The Commonwealth of Pennsylvania defines a solicitation "Addendum" as an addition to or amendment of the original terms, conditions, specifications, or instructions of a procurement solicitation (e.g., Invitation for Bids or Request for Proposals).

List any and all changes:

QUALIFICATIONS OF BIDDERS: Bidders must provide approved product(s) as listed in PA Publication #35, Bulletin 15 Approved Construction Materials. See Cement Category Form of the ITQ.

Suppliers who do not own an approved manufacturing source must furnish with their bids a Manufacturer's Guarantee (Attachment A) signed by an authorized signatory of the approved source of the Bulletin 15 materials. Failure to include a signed guarantee with the ITQ shall result in the rejection of the ITQ until such time as the Manufacturer's Guarantee is provided or the bidder offers to provide material from an approved source they own.

Attachment A and the State of Manufacture Form is now part of this solicitation – please complete and return these with other documents listed with this solicitation.
