Subject: UC Benefits Modernization RFP

Solicitation Number: 6100034489

Solicitation Due Date: Wednesday September 21, 2016 by 1:00 PM EST

Addendum Number: 6

To All Offerors/Bidders:

The Commonwealth of Pennsylvania defines a solicitation "Addendum" as an addition to or amendment of the original terms, conditions, specification, or instruction of a procurement solicitation (e.g. Invitation for Bids, Request for Quotes and Request for Proposals).

The following changes has been made to the solicitation:

Appendix CC, Policy C-301 Identification and Authentication of Users on New DLI Computer Systems has been updated.

The new name for Appendix CC is SEC 005 Policy Identification and Authentication of Users on New DLI Computer Systems. Other than format, this policy has been streamlined to more closely adhere to the OA policy. The main 'change' is that in Section IV, where it clearly spells out that the offeror must authenticate users in the Active Directory.

Appendix GG, SEC 001 Personally Identifiable Information Storage and Transfer has been updated.

The new name for Appendix GG is SEC 001 Personally Identifiable Information Storage and Transfer updated 2016. Other than format, the only change is that in 2016 a stipulation was added that if one has PII information in two different databases and the databases are linked by a common field, both databases need to be encrypted so there should be no way to get one's information.

Reminder: All offerors are bound to follow the most up to date version of any Commonwealth or L&I-specific IT Policy.
