Header Text

Remediation Mitigation System includes time, materials and labor, design, installation, and remote sensor gas alarm w/installation. Combustible monitoring, and reporting.

The Department of Environmental Protection values working with partners who share our view that diversity and equity are integral to success in restoring and protecting the environment for all Pennsylvanians. As we work to demonstrably improve the inclusivity of our programs and processes, we also encourage our partners to pursue increased inclusivity in their operations. In this way, Pennsylvania's natural resources are best protected as "the common property of all the people," as identified in our state constitution.
