.
  - B. Supplier shall honor all manufacturers warranties.
  - C. All items provided resulting from this IFB shall be NEW, and not demonstrator, rebuilt, reconditioned, refurbished, remanufactured, or used in any way.
  - D. Each piece of equipment must possess the features listed to adhere to requirements of the Agency.
  - E. Quantities are estimated; actual quantities will be determined based upon unit pricing.
