## NOTICE TO PROPOSERS OF PREVAILING WAGE REQUIREMENTS

To the extent that a proposer offers to construct a new facility, to substantially rehabilitate an existing facility, or to substantially alter an existing facility in accordance with Commonwealth agency specifications/drawings, and the construction/substantial rehabilitation/substantial alterations will have a total estimated cost that exceeds \$25,000, the following prevailing wage requirements shall be included in the lease. “Substantial rehabilitation” is the conversion or adaptation of an existing facility into a safe, structurally sound building, by gutting and extensive re-construction, to make the building suitable for use by the Commonwealth agency. As a guideline, if the building foundations, building shell (outer walls, interior support walls or roof) or major building systems (HVAC, plumbing, electrical) are substantially altered or replaced, it is substantial rehabilitation. “Substantial alterations” are those alterations to an existing facility by the lessor in accordance with Commonwealth agency specifications/plans/drawings where final plans, drawings and specifications must be reviewed and approved by the Commonwealth agency. These terms do not include cosmetic improvements, routine maintenance, minor non-structural alterations and upgrades.

The lease shall require the lessor and lessor’s contractor(s) to pay no less than the wage rates as issued by the Secretary of the Pennsylvania Department of Labor and Industry for each craft or classification of all workers needed to perform the contract(s) for the construction/substantial rehabilitation/substantial alterations of the facility. The construction/substantial rehabilitation/substantial alterations required by the lease will be subject to the provisions, conditions, duties, requirements, remedies and penalties of the Pennsylvania Prevailing Wage Act, 43 P.S. § 165-1 *et seq.* The prevailing minimum wage predetermination, as issued by the Secretary of Labor and Industry, shall be attached to the lease and made a part of the lease. No workers may be employed in the construction/substantial rehabilitation/substantial alterations, except in accordance with the classifications in the prevailing minimum wage predetermination of the Secretary of Labor and Industry. If additional or different classifications are necessary, the lessor shall request the Department of General Services to petition the Secretary of Labor and Industry for rates for additional or different classifications.

The rent requested by proposers offering to construct a new facility or to substantially rehabilitate an existing facility or to make substantial alterations must take into consideration the requirement of the lessor and lessor’s contractor(s) to pay no less than the prevailing wage rates issued by the Secretary of Labor and Industry.

In order to view the current prevailing wages for each craft or classification of workers needed to perform the contract(s) for the construction/substantial rehabilitation/substantial alterations of the leased facility for the locality where the facility will be constructed/substantially rehabilitated go to [http://www.dli.state.pa.us/landi/li\\_apps/requestPW.asp](http://www.dli.state.pa.us/landi/li_apps/requestPW.asp) and request the prevailing wages. These are the applicable wage rates **provided** a lease is negotiated and fully executed within 120 days of the proposal response date. In the event the lease is not fully executed within this 120 day period, it will be necessary to request and obtain new, current prevailing minimum wage rates from the Secretary of Labor and Industry that the lessor or lessor’s contractors must pay to those employees involved in the construction/improvement/alteration of the leased facility.

**Proposals must include a statement indicating whether or not the rent is based upon the requirement to pay prevailing wages.**

If, after receipt of proposals, the DGS determines that the lessor and lessor's contractor(s) should pay the prevailing minimum wage rates when the lessor's proposal did not include consideration of this requirement, DGS may give the proposer the opportunity to revise its offered rental amounts to include allowance for payment of prevailing wages. When such a determination is made, the lease shall require, or be amended to require, the lessor and lessor's contractor(s) to pay the prevailing minimum wage rates as issued by the Secretary of the Pennsylvania Department of Labor and Industry. If this occurs, the lessor and DGS shall negotiate either an increase in the rental rate or the amount of a one-time payment to cover the increase in cost as a result of including this requirement. The lease will be subject to the provisions, conditions, duties, requirements, remedies and penalties of the Pennsylvania Prevailing Wage Act, 43 P.S. § 165-1 *et seq.*

### **SUBMISSION OF PROPOSALS**

To be considered, interested parties must submit a complete response to this SFP, using the format provided in the "Proposal Requirement" section of this document. An interested party will make no other distribution of the proposal. An official who is authorized to bind the interested party to its provisions must sign the proposal. For this SFP, the conditions of the proposal must remain valid for at least sixty (60) days from the date specified in the cover letter. **Moreover, the conditions of the selected proposal will become contractual obligations if a contract is entered into with the Commonwealth.**

A complete proposal package is necessary for evaluation of your proposal. Failure to include any of the required information or forms will delay evaluation of your proposal and may, at the Commonwealth's sole discretion, result in the rejection of your proposal.

The Commonwealth now allows alternate responses for one solicitation. In order to be considered as a complying submission, a proposal must initially adhere strictly to the solicitation specifications in all material regards. However, in addition to this component, a proposer may, at the proposer's discretion, submit one or more alternate proposals that vary from the specifications. In particular, the proposer may, by way of example, propose alternate finishes or spatial layouts that allow the proposer to submit a more competitive price proposal. The proposal must clearly label the primary proposal, and all alternates, and a clear breakdown of the price differentials should be delineated. DGS will consider and evaluate the primary and all alternate proposals at its sole discretion.

### **TYPE OF AGREEMENT**

The selected party will be expected to enter into a lease agreement in substantially the same form as the sample lease which is attached as **APPENDIX A** of this SFP. **The terms and conditions of this SFP and the selected party's proposal will be incorporated into the lease by reference.**

### **REJECTION OF PROPOSALS**

The Commonwealth reserves the right to reject any and/or all proposals received as a result of this request, or to negotiate separately with competing contractors. If, in the opinion of the

Commonwealth, contract negotiations with the selected party cannot be concluded **within 60 days following the selected party's receipt of a draft lease agreement**, the Commonwealth may at its sole discretion, immediately discontinue negotiations with the selected party and commence negotiations with any other interested party.

### **INCURRING COSTS**

The Commonwealth is not liable for any costs incurred by interested parties related to the preparation of their proposals for this SFP.

### **ECONOMY OF PREPARATION**

Proposals should be prepared simply and economically, providing a straightforward, concise description of the interested party's ability to meet the requirements of the SFP.

### **ORAL PRESENTATION**

An interested party that submits a proposal may be required to make an oral presentation of its development plan to DGS.

### **AMENDMENT TO THE SFP**

If it becomes necessary to revise any part of this SFP, an amendment will be issued to all interested parties who received the original SFP. **For any interested party who downloads the SFP from the DGS website, it will be that party's responsibility to check the website for amendments to the SFP prior to the submission of its proposal.**

### **SELECTED PARTY RESPONSIBILITIES**

The selected party will be required to assume responsibility for all services offered in the proposal whether or not the selected party actually performs them. Further, the Commonwealth will consider the selected party to be the sole point of contact with regard to contractual matters.

### **DISCLOSURE OF PROPOSAL CONTENTS**

- **Confidential Information.** The Commonwealth is not requesting, and does not require, confidential proprietary information or trade secrets to be included as part of proposers' submissions in order to evaluate proposals submitted in response to this SFP. Accordingly, except as provided herein, proposers should not label proposal submissions as confidential or proprietary or trade secret protected. Any proposer who determines that it must divulge such information as part of its proposal must submit the signed written statement described in subsection c.(2) below and must additionally provide a redacted version of its proposal, which removes only the confidential proprietary information and trade secrets, for required public disclosure purposes.
- **Commonwealth Use.** All material submitted with the proposal shall be considered the property of the Commonwealth of Pennsylvania and may be returned only at the issuing

office's option. The Commonwealth has the right to use any or all ideas not protected by intellectual property rights that are presented in any proposal regardless of whether the proposal becomes part of a lease. Notwithstanding any proposer copyright designations contained on proposals, the Commonwealth shall have the right to make copies and distribute proposals internally and to comply with public record or other disclosure requirements under the provisions of any Commonwealth or United States statute or regulation, or rule or order of any court of competent jurisdiction.

- **Public Disclosure.** Public records requests for proposals are governed by and shall be handled in the following manner:

After the award of a lease pursuant to this SFP, all proposal submissions are subject to disclosure in response to a request for public records made under the Pennsylvania Right-to-Know-Law, 65 P.S. § 67.101, et seq., commencing January 1, 2009. If a proposal submission contains confidential proprietary information or trade secrets, a signed written statement to this effect must be provided with the submission in accordance with 65 P.S. § 67.707(b) for the information to be considered exempt from disclosure under 65 P.S. § 67.708(b)(11).

### **NEWS RELEASES**

News releases pertaining to this project will be made in coordination with the issuing office, and subject to Commonwealth approval.

### **FACILITY ACCESS**

Consistent with safety and operational factors, the selected proposer will provide the Commonwealth unlimited access to the leased premises during the construction period.

### **PENNSYLVANIA STATE SALES AND USE TAX**

The proposed facility is subject to all applicable Pennsylvania Sales and Use Tax legislation. There is no special tax exemption for this project.

### **ORDER OF PRECEDENCE**

CONDITIONS**

**LEASE # \_\_\_\_\_**  
**Pennsylvania Liquor Control Board**  
**PLCB Constructed Facility # — Town**

THIS LEASE AGREEMENT ("LEASE") is executed this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_\_, by and between the Commonwealth of Pennsylvania ("Commonwealth"), acting through the Department of General Services, agent for the Pennsylvania Liquor Control Board (hereinafter called "LESSEE"), and \_\_\_\_\_ (hereinafter called "LESSOR").

WHEREAS, by the Act of April 9, 1929, P.L. 177, as amended, 71 P.S. Section 632(d), the Department of General Services is, with the approval of the Board or Commissioners of Public Grounds and Buildings, authorized and empowered to rent proper and adequate offices, rooms or accommodations for any department, board or commission which cannot be properly and adequately accommodated with offices, rooms and accommodations in the Capitol Buildings.

NOW THEREFORE, in consideration of the following mutual promises and intending to be legally bound hereby, LESSOR and LESSEE agree to the following terms and conditions:

1. **PREMISES.** LESSOR hereby lets unto LESSEE, for use by LESSEE, the premises, or part of the building, situated at the address \_\_\_\_\_ in the \_\_\_\_\_, Pennsylvania, and consisting of \_\_\_\_\_ net usable square feet ("the PREMISES"), together with the appurtenances thereto, including, but not limited to, the parking area as more fully set forth herein, and adequate means of ingress and egress to the PREMISES. For the purposes of this LEASE, "net usable square feet" has been computed by measuring the area to be used by LESSEE from the inside of the perimeter walls surrounding this area, excluding stairwells, elevator shafts, public restrooms not within the leased space, mechanical and building equipment rooms and any area used by the LESSOR.

Parking spaces associated with the PREMISES are to be used jointly by LESSEE's customers, and customers of other tenants of the property. Parking spaces are not intended for the sole use of the customers of any one or particular group of LESSOR's tenants. The parties mutually agree to designate a common parking area for use by LESSEE's employees, in order to minimize employee utilization of the customer common parking area.

2. **TERM.** The term of the LEASE shall be \_\_\_\_\_ year(s) and \_\_\_\_\_ month(s) in duration, with a target commencement on or about \_\_\_\_\_ and ending on \_\_\_\_\_ subject, however, to the LESSEE's right to cancel the LEASE as provided herein. At the expiration of this term, a holding over without one (1) calendar month written notice from either party of desire to terminate this LEASE shall be deemed a renewal thereof for the term of three (3) calendar months, and so on from term to term until either party shall give the other three (3) calendar months written notice of intention to terminate this LEASE. Every renewal shall be subject to the provisions of this LEASE.

3. **RENT.** LESSEE shall pay LESSOR rent for the use and occupancy of the PREMISES.

**PRIMARY TERM**

**OPTION TERMS**

**PROVIDED**, however, that **LESSEE** shall give written notice of its intention to exercise its option for the immediately succeeding additional term above mentioned at least thirty (30) days' prior to the expiration date of the original term of the lease or of each renewal thereof. If **LESSEE** fails to give such thirty (30) days' notice, a holding over shall be deemed a renewal for the term of three (3) months at the same rental as specified in the preceding option term and so on from term to term until this agreement is terminated by mutual consent of the parties hereto, or by notice in writing of intention to terminate from either party to the other three months before the expiration of any renewed term.

No rents shall be due or payable under this LEASE prior to its date of approval, or such other dates as approved, by the Board of Commissioners of Public Grounds and Buildings.

4. EFFECTIVE DATE. It is understood and agreed that the effective date of this LEASE will be determined by the execution of the Supplement to be Attached to Lease (Form PLCB-778). LESSOR and LESSEE do hereby agree that the effective date of occupancy and rent commencement shall be the earlier of the following dates:
- (a) Six (6) weeks after LESSOR has delivered possession of the PREMISES to the LESSEE, provided LESSOR has fulfilled the obligations of this LEASE to the satisfaction of LESSEE.
  - (b) The date the LESSEE opens for business to the public.

LESSOR and LESSEE mutually agree that the term shall commence on the first day of the month in which this LEASE is effective, as determined in the above manner, and that the ending date of the term and the commencement and ending dates of any renewals or extensions shall be adjusted accordingly.

5. GROSS LEASE. This is a gross LEASE, in which LESSOR agrees to pay all expenses associated with ownership of the property, including, but not necessarily limited to, those for common area maintenance ("CAM"), taxes, insurance, local impact fees, and advertising.
6. CANCELLATION. It is understood and agreed by the parties that:
- (a) If the governmental function for which these PREMISES are being leased is abolished, limited or restricted by an act of the legislature or law of Congress, or any action taken under authority conferred by such acts or laws, then LESSEE shall have the privilege of canceling this LEASE by giving two (2) calendar months written notice to LESSOR. Such abolitions, limitations or restrictions shall include, but shall not be limited to, an elimination of LESSEE's state liquor stores, in whole or in part, and/or any change in LESSEE's right and/or duty to operate state liquor stores.
  - (b) LESSEE reserves the right to cancel this LEASE with thirty (30) days written notice if the original location for the PREMISES selected by LESSEE is changed by LESSOR for any reason and the new location is not approved by LESSEE.
  - (c) LESSEE reserves the right to cancel this LEASE with thirty (30) days written notice if alterations to the PREMISES are not started within six (6) calendar month(s) following LESSOR's receipt of a fully executed LEASE or if the PREMISES are not ready for occupancy within two hundred and seventy (270) days following the start of preparation.
7. LESSOR'S RESPONSIBILITIES. The parties agree that LESSOR shall:

- (a) Make, at its expense, any alterations to the PREMISES described in the Specifications and Drawings, which are hereby incorporated and made a part of this LEASE as Exhibit J, provided by LESSEE before LESSEE takes possession, and until such alterations are completed, LESSEE shall not be liable for the payment of any rent.

LESSOR agrees and acknowledges that all change orders must be signed and authorized by the Department of General Services, Bureau of Real Estate. Further, any such change orders which exceed five thousand dollars (\$5,000.00) and all change orders when the aggregate of change orders will exceed fifty thousand dollars (\$50,000.00) must also be signed and authorized by the Commonwealth of Pennsylvania, Office of the Budget. Failure of the LESSOR to obtain the required signatures shall relieve the Commonwealth from any obligation to pay for any work described in such change order(s). LESSOR shall not receive remuneration which is in addition to the rent for any construction or alteration to the premises outside the scope of work, unless LESSEE has, by a fully executed lease amendment containing the details of said construction or alterations, as well as the specific cost, agreed to such payment.

- (b) Comply with all requirements of the Pennsylvania Department of Labor and Industry pertaining to safety and other hazards including fire, and ensure that the storeroom conforms to all applicable federal, state, and local building codes and laws. Any and all laws, rules, regulations, zoning permits, use and/or occupancy requirements, and fees including annual sign fees, of city, township, borough, county, state, and federal governmental entities shall be borne and obeyed by LESSOR. All phases of preparation and work shall be followed and carried out in strict accordance with such requirements, even though each item involved be not herein particularly specified. Obtaining all permits, (building, use, occupancy, etc.) shall be the responsibility of LESSOR. LESSOR shall furnish a Pennsylvania Department of Labor and Industry or local authority occupancy permit after work is completed.
- (c) Assume liability for all damages resulting from failure to maintain the PREMISES in a tenantable condition.
- (d) During the term of this LEASE and any renewals or extensions thereof, and at LESSOR's expense, keep and maintain the premises in a tenantable condition, and make all interior and exterior repairs, including all plumbing and drainage, water heating, HVAC (heating, ventilation, and air conditioning), wiring and electrical, door and door hardware, emergency lighting, smoke detecting and any other equipment necessary for an efficient, safe, unaffected store operation.

- (e) Procure, install, and maintain any and all fire alarm and sprinkler systems required by the governing authority or LESSOR's insurance policy. Responsibility for all repairs, parts, labor, any fees or fines associated with false alarms, unless caused by the willful or negligent acts of the LESSEE's personnel, agents, contractors, or invitees shall be borne by the LESSOR.
  - (f) Provide and maintain heating equipment sufficient to maintain a uniform temperature of 70 degrees Fahrenheit inside at 0 degrees outside. Provide and maintain air conditioning sufficient to maintain a uniform temperature of 75 degrees Fahrenheit dry-bulb with 50% relative humidity inside when outside design conditions are 95 degrees Fahrenheit dry-bulb and 78 degrees Fahrenheit wet-bulb temperatures.
  - (g) Provide temporary back-up electric heaters or fans, if the HVAC system is non-functional and repairs are not made within twenty-four (24) hours, to prevent damage to the building systems and LESSEE's products and to ensure continued store operations.
  - (h) Maintain the roof of the PREMISES in compliance with acceptable trade practices, free from leaks. LESSOR agrees to make repairs to the roof within thirty-six (36) hours.
  - (i) Replace ceiling tiles damaged or stained as a result of any roof, air conditioning, plumbing, or sprinkler leaks immediately upon completion of leak repair.
  - (j) Maintain floors to support one hundred fifty (150) pounds live load per square foot.
  - (k) Provide and maintain access to tractor trailer delivery facilities.
  - (l) Maintain, including snow and ice removal (within twelve hours of end of snow fall/storm) and illumination, the parking areas used for customer and/or LESSEE's employee parking. LESSOR is also responsible for snow and ice removal of sidewalk area in front of and around the lease facility.
  - (m) Maintain good condition of exterior painting and other storefront finish materials.
  - (n) At its sole expense and when discovered or when notified by LESSEE, contract with a professional pest control service to exterminate or remove termites or other structure-damaging insects or non-insect pests.
  - (o) Replace all door, window and transom glass where damaged or broken, except when glass is damaged or broken by LESSEE's personnel.

  - (r) Prohibit the placing of signs of any kind or description on the outside of the building (except by LESSEE if the entire building is leased to LESSEE) and, if only part of the building is leased to LESSEE, prohibit the encroachment of signs on such part and the placing anywhere on the building of signs that are in any way misleading to the public as to the nature of the business operated on the PREMISES.
8. DAMAGE/DESTRUCTION. In the event of damage to the PREMISES by fire, flood, lightning, or other Act of God, or act of terrorism rendering it impossible or substantially inconvenient for LESSEE to continue to occupy or use the PREMISES for its operations, the LESSOR, after notice from the LESSEE of the condition shall have thirty (30) days to repair and/or restore the PREMISES to a tenantable condition. If LESSOR fails to repair and/or restore the PREMISES within said period of thirty (30) days, or if LESSOR fails to make reasonable progress during the thirty (30) day period, as determined by LESSEE in its sole discretion, LESSEE may, at its option: a.) terminate this LEASE by giving LESSOR fourteen (14) days written termination notice or b.) after first giving LESSOR fourteen (14) days written notice, repair and restore the PREMISES to a tenantable condition, and deduct such costs made in restoration of the PREMISES from the RENT due the LESSOR. At LESSEE'S option, payment of RENT shall abate as long as the PREMISES remains in an un-tenantable condition after notice to LESSOR and shall resume only after the condition has been substantially corrected. Such abatement shall be prorated on the portion of the PREMISES that is or remains un-tenantable.
9. EVENTS OF DEFAULT. Any one or more of the following events shall constitute an "Event of Default":
- a) Failure of LESSOR to provide the services without disruption or interruption as stipulated in this LEASE.
  - b) Failure of LESSOR to maintain the PREMISES in tenantable condition.
  - c) Failure of LESSOR to provide peaceful and uninterrupted possession of the PREMISES by LESSEE.
  - d) Failure of LESSOR to perform or observe any other lease obligations.

- a) Perform, on behalf of and at the expense of LESSOR, any obligation of LESSOR under this LEASE which LESSOR has failed to perform and of which LESSEE shall have given LESSOR notice, the cost of which performance by LESSEE shall be payable by LESSOR to LESSEE upon demand or deducted by LESSEE from the RENT or any other amount due LESSOR by LESSEE.
- b) Terminate this LEASE and the tenancy created hereby.

12. CONSTRUCTION. It is understood that LESSEE will not be responsible for neither any construction started nor any expenditures made in connection with the PREMISES or this LEASE prior to LESSOR having in its possession a signed and fully executed LEASE from the Department of General Services.

13. REMODEL. LESSOR grants unconditional permission to LESSEE to remodel/refurbish the interior of the PREMISES or an area therein of LESSEE's discretion at any time during the term of this LEASE or any extensions thereof.

14. ASSIGNMENT. This LEASE shall be binding upon LESSOR, its heirs, administrators, successors and assigns. No assignment shall be made of this LEASE without prior written approval by LESSEE, which shall not be unreasonably withheld or delayed. Once approved by LESSEE, assignee of the LESSOR's rights hereunder shall provide LESSEE with proof of ownership satisfactory to LESSEE in order for LESSEE to direct rent payments under the LEASE to the assignee.

Upon LESSEE's receipt of notification under the LEASE that ownership of the PREMISES has been transferred, LESSEE reserves the right to withhold payment of rent until the assignee submits satisfactory proof of ownership requested by LESSEE. The LESSEE will not be responsible for any overpayment of rent to the assignor resulting from delay by the assignee in submitting proof of ownership. Any outstanding settlement between the assigning parties is solely their responsibility.

15. OFFSET PROVISION. LESSOR agrees that LESSEE may set off the amount of any state tax liability or other debt of LESSOR or its subsidiaries that is owed to the Commonwealth and not being contested on appeal against any payments due the LESSOR under this or any other contract with the Commonwealth.

16. USE OF CONTRACTORS OR SUBCONTRACTORS. LESSEE gives LESSOR express consent and permission to utilize the contractor or subcontractors of LESSOR's choice to perform any maintenance, construction and alterations that are LESSOR's responsibility under this LEASE.

17. SOVEREIGN IMMUNITY. The Commonwealth's exposure to liability (other than workers' compensation liability, which is insured with the State Workers' Insurance Fund) is governed by the dictates of Act 1978-152 commonly known as the Sovereign Immunity Tort Claims Act. Under the Act, sovereign immunity was reaffirmed but waived in nine (9) specific areas of liability. Eligible claims or suits against the Commonwealth, its officials, or employees within the waived areas may be settled up to two hundred fifty thousand dollars (\$250,000) each person, one million dollars (\$1,000,000) each occurrence. The Commonwealth has established a Tort Claims Self-Insurance Program to handle these claims or suits which is administered by the Department of General Services in close relationship with the Office of Attorney General. As to fire and extended coverage for furniture, fixtures, inventory, etc., the Commonwealth is self-insured for these perils under the State Insurance Fund which was established in 1915.

18. **HOLD HARMLESS.** LESSOR shall indemnify, save, and hold harmless LESSEE and any or all of its officers, agents, and employees from any and all claims, demands, actions, or liability (including, but not limited to, consequential damages and reasonable attorney's fees) of any nature based upon or arising out of:
- (a) Any service performed by LESSOR, its agents or employees pursuant to the requirements of this LEASE, except such services as are properly performed at the express direction of LESSEE.
  - (b) Any actual or alleged defective, dangerous, or un-tenantable condition of the PREMISES not caused by any act or omission of LESSEE.
  - (c) Violations by LESSOR, or noncompliance of the PREMISES by LESSOR with any statute, ordinance, rule or regulation of any governmental authority.
19. **LESSOR'S DUTY TO MITIGATE DAMAGES.** In the event LESSEE abandons the leased PREMISES, the LESSOR has an affirmative duty, to proceed in good faith and with due diligence, to make reasonable efforts to mitigate its damages or prevent further loss.
20. **ORAL MODIFICATION.** This LEASE may not be modified orally. Except as provided in this LEASE, all modifications must be by written amendment signed by both parties.

24. **NOTE. It is mutually understood and agreed that this document is a draft lease. It is what had been known in the past as a rental option. **RIGHT TO KNOW LAW REQUIREMENTS**

- a. The Pennsylvania Right-to-Know Law, 65 P.S. §§ 67.101-3104, applies to this LEASE.
- b. If the LESSEE needs the LESSOR'S assistance in any matter arising out of the RTKL related to this LEASE, it shall notify the LESSOR using the legal contact information provided in this LEASE. The LESSOR, at any time, may designate a different contact for such purpose upon reasonable prior written notice to the LESSEE.
- c. Upon written notification from the LESSEE that it requires the LESSOR's assistance in responding to a request under the RTKL for information in the LESSOR's possession, constituting, or alleged to constitute, a public record in accordance with the RTKL ("Requested Information"), the LESSOR shall:
1. Provide the LESSEE, within ten (10) calendar days after receipt of written notification, access to, and copies of, any document or information in the LESSOR's possession arising out of this LEASE that the LESSEE reasonably believes is Requested Information and may be a public record under the RTKL; and
  2. Provide such other assistance as the LESSEE may reasonable request, in order to comply with the RTKL with respect to this LEASE.
- d. If the LESSOR considers the Requested Information to include a request for a Trade Secret or Confidential Proprietary Information, as those terms are defined by the RTKL, or other information that the LESSOR considers exempt from production under the RTKL, the LESSOR must notify the LESSEE and provide, within seven (7) calendar days of receiving the written notification, a written statement signed by a representative of the LESSOR explaining why the requested material is exempt from public disclosure under the RTKL.
- e. The LESSEE will rely upon the written statement from the LESSOR in denying a RTKL request for the Requested Information unless the LESSEE determines that the Requested Information is clearly not protected from disclosure under the RTKL. Should the LESSEE determine that the Requested Information is clearly not exempt from disclosure, the LESSOR shall provide the Requested

**Information within five (5) business days of receipt of written notification of the LESSEE'S determination.**

**f. If the LESSOR fails to provide the Requested Information within the time period required by these provisions, the LESSOR shall indemnify and hold the LESSEE harmless for any damages, penalties, costs, detriment or harm that the LESSEE may incur as a result of the LESSOR'S failure, including any statutory damages assessed against the LESSEE.**

**g. The LESSEE will reimburse the LESSOR for any costs associated with complying with these provisions only to the extent allowed under the fee schedule established by the Office of Open Records or as otherwise provided by the RTKL if the fee schedule is inapplicable.**

**h. The LESSOR may file a legal challenge to any LESSEE decision to release a record to the public with the Office of Open Records, or in the Pennsylvania Courts, however, the LESSOR shall indemnify the LESSEE for any legal expenses incurred by the LESSEE as a result of such a challenge and shall hold the LESSEE harmless for any damages, penalties, costs, detriment or harm that the LESSEE may incur as a result of the LESSOR'S failure, including any statutory damages assessed against the LESSEE, regardless of the outcome of such legal challenge. As between the parties, the LESSOR agrees to waive all rights or remedies that may be available to it as a result of the LESSEE's disclosure of Requested Information pursuant to the RTKL.**

**i. The LESSOR's duties relating to the RTKL are continuing duties that survive the expiration of this LEASE and shall continue as long as the LESSOR has Requested Information in its possession.**

**Exhibit B—Contractor Responsibility Certification**

1. LESSOR by submitting a proposal represents that:
- (a) The LESSOR has read and understands the terms and conditions of the solicitation documents, and the proposal is made in accordance therewith.
  - (b) The LESSOR understands and acknowledges that all information provided by, and representations made by the LESSOR in the proposal are material and important and will be relied upon by the Department of General Services in awarding this LEASE. Any misstatement shall be treated as fraudulent concealment from the Department of the true facts relating to the submission of the proposal. A misrepresentation shall be punishable under Section 4904 of Title 18 P.C.S.A. Further, if it is later determined that the LESSOR knowingly rendered an erroneous certification, the Department may find the LESSOR in default, terminate the contract and may debar/suspend the LESSOR.
  - (c) The amount of the proposal has been arrived at independently and without consultation, communication or agreement with any other proposer or potential proposer.
  - (d) Neither the amount of the proposal nor the approximate amount of this proposal have been disclosed to any other firm or person that is a proposer or potential proposer, and it will not be disclosed before the opening.
  - (e) LESSOR certifies that it is not currently under suspension or debarment by the Commonwealth, any other state, or the federal government, and if the LESSOR cannot so certify, then it agrees to submit along with the proposal a written explanation of why such certification cannot be made. If LESSOR enters into subcontracts with or employs under this LEASE any subcontractors/individuals who are currently suspended or debarred by the Commonwealth or the federal government, or who become suspended or debarred by the Commonwealth or federal government during the term of this LEASE or any extensions or renewals thereof, the Commonwealth shall have the right to require the LESSOR to terminate such subcontracts or employment. The LESSOR agrees to reimburse the Commonwealth for the reasonable costs of investigation incurred by the Office of Inspector General for investigations of the LESSOR's compliance with terms of this or any other agreement between the LESSOR and the Commonwealth that result in the suspension or debarment of the LESSOR. Such costs shall include, but not be limited to, salaries of the investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees. The LESSOR shall not be responsible for investigative costs for investigations that do not result in the LESSOR's suspension or debarment.
  - (f) The LESSOR has no outstanding, delinquent liabilities to the Commonwealth including but not limited to any taxes and unemployment compensation payments except as disclosed in its proposal. The LESSOR agrees that the Commonwealth may set off the amount of any state tax liability or other debt of the LESSOR or its subsidiaries that is owed to the Commonwealth and not being contested on appeal against any payments due the LESSOR under this or any other lease with the Commonwealth.
  - (g) The LESSOR may obtain the current list of suspended or debarred proposers at:

DGS Office of Chief Counsel

[www.dgs.state.pa.us/debarment.htm](http://www.dgs.state.pa.us/debarment.htm)

2. LESSOR by submitting its proposal authorizes all Commonwealth agencies to release to the Department of General Services information related to liabilities to the Commonwealth, including but not limited to any taxes or unemployment compensation payments except as disclosed by the LESSOR in its proposal.
3. LESSOR's obligations pursuant to these provisions are ongoing from and after the effective date of this LEASE through the termination date thereof. Accordingly, the LESSOR shall have an obligation to inform the Commonwealth if, at any time during the term of this LEASE, it becomes delinquent in the payment of taxes, or other Commonwealth obligations, or if it or any of its subcontractors are suspended or debarred by the Commonwealth, the federal government, or any other state or governmental entity. Such notification shall be made within fifteen (15) days of the date of suspension or debarment. Failure of LESSOR to notify the Commonwealth of its suspension or debarment by the Commonwealth, the federal government, or any other state or governmental entity shall constitute an event of default of this LEASE with the Commonwealth. It is further understood that if the proposer has any outstanding liabilities to the Commonwealth, including but not limited to taxes or unemployment compensation, it will resolve the outstanding liabilities within ten (10) business days from notification of such liability.

I certify that the information on this form is true and correct to the best of my knowledge and that I am authorized to represent the LESSOR in connection with this proposal.

**Exhibit D--NONDISCRIMINATION/SEXUAL HARASSMENT CLAUSE**

The Contractor agrees:

1. In the hiring of any employee(s) for the manufacture of supplies, performance of work, or any other activity required under the contract or any subcontract, the Contractor, each subcontractor, or any person acting on behalf of the Contractor or subcontractor shall not discriminate in violation of the *Pennsylvania Human Relations Act* (PHRA) and applicable federal laws against any citizen of this Commonwealth who is qualified and available to perform the work to which the employment relates.
2. Neither the Contractor nor any subcontractor nor any person on their behalf shall in any manner discriminate in violation of the PHRA and applicable federal laws against or intimidate any employee involved in the manufacture of supplies, the performance of work, or any other activity required under the contract.
3. The Contractor and each subcontractor shall establish and maintain a written nondiscrimination and sexual harassment policy and shall inform their employees of the policy. The policy must contain a provision that sexual harassment will not be tolerated and employees who practice it will be disciplined. Posting this Nondiscrimination/Sexual Harassment Clause conspicuously in easily-accessible and well-lighted places customarily frequented by employees and at or near where the contract services are performed shall satisfy this requirement.
4. The Contractor and each subcontractor shall not discriminate in violation of PHRA and applicable federal laws against any subcontractor or supplier who is qualified to perform the work to which the contract relates.
5. The Contractor and each subcontractor represents that it is presently in compliance with and will maintain compliance with all applicable federal, state, and local laws and regulations relating to nondiscrimination and sexual harassment. The Contractor and each subcontractor further represents that it has filed a Standard Form 100 Employer Information Report (“EEO-1”) with the U.S. Equal Employment Opportunity Commission (“EEOC”) and shall file an annual EEO-1 report with the EEOC as required for employers subject to *Title VII of the Civil Rights Act of 1964*, as amended, that have 100 or more employees and employers that have federal government contracts or first-tier subcontracts and have 50 or more employees. The Contractor and each subcontractor shall, upon request and within the time periods requested by the Commonwealth, furnish all necessary employment documents and records, including EEO-1 reports, and permit access to their books, records, and accounts by the contracting agency and the Bureau of Small Business Opportunities (BSBO), for purpose of ascertaining compliance with provisions of this Nondiscrimination/Sexual Harassment Clause.

Initials\_\_\_\_\_

6. The Contractor shall include the provisions of this Nondiscrimination/Sexual Harassment Clause in every subcontract so that those provisions applicable to subcontractors will be binding upon each subcontractor.
7. The Contractor's and each subcontractor's obligations pursuant to these provisions are ongoing from and after the effective date of the contract through the termination date thereof. Accordingly, the Contractor and each subcontractor shall have an obligation to inform the Commonwealth if, at any time during the term of the contract, it becomes aware of any actions or occurrences that would result in violation of these provisions.
8. The Commonwealth may cancel or terminate the contract and all money due or to become due under the contract may be forfeited for a violation of the terms and conditions of this Nondiscrimination/Sexual Harassment Clause. In addition, the agency may proceed with debarment or suspension and may place the Contractor in the Contractor Responsibility File.

## Exhibit E---CONTRACTOR INTEGRITY PROVISIONS

It is essential that those who seek to contract with the Commonwealth of Pennsylvania ("Commonwealth") observe high standards of honesty and integrity. They must conduct themselves in a manner that fosters public confidence in the integrity of the Commonwealth contracting and procurement process.

**1. DEFINITIONS.** For purposes of these Contractor Integrity Provisions, the following terms shall have the meanings found in this Section:

- a. **"Affiliate"** means two or more entities where (a) a parent entity owns more than fifty percent of the voting stock of each of the entities; or (b) a common shareholder or group of shareholders owns more than fifty percent of the voting stock of each of the entities; or (c) the entities have a common proprietor or general partner.
- b. **"Consent"** means written permission signed by a duly authorized officer or employee of the Commonwealth, provided that where the material facts have been disclosed, in writing, by prequalification, bid, proposal, or contractual terms, the Commonwealth shall be deemed to have consented by virtue of the execution of this contract.
- c. **"Contractor"** means the individual or entity, that has entered into this contract with the Commonwealth.
- d. **"Contractor Related Parties"** means any affiliates of the Contractor and the Contractor's executive officers, Pennsylvania officers and directors, or owners of 5 percent or more interest in the Contractor.
- e. **"Financial Interest"** means either:
  - (1) Ownership of more than a five percent interest in any business; or
  - (2) Holding a position as an officer, director, trustee, partner, employee, or holding any position of management.
- f. **"Gratuity"** means tendering, giving, or providing anything of more than nominal monetary value including, but not limited to, cash, travel, entertainment, gifts, meals, lodging, loans, subscriptions, advances, deposits of money, services, employment, or contracts of any kind. The exceptions set forth in the [Governor's Code of Conduct, Executive Order 1980-18](#), the 4 Pa. Code §7.153(b), shall apply.
- g. **"Non-bid Basis"** means a contract awarded or executed by the Commonwealth with Contractor without seeking bids or proposals from any other potential bidder or offeror.

**2.** In furtherance of this policy, Contractor agrees to the following:

- a. Contractor shall maintain the highest standards of honesty and integrity during the performance of this contract and shall take no action in violation of state or federal laws or regulations or any other applicable laws or regulations, or other requirements applicable to Contractor or that govern contracting or procurement with the Commonwealth.

- b.** Contractor shall establish and implement a written business integrity policy, which includes, at a minimum, the requirements of these provisions as they relate to the Contractor activity with the Commonwealth and Commonwealth employees and which is made known to all Contractor employees. Posting these Contractor Integrity Provisions conspicuously in easily-accessible and well-lighted places customarily frequented by employees and at or near where the contract services are performed shall satisfy this requirement.
- c.** Contractor, its affiliates, agents, employees and anyone in privity with Contractor shall not accept, agree to give, offer, confer, or agree to confer or promise to confer, directly or indirectly, any gratuity or pecuniary benefit to any person, or to influence or attempt to influence any person in violation of any federal or state law, regulation, executive order of the Governor of Pennsylvania, statement of policy, management directive or any other published standard of the Commonwealth in connection with performance of work under this contract, except as provided in this contract.
- d.** Contractor shall not have a financial interest in any other contractor, subcontractor, or supplier providing services, labor, or material under this contract, unless the financial interest is disclosed to the Commonwealth in writing and the Commonwealth consents to Contractor's financial interest prior to Commonwealth execution of the contract. Contractor shall disclose the financial interest to the Commonwealth at the time of bid or proposal submission, or if no bids or proposals are solicited, no later than Contractor's submission of the contract signed by Contractor.
- e.** Contractor certifies to the best of its knowledge and belief that within the last five (5) years Contractor or Contractor Related Parties have not:
  - (1)** been indicted or convicted of a crime involving moral turpitude or business honesty or integrity in any jurisdiction;
  - (2)** been suspended, debarred or otherwise disqualified from entering into any contract with any governmental agency;
  - (3)** had any business license or professional license suspended or revoked;
  - (4)** had any sanction or finding of fact imposed as a result of a judicial or administrative proceeding related to fraud, extortion, bribery, bid rigging, embezzlement, misrepresentation or anti-trust; and
  - (5)** been, and is not currently, the subject of a criminal investigation by any federal, state or local prosecuting or investigative agency and/or civil anti-trust investigation by any federal, state or local prosecuting or investigative agency.

If Contractor cannot so certify to the above, then it must submit along with its bid, proposal or contract a written explanation of why such certification cannot be made and the Commonwealth will determine whether a contract may be entered into with the Contractor. The Contractor's obligation pursuant to this certification is ongoing from and after the effective date of the contract through the termination date thereof. Accordingly, the Contractor shall have an obligation to immediately notify the Commonwealth in writing if at any time during the term of the contract if becomes aware of any event which would cause the Contractor's certification or explanation to change. Contractor acknowledges that the Commonwealth may, in its sole discretion, terminate the contract for cause if it learns that any of the certifications made herein are currently false due to intervening factual circumstances or were false or should have been known to be false when entering into the contract.

- f.** Contractor shall comply with the requirements of the *Lobbying Disclosure Act (65 Pa.C.S. §13A01 et seq.)* regardless of the method of award. If this contract was awarded on a Non-bid Basis, Contractor must also comply with the requirements of the *Section 1641 of the Pennsylvania Election Code (25 P.S. §3260a)*.
- g.** When Contractor has reason to believe that any breach of ethical standards as set forth in law, the Governor's Code of Conduct, or these Contractor Integrity Provisions has occurred or may occur, including but not limited to contact by a Commonwealth officer or employee which, if acted upon, would violate such ethical standards, Contractor shall immediately notify the Commonwealth contracting officer or the Office of the State Inspector General in writing.
- h.** Contractor, by submission of its bid or proposal and/or execution of this contract and by the submission of any bills, invoices or requests for payment pursuant to the contract, certifies and represents that it has not violated any of these Contractor Integrity Provisions in connection with the submission of the bid or proposal, during any contract negotiations or during the term of the contract, to include any extensions thereof. Contractor shall immediately notify the Commonwealth in writing of any actions for occurrences that would result in a violation of these Contractor Integrity Provisions. Contractor agrees to reimburse the Commonwealth for the reasonable costs of investigation incurred by the Office of the State Inspector General for investigations of the Contractor's compliance with the terms of this or any other agreement between the Contractor and the Commonwealth that results in the suspension or debarment of the Contractor. Contractor shall not be responsible for investigative costs for investigations that do not result in the Contractor's suspension or debarment.
- i.** Contractor shall cooperate with the Office of the State Inspector General in its investigation of any alleged Commonwealth agency or employee breach of ethical standards and any alleged Contractor non-compliance with these Contractor Integrity Provisions. Contractor agrees to make identified Contractor employees available for interviews at reasonable times and places. Contractor, upon the inquiry or request of an Inspector General, shall provide, or if appropriate, make promptly available for inspection or copying, any information of any type or form deemed relevant by the Office of the State Inspector General to Contractor's integrity and compliance with these provisions. Such information may include, but shall not be limited to, Contractor's business or financial records, documents or files of any type or form that refer to or concern this contract. Contractor shall incorporate this paragraph in any agreement, contract or subcontract it enters into in the course of the performance of this contract/agreement solely for the purpose of obtaining subcontractor compliance with this provision. The incorporation of this provision in a subcontract shall not create privity of contract between the Commonwealth and any such subcontractor, and no third party beneficiaries shall be created thereby.
- j.** For violation of any of these Contractor Integrity Provisions, the Commonwealth may terminate this and any other contract with Contractor, claim liquidated damages in an amount equal to the value of anything received in breach of these Provisions, claim damages for all additional costs and expenses incurred in obtaining another contractor to complete performance under this contract, and debar and suspend Contractor from doing business with the Commonwealth. These rights and remedies are cumulative, and the use or non-use of any one shall not preclude the use of all or any other. These rights and remedies are in addition to those the Commonwealth may have under law, statute, regulation, or otherwise.

## **Exhibit F—Insurance**

1. For the term of the LEASE, LESSOR shall procure and maintain at its expense the following types of insurance, issued by companies acceptable to the LESSEE and authorized to conduct such business under the laws of the Commonwealth:
  - (a) Worker's Compensation Insurance for all of LESSOR's agents, servants and/or employees and those of any contractor engaged by LESSOR in work at the PREMISES in accordance with the Worker's Compensation Act of 1915 and any supplements or amendments thereto.
  - (b) Public liability and property damage insurance to protect LESSEE, LESSOR and any and all contractors from claims for damages for personal injury (including bodily injury), sickness or disease, accidental death and damage to the property, including loss of use resulting from property damage, which may arise from services performed by LESSOR, its agents or employees under this LEASE or from an alleged defective, dangerous or untenable condition of the PREMISES. The limits of such insurance shall be in an amount not less than five hundred thousand dollars (\$500,000) each person and two million dollars (\$2,000,000) each occurrence, personal injury and property damage combined. Such policies shall be occurrence-made rather than claims-made policies and shall name the Commonwealth as an additional insured.
  - (c) Fire and extended coverage insurance for the PREMISES and contents in an amount not less than the value of the building plus an amount to cover all equipment, furniture, and other property owned by LESSOR in the PREMISES to the full value thereof. The Commonwealth shall be named thereon as an additional insured.
2. Prior to LEASE commencement, LESSOR shall provide LESSEE with current certificates of insurance. The LESSOR's certificates shall contain a provision that the coverage afforded under the policies will not be cancelled or changed until at least thirty (30) days written notice is given to the LESSEE. LESSOR shall also require certificates of insurance of all other tenants under LESSOR's jurisdiction who are directly adjacent to LESSEE's PREMISES in accordance with the aforementioned requirements.

## Exhibit G—Asbestos

1. LESSOR certifies that an asbestos inventory has been completed relative to the PREMISES by an expert properly certified pursuant to state law and such inventory disclosed that there is not any exposed hazardous friable asbestos present in the PREMISES. LESSOR further covenants and agrees that if, at any time during the term of this LEASE or any renewals thereof, it is determined that exposed hazardous friable asbestos is present in the PREMISES and that employees of LESSEE are being exposed to the emission of hazardous friable asbestos fibers within the PREMISES in excess of exposure limits established by applicable law, LESSOR shall, at its sole cost and expense, and to the extent recommended by an expert and approved by LESSEE retained by LESSOR as required by law:

- (a) Encapsulate or otherwise contain the hazardous friable asbestos in the PREMISES; or
- (b) Remove and replace the hazardous friable asbestos in the PREMISES to a safe condition in accordance with all applicable laws or regulations.

LESSEE agrees to notify the LESSOR immediately if at any time LESSEE becomes aware that asbestos is present and/or that employees of LESSEE are/have been exposed to asbestos fibers.

Notwithstanding anything to the contrary in the foregoing, if the hazardous friable asbestos is introduced to the PREMISES, or made friable, or is otherwise disturbed or made hazardous by the willful or negligent conduct of LESSEE, its officers, agents, servants, contractors or employees, then LESSOR shall perform the tasks specified in (a) or (b) above at LESSEE's expense.

2. LESSOR further agrees to protect, indemnify and save LESSEE harmless from and against any and all liabilities, losses, damages, costs and expenses arising from judgments pursuant to which it is judicially determined that injuries suffered by the damaged party were proximately caused by exposure during the LEASE term to exposed hazardous friable asbestos located within the PREMISES which resulted from the LESSOR's breach of (a) or (b) above. Notwithstanding anything to the contrary in the foregoing, LESSOR's obligations to protect, indemnify and save LESSEE harmless shall not apply to judgments arising from exposure to hazardous friable asbestos when the asbestos material was either introduced to the PREMISES or made friable or otherwise disturbed or made hazardous by the willful or negligent conduct of LESSEE, its officers, agents, contractors, servants or employees.
3. In the event a Commonwealth employee brings any action at law or otherwise against the Commonwealth for injuries arising from exposure to hazardous friable asbestos in the PREMISES, the Commonwealth agrees to assert that such action is barred by the Workmen's Compensation Act (the "Act"), 71 P.S. Section 481, or any similar worker's compensation act, which provides that compensation under the Act shall be the Commonwealth's sole and exclusive liability for such injuries.
