6350-03 Correction

Dear Mr. Pearson:

Regarding our telephone conversation earlier this week, this letter is to inform you that ADT Security Services was in error to list Category #2, Fire Suppression Systems as a service that we provide.

We apologize for this error and hope that this did not provide the Commonwealth any inconvenience.

Sincerely,

James D. Walrod
National Account Manager

Limited Warranty

Federal Warning Systems, Federal Signal Corporation (Federal) warrants each new product to be free from defects in material and workmanship, under normal use and service, for a period of two years on parts replacement and factory-performed labor (one year for Informer, EAS, and Federal software products) from the date of delivery to the first user-purchaser. Federal Warning Systems warrants every 2001 & Eclipse Siren (Top of pole only) to be free from defects in material, per our standard warranty, under normal use and service for a period of five years on parts replacement.

During this warranty period, the obligation of Federal is limited to repairing or replacing, as Federal may elect, any part or parts of such product which after examination by Federal discloses to be defective in material and/or workmanship.

Federal will provide warranty for any unit which is delivered, transported prepaid, to the Federal factory or designated authorized warranty service center for examination and such examination reveals a defect in material and/or workmanship.

This warranty does not cover travel expenses, the cost of specialized equipment for gaining access to the product, or labor charges for removal and re-installation of the product. The Federal Signal Corporation warranty shall not apply to components or accessories that have a separate warranty by the original manufacturer, such as, but not limited to, radios and batteries.

Federal will provide on-site warranty service during the first 60-days after the completion of the installation, when Federal has provided a turn-key installation including optimization and/or commissioning services.

This warranty does not extend to any unit which has been subjected to abuse, misuse, improper installation or which has been inadequately maintained, nor to units which have problems related to service or modification at any facility other than Federal factory or authorized warranty service centers. Moreover, Federal shall have no liability with respect to defects arising in Products through any cause other than ordinary use (such as, for example, accident, fire, lightning, water damage, or other remaining acts of god).

THERE ARE NO OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. IN NO EVENT SHALL FEDERAL BE LIABLE FOR ANY LOSS OF PROFITS OR ANY INDIRECT OR CONSEQUENTIAL DAMAGES ARISING OUT OF ANY SUCH DEFECT IN MATERIAL WORKMANSHIP.

WARRANTY INFORMATION

Garrett Electronics, Inc. ("Garrett") warrants that each piece of security equipment manufactured by Garrett is protected by the following limited parts and labor warranty for a period of 24 (twenty-four) months (the "Warranty"). During this 24-month period Garrett will inspect and evaluate all equipment returned to its authorized repair station or factory to determine if the equipment meets Garrett's performance specifications. Garrett will repair or replace at no charge to the owner all parts determined faulty. This Warranty does not cover batteries nor any and all failures caused by abuse, tampering, theft, failure due to weather, battery acid or other contaminants and equipment repairs made by an unauthorized party.

THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING THE WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THE BUYER ACKNOWLEDGES THAT ANY ORAL STATEMENTS ABOUT THE MERCHANDISE DESCRIBED IN THIS CONTRACT MADE BY SELLERS' REPRESENTATIVES, IF ANY SUCH STATEMENTS WERE MADE, DO NOT CONSTITUTE WARRANTIES, SHALL NOT BE RELIED UPON BY THE BUYER, AND ARE NOT A PART OF THIS CONTRACT FOR SALE. THE ENTIRE CONTRACT IS EMBODIED IN THIS WRITING. THIS WRITING CONSTITUTES THE FINAL EXPRESSION OF THE PARTIES' AGREEMENT AND IS A COMPLETE AND EXCLUSIVE STATEMENT OF THE TERMS OF THIS AGREEMENT.

The parties agree that the Buyers' sole and exclusive remedy against Seller shall be for the repair and replacement of defective parts. The Buyer agrees that no other remedy (including, but not limited to, incidental or consequential damages for lost sales, lost profits, injury to person or property) shall be available to him.

Re: Aiphone Warranty

LIMITED WARRANTY

Aiphone warrants its products to be free from defects in material and workmanship under normal use and service for a period of one, two, or three years (depending on the product) after delivery to the ultimate user. Proof-of-purchase is required to verify warranty period.

Products with Extended Warranties: From the date of delivery to the ultimate user, video intercom products are warranted for a period of two years, the NHX series and MarketCom MC-60/4A and MC-60/4B intercom stations (excluding coil cords) are warranted for a period of three years.

Repairs Under Warranty

At our discretion, Aiphone will repair free of charge or replace at no charge Aiphone product that, upon examination by an Aiphone Repair Technician, is proven defective and under warranty. Aiphone reserves the right to make the final decision as to whether there is a defect in materials and/or workmanship, and whether or not the product is within the warranty.

Aiphone does not issue advance replacements or credit for product claimed to be defective until the units have been examined by Aiphone Repair Technicians.

This warranty covers bench repairs by the Aiphone Repair Department only, and does not extend to units that have been repaired or altered outside of the factory. Aiphone is not responsible for any costs incurred involving on-site service calls.

Additional Exclusions

This warranty shall not apply to any Aiphone product that has been subject to misuse, neglect, accident, power surge, or used in violation of instructions furnished. This warranty does not cover batteries that may be required, or damage caused by batteries.

Aiphone Wire Warranty

Aiphone limited warranty is extended by 1 year when product is installed using Aiphone wire.

Types of Installation

The Extended Warranty is applicable for commercial buildings, educational institutions, medical institutions, and other approved Structured Cabling Systems. A professional telecommunications designer (BICSI RCDD) must design the Structured Cabling System (SCS). The SCS must be installed in accordance with the current ANSI/TIA/EIA telecommunications standards and comply with national and local electrical and building codes.

Standard Warranty Claims

"Standard Warranty" refers to the Warranty statement, which is part of the CommScope Terms and Conditions of Sale for CommScope products. The Terms and Conditions are printed on the back of all "CommScope Order Acknowledgement" documents, which are routinely forwarded to the purchasing customer. The Standard Warranty applies to all products sold by CommScope and warrants that all products are free from defects in material and workmanship for a period of one year.

Should the end user/customer encounter a problem with a CommScope cable product covered by the Standard Warranty, they should:

1. Contact the local CommScope Representative or call 800-982-1708 or 828-459-5000 and ask for the Customer Quality Coordinator.
 - a. The CommScope Representative will initiate a "Customer Complaint".
2. Provide the following information:
 - a. CommScope product (Catalog Number) in question;
 - b. Alleged problem; and
 - c. All printed information from the CommScope label on the package.

All information must be included to expedite the process.

The CommScope Customer Quality Coordinator will:

- a. Process the Customer Complaint;
- b. Keep the customer informed of CommScope findings relating to the alleged defective product; and
- c. Inform CommScope Management of findings and assist with resolution.

Product Extended Warranty Solution Guide

Program Overview

CommScope's 20 year Product Extended Warranty Solution ensures the end user that CommScope cables are free from material and workmanship defects and will meet or exceed the requirements of the applicable commercial building telecommunications cabling standards. These requirements are included in ANSI/TIA/EIA 568B series (as adopted through February 2003) for Balanced Twisted Pair, Fiber Optic Cables and the Society of Cable Telecommunications Engineers (SCTE) specifications for 75-Ohm Coaxial Cables. This warranty applies to CommScope cables installed in a Structured Cabling System (SCS), which are properly tested and registered with CommScope.

A Structured Cabling System will be considered for warranty if:

- a) Designed by a professional telecommunications designer (i.e. BICSI RCDD) or other recognized professional telecommunications equivalent certification;
- b) Installed in strict compliance with the appropriate commercial building telecommunications cabling standards (ANSI/TIA/EIA-568-B series, ANSI/TIA/EIA-569-A, ANSI/TIA/EIA-606-A, ANSI/TIA/EIA-607-A, and ANSI/TIA/EIA-758) to include addendums as adopted through February 26, 2003, and National and local building and electrical codes;
- c) Contains only CommScope cable products; and
- d) Contains a single manufacturer's connectivity components that are verified by an approved laboratory (like UL or ETL) to the appropriate Category (up to Cat 6) at the time of installation.

Registration Procedures

CommScope must receive the completed warranty registration form and certified test reports within 30 days of installation [and successful testing].

The necessary forms for Warranty Registration may be obtained using one of the following methods:

1. Go to www.commscope.com under Network Products and click on Extended Warranty. Then click on the Registration Form button and save the form to a local disk drive and note where the form is saved locally.
2. Contact the CommScope Warranty Manager toll free at 1-866-260-8758 or via email at warrantymanager@commscope.com.
3. Contact the local CommScope Representative.

Complete the required Warranty Registration form(s). The completed form(s) may then be sent as an Email attachment(s) to warrantymanager@commscope.com along with the proper testing documents as defined below.

Appropriate testing information must include an acceptable test report for each cable submitted for warranty. All Twisted Pair cables must be tested using an approved "Certification Test Set." Fiber optic cables may be tested using an approved "Certification Test Set" or utilizing a power meter and light source. Test reports should be submitted in electronic format. If fiber testing is performed manually using a standard power meter and light source, the necessary form for submitting the test results is available from CommScope. Coaxial cable is normally tested manually; the necessary form for submitting the results is available from CommScope. To obtain the necessary forms for test reports for manual testing of fiber and coax, go to www.commscope.com under Network Products and click on Extended Warranty. Then click on the "Fiber Link" or "Coax" buttons and save the form to a local disk drive and note where the form is saved locally. The test reports may be:

- 1) Certified test reports from Fluke, Microtest, LanTech or other approved test equipment (Contact CommScope Warranty Manager for approval of test equipment) in electronic format.
- 2) Handwritten test reports for fiber optic cables and coaxial cables are acceptable. Required forms are available at www.commscope.com.

Moves, Adds, & Changes

Moves, Adds, and Changes commonly known as MACs are an integral part of the normal Structured Cabling System. MACs are considered as relocations or additions to the fixed horizontal or backbone cabling within the existing Structured Cabling System. MACs do not include cross-connections, interconnections, or work area (equipment) cords/cables. MACs may be included as a part of the CommScope Product Extended Warranty System when properly installed and registered. To include a MAC in the Product Extended Warranty System, the following requirements must be met:

1. The MAC must be accomplished using the same termination manufacturer as the original Registered Structured Cabling System.
2. The MAC must be accomplished using only CommScope Cabling Products.
3. The MAC must be tested to the proper Standards.
4. The MAC must be registered with the CommScope Warranty Manager within 30 days of completion.

Once a MAC is deemed necessary, the installation contractor or properly trained personnel should be contacted to perform the installation. Once the installation is completed, the MAC should be tested using an approved certification test set.

To Register a MAC, choose any of the following options:

1. Go to www.commscope.com under Network Products and click on Extended Warranty. Click on the "MAC Registration Form," save the form to a local disk drive, and note where the form is saved locally. Fill out the form and email the completed form with the certified test results for the MAC to the CommScope Warranty Manager.
2. Contact the CommScope Warranty Manager toll free at 1-866-260-8758 or via email at warrantymanager@commscope.com.
3. Contact the local CommScope Representative.

If the MAC involved fiber and a manual power meter and light source was used for testing, submit the test results using the "Fiber Link" form. To obtain the "Fiber Link" form, choose one of the following:

1. Go to www.commscope.com under Network Products and click on Extended Warranty. Click on the "Fiber Link" form and save the form to a local disk drive note where the form is saved locally.
2. Contact the CommScope Warranty Manager toll free at 1-866-260-8758 or via email at warrantymanager@commscope.com.
3. Contact the local CommScope Representative.

The Warranty Manager will verify the test results and if the MAC is eligible to be included in the warranty, forward a letter stating the registered MAC is part of the CommScope Product Extended Warranty Solution for the Registered System.

Extended Warranty Claims

"Extended Warranty" refers to the warranty issued by CommScope under the Product Extended Warranty Solution. This warranty applies to CommScope products after they are installed, tested, registered and verified by the CommScope Warranty Manager and a Certificate of Warranty is issued.

Should the end user encounter a problem with Warranted CommScope Cable, they may notify CommScope using one of the following:

1. Go to www.commscope.com under Network Products and click on Extended Warranty. Then click on "Submit a Warranty Claim." Fill in the proper information and click Submit.
2. Contact the CommScope Warranty Manager toll free at 1-866-260-8758 or via email at warrantymanager@commscope.com.
3. Contact the local CommScope Representative.

The Warranty Claim form must be submitted within a commercially reasonable time not to exceed sixty (60) days of first detection of the alleged problem. CommScope reserves the right to refuse any claim brought after the expiration of the warranty term.

Once the completed Claim form is received, the CommScope Warranty Manager will:

1. Verify the warranty is in effect;
2. Verify the cable in question is covered under the listed warranty;
3. Verify the problem with the end user/customer;
4. Audit the installation, if deemed necessary, to determine if the CommScope product is defective and then determine the cause of the defect;
5. If the CommScope product is deemed defective, determine the appropriate corrective action (if any) to correct the problem.

Return and Warranty Policy Statement

1057246B • September 2007
Copyright © 2007 GE Security

Introduction

This *Return and Warranty Policy Statement* applies to GE Security equipment purchased directly from GE Security. If you have acquired GE Security equipment through a distributor, return the equipment to the place of purchase.

As all statements herein are subject to change, please check our website at www.gesecurity.com for the latest policy.

If you have questions about this policy, contact the appropriate customer service center.

Effective date of this policy: September 1, 2007.

Returning GE products

Before you can return any product to GE Security, you must obtain a return material authorization (RMA). This applies to all product returns, including warranty repair/replacements, nonwarranty repairs, credit returns, and advance replacements.

To obtain an RMA, contact the appropriate GE Security customer service center (see *Customer service centers*) for your product, and have the product and the following information ready:

- Original PO number
- SKU/part number
- Serial number

Customer Service will provide you with an RMA number and an RMA acknowledgment form that confirms your request.

Once you have the RMA, repackage the product appropriately (see *Packaging your shipment* on page 2) and attach the RMA acknowledgement form on the outside of the package. Then send the product to the return location given by the customer service center.

All products must be returned freight prepaid within 30 days of obtaining an RMA. We reserve the right to cancel the RMA after 30 days. If you fail to return the product within the 30 days, please contact Customer Service to get a new RMA.

We will not accept unauthorized returns or freight collection returns; we will return these to you at your expense.

If a returned product contains parts that are no longer available or repairable, we will contact you to discuss resolution and return of the material.

The repair department will evaluate all equipment returned for repair to determine warranty coverage and will resolve any questions that may arise during evaluation to make a final determination.

Note: Dealer and distributor return policies may vary based on prior contractual agreements. If you are a GE Security Pro dealer or GE Security Integrator, check our dealer program website at <http://www.gesecurity.com/dealerprograms> for additional warranty information.

Warranty repair/replacements

Subject to the terms of the limited warranty in effect at the time of purchase, GE Security will repair or replace a product that fails to meet the terms provided, within the product's warranty period. The actual warranty period starts from the date of shipment from GE Security's facility or point of origin, and varies based on product category and type of equipment, as shown in *Table 1* on page 2.

For all warranty repairs, GE Security will cover parts and labor. We will return equipment via the same incoming ship method at no additional charge. If you request a different return ship method, we will charge for the full shipping cost.

Nonwarranty repairs

Nonwarranty repairs are granted an extended warranty of 90 calendar days for all products except for fire products, which are granted an extended warranty of one year.

For all nonwarranty repairs, GE Security will provide you with a repair estimate that includes charges for parts, labor (in half-hour increments), and all shipping. Repair charges may be based on a flat rate or parts and labor, and will vary based on actual equipment and condition. You may pay for nonwarranty repair charges by purchase order or credit card.

Note: Nonwarranty restrictions do not apply to IFS equipment.

Credit returns

GE Security will refund or credit new, standard production items that are unused and in original shipping cartons, for a period of 60 days from the original date of shipment. All returned merchandise is subject to a 20% restocking fee.

You may return fire-related merchandise for credit up to 365 days from the date of shipment or invoice, but any returned product is subject to a 25% restocking fee if your credit request comes more than 60 days after the original ship date.

You must use credit within one year of the date of issue.

Note: Credit is not available for custom products.

Advance replacement

Advance replacement products are new or like-new refurbished products and carry a full original equipment warranty. GE Security will send advance replacement product to replace defective equipment that has failed upon initial install for up to 60 days from the original date of shipment and up to 365 days for select equipment.

We will ship advance replacements via ground the next business day. (We may ship emergency replacements by air the same day, after we verify that the product is defective.)

Our repair department will evaluate the returned product to determine whether it is a warranty or nonwarranty replacement and bill you accordingly.

Advance replacements will be invoiced at shipment and credited upon receipt of the defective product. Invoices will remain outstanding if the returned product does not qualify under the replacement terms.

Note: Advance replacement is not available for custom products.

Refurbished B-stock products

GE Security occasionally offers select products for sale as B-stock—units that have been used in the field and refurbished. B-stock and advance replacement products—though they may come from the same pool of products—are covered by different warranty conditions and durations.

B-stock products come with a 90-day limited warranty.

Packaging your shipment

Protecting the value of returned products by packaging and shipping them correctly is your responsibility. We reserve the right to deny warranty coverage for any damage caused by failing to meet the following packaging requirements:

- All electronic components must be taped and/or contained in their original electrostatic protective packaging or an equivalent substitute.
- All parts must be packed securely inside the external shipping carton to prevent mechanical damage.
- External packaging must be sufficient to protect the contents from the usual hazards of shipping.

Product warranty periods

Table 1 lists warranty durations for most GE security equipment, sorted by category. All warranty periods start from the date of shipment from GE Security's facility or point of origin.

For items that do not appear in Table 1, contact Customer Service or your sales rep for the applicable policy.

1. Over the Counter (OTC) Exchanges: Authorized EverFocus distributors may offer an OTC exchange for any defective product for a period of 180 days from shipment from the factory. Distributors must make exchange from in-stock items. No rush orders will be approved for OTC exchanges.

2. Credit: An RMA number is required for all credit returns. Full credit will be issued for items purchased within 90 days if in original condition and packaging. Items returned after 90 days from purchase date will incur a 25% restock fee. All returns will be evaluated upon return and additional fees may be charged based on the condition of products. Freight costs are not included in any credit issued. One Stock rotation credit per year will be allowed, but will require a pre-order for \$1.25 for every \$1.00 to be returned.

3. Notification of Claims: Warranty Service: If Purchaser believes that the Product is defective in material or workmanship, then written notice with an explanation of the claim shall be given promptly by Purchaser to EverFocus. All claims for warranty must be made within the warranty period. If after investigation EverFocus determines that the reported problem was not covered by the warranty, Purchaser shall pay EverFocus the cost of the investigating the problem at its then prevailing per incident billable rate. No repair or replacement of any Product or part thereof shall extend the warranty period as to the entire Product.

4. Exceptions to Limited Warranty: EverFocus shall have no liability or obligation to Purchaser with respect to any Product requiring service during the warranty period which is subjected to any of the following: abuse, improper use; negligence, accident, modification, failure of the end-user to follow the operation procedures outlined in the user's manual, failure of the end-user to follow the maintenance procedures in the service manual for the Product where a schedule is specified for replacement or maintenance or cleaning of certain parts (based on usage) and the end-user has failed to follow such schedule; attempted repair by non-qualified personnel; operation of the Product outside of the published environmental and electrical parameters, or if such Product's original identification (trademark, serial number) markings have been defaced, altered, or removed. EverFocus excludes used Products which have not been sold by EverFocus to the Purchaser. EverFocus also excludes from warranty coverage Products located outside of the United States and Puerto Rico, and consumable items such as fuses and batteries.

5. Proof of Purchase: The Purchaser's dated bill of sale must be retained to establish warranty eligibility. Warranty period will be determined based on product serial number.

Disclaimer of Warranty

Except for the foregoing warranties, EverFocus hereby disclaims and excludes all other warranties, express or implied, including, but not limited to any and/or all implied warranties of merchantability, fitness for a particular purpose and/or any warranty with regard to any claim of infringement that may be provided in section 2-312(3) of the uniform commercial code and/or in any other comparable STE statute. EverFocus hereby disclaims any representations or warranty that the product is compatible with any combination of non-EverFocus product's purchaser may choose to connect to the product.

Limitation on Liability

The liability of EverFocus, if any, and purchaser's sole and exclusive remedy for damages for any claim of any kind whatsoever, regardless of the legal theory and whether arising in tort or contract, shall not be greater than the actual purchase price of the product with respect to which such claim is made. In no event shall EverFocus be liable to purchaser for any special, indirect, incidental, or consequential damages or labor costs of any kind including, but not limited to, compensation, reimbursement or damages on account of the loss of present or prospective profits or for any other reason whatsoever.

Return Policy

2008

Warranty Information is based on Lot Number

5 Years on all AX series Photo Beams, as well as the BX-100 plus

5 Years on all Interior PIR's: CX, DX, EX, FX, KX, MX, RX, & SX

1 Year on all REDWALL series PIR's: LRP 404/ 4010 / 3020 / 5030 / 100Q / 180Q and LRP accessories

1 Year on all REDNET series Photo beams: RN4 10-25/25-75/75-150 and RN accessories

2 Years on all VX-402 series PIR's and the BX-80N

2 Years on all Wireless 1000 components: RC-10U, TD-10U and TS-10U

1 Year on the LX-402 and LX-802N PIR's

3 Years on the DCL-450CP-W camera and all ACCESS CONTROL sensors

Important: The warranty on Optex products does NOT cover defects resulting from accidents or damage while in transit to an authorized distribution point, unauthorized repair, alterations, failure to follow instructions, misuse, use outside North America, Latin America, Canada and the Caribbean, fire, flood and/or acts of Nature.

LOT Number Explained

The "Lot Number" consists of four numbers...sometimes followed by a letter. The first two numbers represent the year and the last two numbers represent the week. For example: 0422E would be the 22nd week in 2004. It is **important to have the lot # ready** when you call in for a return authorization. **Do not return out of warranty product for any reason**, as it will still cost you full price to replace it with new.

The Return Policy Simplified

OPTEX does not repair any sensors listed above as they are manufactured in Japan and shipped to us packaged to sell through distribution. We test the equipment and determine if it works or not. If it works, we return it packaged as we received it. If the equipment is found defective and is under warranty, OPTEX will replace it with the same model new in box. Warranted products carry no charges to the customer. Out of warranty product that is shipped to us will be returned as is, or replaced with new for the full new price. We will call to verify which option would work best for you. Make sure to check that the box and product lot #'s match, as we do sometimes get back old, out of warranty product in new boxes.

All products returned for credit must be in new condition and will be inspected prior to returning to stock and issuing a credit. A re-stocking fee may apply to the model that is returned, so please call ahead and ask for Louise Sanchez, EXT. 102, when sending back new in box credit returns. Please make sure that the product's **packaging is not marked with tape or writing**, as this may result in a **no credit or a 15% restocking charge**.

If you have any questions after reviewing this policy, please call 800 966 7839 or the number below.

Thank you,

WARRANTY INFORMATION

The essential purpose of any sale or contract for sale of any of the products listed in the POTTER catalog or price list is the furnishing of that product. It is expressly understood that in furnishing said product, POTTER does not agree to insure the Purchaser against any losses the Purchaser may incur, even if resulting from the malfunction of said product.

POTTER warrants that the equipment herein shall conform to said descriptions as to all affirmation of fact and shall be free from defects of manufacture, labeling and packaging for a period of one (1), three (3), or five (5) year(s), depending on the product, from the invoice date to the original purchaser, provided that representative samples are returned to POTTER for inspection. The product warranty period is stated on the exterior of the product package. Upon a determination by POTTER that a product is not as warranted, POTTER shall, at its exclusive option, replace or repair said defective product or parts thereof at its own expense except that Purchaser shall pay all shipping, insurance and similar charges incurred in connection with the replacement of the defective product or parts thereof. This Warranty is void in the case of abuse, misuse, abnormal usage, faulty installation or repair by unauthorized persons, or if for any other reason POTTER determines that said product is not operating properly as a result of causes other than defective manufacture, labeling or packaging.

THE AFORESAID WARRANTY IS EXPRESSLY MADE IN LIEU OF ANY OTHER WARRANTIES, EXPRESSED OR IMPLIED, IT BEING UNDERSTOOD THAT ALL SUCH OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR PARTICULAR PURPOSE ARE HEREBY EXPRESSLY EXCLUDED. IN NO EVENT SHALL POTTER BE LIABLE TO PURCHASER FOR ANY DIRECT, COLLATERAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES IN CONNECTION WITH PURCHASER'S USE OF ANY OF THE PRODUCTS LISTED HEREIN, OR FOR ANY OTHER CAUSE WHATSOEVER RELATING TO THE SAID PRODUCTS. NEITHER POTTER NOR ITS REPRESENTATIVES SHALL BE LIABLE TO THE PURCHASER OR ANYONE ELSE FOR ANY LIABILITY, CLAIM, LOSS, DAMAGE OR EXPENSE OF ANY KIND, OR DIRECT COLLATERAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES RELATIVE TO OR ARISING FROM OR CAUSED DIRECTLY OR INDIRECTLY BY SAID PRODUCTS OR THE USE THEREOF OR ANY DEFICIENCY, DEFECT OR INADEQUACY OF THE SAID PRODUCTS. IT IS EXPRESSLY AGREED THAT PURCHASER'S EXCLUSIVE REMEDY FOR ANY CAUSE OF ACTION RELATING TO THE PURCHASE AND/OR USE OF ANY OF THE PRODUCTS LISTED HEREIN FROM POTTER SHALL BE FOR DAMAGES, AND POTTER'S LIABILITY FOR ANY AND ALL LOSSES OR DAMAGES RESULTING FROM ANY CAUSE WHATSOEVER, INCLUDING NEGLIGENCE, OR OTHER FAULT, SHALL IN NO EVENT EXCEED THE PURCHASE PRICE OF THE PRODUCT IN RESPECT TO WHICH THE CLAIM IS MADE, OR AT THE ELECTION OF POTTER, THE RESTORATION OR REPLACEMENT OR REPAIR OF SUCH PRODUCT.

LIMITED WARRANTY NETWORK VIDEO RECORDER

The Imaging Systems Division of Toshiba America Information Systems, Inc. ("ISD") makes the following limited warranties. These limited warranties extend to the Original End-User ("You[r]").

Limited Two (2) Year Warranty of Labor and Parts

The Imaging Systems Division of Toshiba America Information Systems warrants this product and parts against defects in material or workmanship for a period of two years from the date of original retail purchase by the end-user. During this period, ISD will repair or replace a defective product or part with a new or refurbished item. The user must deliver the entire product to the Surveillix DVR Repair Facility. The user is responsible for all transportation and insurance charges for the product to the DVR Repair Facility. ISD reserves the right to substitute Factory Refurbished Parts and / or Factory Refurbished Product in place of those in need of repair.

Step-by-step Procedures - How to Obtain Warranty Service

[1] Verify operation of the unit by checking the instruction manual and web site for the latest updates at

www.toshiba.com/taisid

[2] If there is a defect in material or workmanship, contact the Surveillix DVR Support Center at (877) 855-1349 [877-1-FIX] to speak to a technical support representative and schedule service.

[3] Arrange for delivery of the product to the Surveillix DVR Repair Facility. Products must be insured and securely packed, preferably in the original shipping carton. A letter explaining the defect and a copy of the bill of sale or other proof of purchase must be enclosed with a complete return street address and daytime telephone number. The Tracking Number should also be indicated on your documents. Charges for transportation and insurance must be prepaid by the end-user.

Critical Use Disclaimer

The product is not designed for any "critical applications." "Critical applications" means life support systems, exhaust or smoke extraction applications, medical applications, commercial aviation, mass transit applications, military applications, homeland security applications, nuclear facilities or systems or any other applications where product failure could lead to injury to persons or loss of life or catastrophic property damage. Accordingly, Toshiba disclaims any and all liability arising out of the use of the product in any critical applications.

Your Responsibilities

The above warranty is subject to the following conditions:

[1] You must retain the bill of sale or provide other proof of purchase.

[2] You must schedule service within thirty days after you discover a defective product or part.

[3] All warranty servicing of this product must be made by the Surveillix DVR Repair Facility.

[4] The warranty extends to defects in material or workmanship as limited above, and not to any products or parts that have been lost or discarded by user. The warranty does not cover damage caused by misuse, accident, improper installation, improper maintenance, or use in violation of instructions furnished by ISD. The warranty does not extend to units which have been altered or modified without authorization of ISD, or to damage to products or parts thereof which have had the serial number removed, altered defaced or rendered illegible.

ALL WARRANTIES IMPLIED BY STATE LAW, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE EXPRESSLY LIMITED TO THE DURATION OF THE LIMITED WARRANTIES SET FORTH ABOVE. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply. WITH THE EXCEPTION OF ANY WARRANTIES IMPLIED BY STATE LAW AS HEREBY LIMITED, THE FOREGOING EXPRESS WARRANTY IS EXCLUSIVE AND IN LIEU OF ALL OTHER WITH RESPECT TO THE REPAIR OR REPLACEMENT OF ANY PRODUCTS OR PARTS. IN NO EVENT SHALL ISD BE LIABLE FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES. Some states do not allow the exclusion or limitation of incidental or consequential damages so the above limitation may not apply.

No person, agent, distributor, dealer, service station or company is authorized to change, modify or extend the terms of these warranties in any manner whatsoever. The time within which an action must be commenced to enforce any obligation of ISD arising under this warranty or under any statute, or law of the United States or any state thereof, is hereby limited to one year from the date you discover or should have discovered, the defect. This limitation does not apply to implied warranties arising under state law. Some states do not permit limitation of the time within which you may bring an action beyond the limits provided by state law so the above provision may not apply to user. This warranty gives the user specific legal rights, and user may also have other rights, which may vary from state to state.

These limited warranties extend to the Original End-User ("You/It").

Two (2) Year Limited Warranty of Labor and Parts ISD warrants that this Product will perform in accordance with specifications for a period of two (2) years from the date of purchase by the Original End-User. During this two (2) year period, ISD will repair or replace the Product, if it does not perform as warranted. In order to take advantage of this Limited Warranty, You must: (a) call (877) 855-1349 to receive a RMA number; and (b) pay all transportation and insurance charges for shipment of the Product to the Toshiba Surveillix Repair Center. ISD reserves the right to substitute factory refurbished parts in place of those in need of repair.

Instruction Manual (Owner's Manual): You should read the Instruction Manual (Owner's Manual) thoroughly before operating this Product. Before seeking warranty service, you should check the troubleshooting guide in the Instruction Manual (Owner's Manual) and follow the instructions to correct the problem.

How to Obtain Warranty Service Step-by-step Procedures: To obtain warranty service, You should:

1. Contact Toshiba at (877) 855-1349 to first verify operation or installation assistance. (877) 855-1FIX
2. If technical support determines that the unit is defective, an RMA will be issued with return instructions for repair.
3. Securely pack the Product in the original carton and external shipping pack, include a letter explaining the problem with a copy of the bill of sale or proof of purchase.
4. Prepay all transportation and insurance costs.

Advance Replacement Option: We will advance replace any Surveillix Digital Video Recorder found defective with the following limitations:

- 1) Defective units purchased within 90 days of contact with technical support will receive a new "A" stock replacement
- 2) Defective units purchased outside the 90 day period may receive a refurbished unit
- 3) All advance replacement requests must sign advance replacement agreement and secured with either a hold placed on a credit card or secured with a purchase order from the reseller.
- 4) Defective unit must be returned within 15 days to avoid charges
- 5) Replacement unit will be shipped overnight. Return shipping label will be provided.

Your Responsibilities: This Limited Warranty is subject to the following conditions:

1. You must provide the bill of sale or proof of purchase at the time that warranty service is required.
2. You must notify (877) 855 1349 within (30) days after you discover that the product does not perform in accordance with specifications during the Limited Warranty period.
3. You must pack the Product in its original carton using the original packing material. Then insert the original carton containing the Product into another carton with additional packing material before shipping the Toshiba Surveillix Repair Center.

DISCLAIMERS: ALL OTHER EXPRESS OR IMPLIED WARRANTIES ON THIS PRODUCT, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE HEREBY DISCLAIMED. SOME STATES DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES OR LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS. SO THE ABOVE LIMITATIONS MAY NOT APPLY TO YOU.

IF THIS PRODUCT IS NOT IN GOOD WORKING ORDER AS WARRANTED ABOVE, YOUR SOLE AND EXCLUSIVE REMEDY SHALL BE THE REPAIR OR REPLACEMENT OF THE PRODUCT. IN NO EVENT WILL ISD OR ITS PARENT COMPANY OR ANY ASP BE LIABLE TO YOU OR ANY THIRD PARTY FOR ANY DAMAGES IN EXCESS OF THE PURCHASE PRICE OF THE PRODUCT. THIS LIMITATION APPLIES TO DAMAGES OF ANY KIND, INCLUDING ANY DIRECT OR INDIRECT DAMAGES, LOST PROFITS, LOST SAVINGS OR OTHER SPECIAL, INCIDENTAL, EXEMPLARY OR CONSEQUENTIAL DAMAGES, WHETHER FOR BREACH OF CONTRACT, TORT OR OTHERWISE, OR WHETHER ARISING OUT OF THE USE OF OR INABILITY TO USE SUCH PRODUCT, EVEN IF TAIS, ITS PARENT COMPANY, OR AN ASP HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES OR OF ANY CLAIM BY ANY OTHER PARTY. SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES FOR SOME PRODUCTS, SO THE ABOVE LIMITATIONS OR EXCLUSIONS MAY NOT APPLY TO YOU.

THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH MAY VARY FROM STATE TO STATE.

THIS LIMITED WARRANTY SHALL BE VOID IF THE PRODUCT OR PARTS HAVE BEEN SUBJECTED TO MISUSE, ABUSE, ACCIDENT, IMPROPER INSTALLATION, IMPROPER MAINTENANCE, OR USE IN VIOLATION OF ISD'S WRITTEN INSTRUCTIONS, OR WHERE THE PRODUCT HAS BEEN ALTERED OR MODIFIED WITHOUT ISD'S PRIOR AUTHORIZATION, OR UPON THE REMOVAL OR ALTERATION OF ISD'S FACTORY SERIAL NUMBER. LABOR SERVICE CHARGES FOR PRODUCT INSTALLATION, SET UP AND ADJUSTMENT OF CONTROLS ARE NOT COVERED BY THIS LIMITED WARRANTY

No person, agent, distributor, dealer, authorized service provider, or company is authorized to change, modify, or extend the terms of this Limited Warranty in any manner whatsoever. The time within which an action must be commenced to enforce any obligation of ISD arising under this Limited Warranty or under any statute, or law of the United States or any state thereof, is hereby limited to one (1) year from the date You discovered or should have discovered the problem. This limitation does not apply to implied warranties arising under state law. Some states do not permit limitation of the time within which You may bring an action beyond the limits provided by state law, so the above provision may not apply to You. CHANGE SUMMARY: Pelco has updated their GSA contract information relevant to this contract. Please be advised that GSA has recently realigned Group 58 Contracts for security products to Schedule 84. Coincidental with this change, Pelco renegotiated its Contract, and has moved all of its products to a new Contract, GS-07F-9323S. The Contract also consolidates Pelco models with models previously sold under the Integral Technologies name, now sold as Digital Sentry. The old Contract, GS-03F-4079B, was terminated effective March 5, 2009.

This modification includes the Basis of Award upon which the GSA prices are based (discounts). These changes are incorporated into Pelco's contract with the Commonwealth of Pennsylvania under contract 4400000136 and is to be honored by all Pelco authorized resellers/distributors. A revised price list is available from Pelco if needed. This change is effective immediately. SRM Purchase Document 4400000136, SRM Vendor Number 214633
