Exhibit A

COMMONWEALTH OF PENNSYLVANIA STANDARD CONTRACT TERMS AND CONDITIONS

1. TERM OF CONTRACT

The term of the Contract shall commence on the Effective Date (as defined below) and shall end on the Expiration Date identified in the Contract, subject to the other provisions of the Contract. The Effective Date shall be fixed by the Contracting Officer after the Contract has been fully executed by the Contractor and by the Commonwealth and all approvals required by Commonwealth contracting procedures have been obtained. The Contract shall not be a legally binding contract until after the Effective Date is affixed and the fully-executed Contract has been sent to the Contractor. The Contracting Officer shall issue a written Notice to Proceed to the Contractor directing the Contractor to start performance on a date which is on or after the Effective Date. The Contractor shall not start the performance of any work prior to the date set forth in the Notice to Proceed and the Commonwealth shall not be liable to pay the Contractor for any service or work performed or expenses incurred before the date set forth in the Notice to Proceed. No agency employee has the authority to verbally direct the commencement of any work under this Contract.

2. EXTENSION OF CONTRACT TERM

The Commonwealth reserves the right, upon notice to the Contractor, to extend the term of the Contract for up to three (3) months upon the same terms and conditions.

3. DEFINITIONS

As used in this Contract, these words shall have the following meanings:

- a. Agency: The department, board, commission or other agency of the Commonwealth of Pennsylvania listed as the Purchasing Agency. If a COSTARS entity or external procurement activity has issued an order against this contract, that entity shall also be identified as "Agency".
- b. Contracting Officer: The person authorized to administer this Contract for the Commonwealth and to make written determinations with respect to the Contract.
- c. Days: Unless specifically indicated otherwise, days mean calendar days.
- d. Developed Works or Developed Materials: All documents, sketches, drawings, designs, works, papers, files, reports, computer programs, computer documentation, data, records, software, samples or any other tangible material without limitation authored or prepared by Contractor as the work product covered in the scope of work for the Project.
- e. Documentation: All materials required to support and convey information about the services required by this Contract. It includes, but is not necessarily

restricted to, written reports and analyses, diagrams, maps, logical and physical designs, system designs, computer programs, flow charts, disks, and/or other machine-readable storage media.

- f. **Services:** All Contractor activity necessary to satisfy the Contract.

4. INDEPENDENT PRIME CONTRACTOR

In performing its obligations under the Contract, the Contractor will act as an independent contractor and not as an employee or agent of the Commonwealth. The Contractor will be responsible for all services in this Contract whether or not Contractor provides them directly. Further, the Contractor is the sole point of contact with regard to all contractual matters, including payment of any and all charges resulting from the Contract.

5. DELIVERY

- a. **Supplies Delivery:** All item(s) shall be delivered F.O.B. Destination. The Contractor agrees to bear the risk of loss, injury, or destruction of the item(s) ordered prior to receipt of the items by the Commonwealth. Such loss, injury, or destruction shall not release the Contractor from any contractual obligations. Except as otherwise provided in this contract, all item(s) must be delivered within the time period specified. Time is of the essence and, in addition to any other remedies, the Contract is subject to termination for failure to deliver as specified. Unless otherwise stated in this Contract, delivery must be made within thirty (30) days after the Effective Date.
- b. **Delivery of Services:** The Contractor shall proceed with all due diligence in the performance of the services with qualified personnel, in accordance with the completion criteria set forth in the Contract.

6. ESTIMATED QUANTITIES

It shall be understood and agreed that any quantities listed in the Contract are estimated only and may be increased or decreased in accordance with the actual requirements of the Commonwealth and that the Commonwealth in accepting any bid or portion thereof, contracts only and agrees to purchase only the materials and services in such quantities as represent the actual requirements of the Commonwealth. The Commonwealth reserves the right to purchase materials and services covered under the Contract through a separate competitive procurement procedure, whenever Commonwealth deems it to be in its best interest.

7. WARRANTY

The Contractor warrants that all items furnished and all services performed by the Contractor, its agents and subcontractors shall be free and clear of any defects in workmanship or materials. Unless otherwise stated in the Contract, all items are warranted for a period of one year following delivery by the Contractor and acceptance by the Commonwealth. The Contractor shall repair, replace or otherwise correct any problem with the delivered item. When an item is replaced, it shall be replaced with an item of equivalent or superior quality without any additional cost to the Commonwealth.

8. PATENT, COPYRIGHT, AND TRADEMARK INDEMNITY

The Contractor warrants that it is the sole owner or author of, or has entered into a suitable legal agreement concerning either: a) the design of any product or process provided or used in the performance of the Contract which is covered by a patent, copyright, or trademark registration or other right duly authorized by state or federal law or b) any copyrighted matter in any report document or other material provided to the commonwealth under the contract. The Contractor shall defend any suit or proceeding brought against the Commonwealth on account of any alleged patent, copyright or trademark infringement in the United States of any of the products provided or used in the performance of the Contract. This is upon condition that the Commonwealth shall provide prompt notification in writing of such suit or proceeding; full right, authorization and opportunity to conduct the defense thereof; and full information and all reasonable cooperation for the defense of same. As principles of governmental or public law are involved, the Commonwealth may participate in or choose to conduct, in its sole discretion, the defense of any such action. If information and assistance are furnished by the Commonwealth at the Contractor's written request, it shall be at the Contractor's expense, but the responsibility for such expense shall be only that within the Contractor's written authorization. The Contractor shall indemnify and hold the Commonwealth harmless from all damages, costs, and expenses, including attorney's fees that the Contractor or the Commonwealth may pay or incur by reason of any infringement or violation of the rights occurring to any holder of copyright, trademark, or patent interests and rights in any products provided or used in the performance of the Contract. If any of the products provided by the Contractor in such suit or proceeding are held to constitute infringement and the use is enjoined, the Contractor shall, at its own expense and at its option, either procure the right to continue use of such infringement products, replace them with non-infringement equal performance products or modify them so that they are no longer infringing. If the Contractor is unable to do any of the preceding, the Contractor agrees to remove all the equipment or software which are obtained contemporaneously with the infringing product, or, at the option of the Commonwealth, only those items of equipment or software which are held to be infringing, and to pay the Commonwealth: 1) any amounts paid by the Commonwealth towards the purchase of the product, less straight line depreciation; 2) any license fee paid by the Commonwealth for the use of any software, less an amount for the period of usage; and 3) the pro rata portion of any maintenance fee representing the time remaining in any period of maintenance paid for. The obligations of the Contractor under this paragraph continue without time limit. No costs or expenses shall be incurred for the account of the Contractor without its written consent.

9. OWNERSHIP RIGHTS

The Commonwealth shall have unrestricted authority to reproduce, distribute, and use any submitted report, data, or material, and any software or modifications and any associated documentation that is designed or developed and delivered to the Commonwealth as part of the performance of the Contract.

10. ACCEPTANCE

No item(s) received by the Commonwealth shall be deemed accepted until the Commonwealth has had a reasonable opportunity to inspect the item(s). Any item(s) which is discovered to be defective or fails to conform to the specifications

may be rejected upon initial inspection or at any later time if the defects contained in the item(s) or the noncompliance with the specifications were not reasonably ascertainable upon the initial inspection. It shall thereupon become the duty of the Contractor to remove rejected item(s) from the premises without expense to the Commonwealth within fifteen (15) days after notification. Rejected item(s) left longer than fifteen (15) days will be regarded as abandoned, and the Commonwealth shall have the right to dispose of them as its own property and shall retain that portion of the proceeds of any sale which represents the Commonwealth's costs and expenses in regard to the storage and sale of the item(s). Upon notice of rejection, the Contractor shall immediately replace all such rejected item(s) with others conforming to the specifications and which are not defective. If the Contractor fails, neglects or refuses to do so, the Commonwealth shall then have the right to procure a corresponding quantity of such item(s), and deduct from any monies due or that may thereafter become due to the Contractor, the difference between the price stated in the Contract and the cost thereof to the Commonwealth.

11. PRODUCT CONFORMANCE

The Commonwealth reserves the right to require any and all Contractors to:

- a. Provide certified data from laboratory testing performed by the Contractor, or performed by an independent laboratory, as specified by the Commonwealth.
- b. Supply published manufacturer product documentation.
- c. Permit a Commonwealth representative to witness testing at the Contractor's location or at an independent laboratory.
- d. Complete a survey/questionnaire relating to the bid requirements and specifications.
- e. Provide customer references.
- f. Provide a product demonstration at a location near Harrisburg or the using agency location.

12. REJECTED MATERIAL NOT CONSIDERED ABANDONED

The Commonwealth shall have the right to not regard any rejected material as abandoned and to demand that the Contractor remove the rejected material from the premises within thirty (30) days of notification. The Contractor shall be responsible for removal of the rejected material as well as proper clean-up. If the Contractor fails or refuses to remove the rejected material as demanded by the Commonwealth, the Commonwealth may seek payment from, or set-off from any payments due to the Contractor under this or any other Contract with the Commonwealth, the costs of removal and clean-up. This is in addition to all other rights to recover costs incurred by the Commonwealth.

13. COMPLIANCE WITH LAW

The Contractor shall comply with all applicable federal and state laws and regulations and local ordinances in the performance of the Contract.

14. ENVIRONMENTAL PROVISIONS

In the performance of the Contract, the Contractor shall minimize pollution and shall strictly comply with all applicable environmental laws and regulations, including, but not limited to, the Clean Streams Law Act of June 22, 1937 (P.L. 1987, No. 394), as amended 35 P.S. § 691.601 et seq.; the Pennsylvania Solid Waste Management Act, Act of July 7, 1980 (P.L. 380, No. 97), as amended, 35 P.S. § 6018.101 et seq.; and the Dam Safety and Encroachment Act, Act of November 26, 1978 (P.L. 1375, No. 325), as amended, 32 P.S. § 693.1.

15. POST-CONSUMER RECYCLED CONTENT

- a. Except as specifically waived by the Department of General Services in writing, any products which are provided to the Commonwealth as a part of the performance of the Contract must meet the minimum percentage levels for total recycled content as specified on the Department of General Services website at www.dgs.state.pa.us on the date of submission of the bid, proposal or contract offer.
- b. **Recycled Content Enforcement:** The Contractor may be required, after delivery of the Contract item(s), to provide the Commonwealth with documentary evidence that the item(s) was in fact produced with the required minimum percentage of post-consumer and recovered material content.

16. COMPENSATION

- a. **Compensation for Supplies:** The Contractor shall be required to furnish the awarded item(s) at the price(s) quoted in the Contract. All item(s) shall be delivered within the time period(s) specified in the Contract. The Contractor shall be compensated only for item(s) that are delivered and accepted by the Commonwealth.
- b. **Compensation for Services:** The Contractor shall be required to perform the specified services at the price(s) quoted in the Contract. All services shall be performed within the time period(s) specified in the Contract. The Contractor shall be compensated only for work performed to the satisfaction of the Commonwealth. The Contractor shall not be allowed or paid travel or per diem expenses except as specifically set forth in the Contract.

17. BILLING REQUIREMENTS

Unless the Contractor has been authorized by the Commonwealth for Evaluated Receipt Settlement or Vendor Self-Invoicing, the Contractor shall include in all of its invoices the following minimum information:

- a. Vendor name and "Remit to" address, including SAP Vendor number;
- b. Bank routing information, if ACH;
- c. SAP Purchase Order number;
- d. Delivery Address, including name of Commonwealth agency;

- e. Description of the supplies/services delivered in accordance with SAP Purchase Order (include purchase order line number if possible);
- f. Quantity provided;
- g. Unit price;
- h. Price extension;
- i. Total price; and
- j. Delivery date of supplies or services.

If an invoice does not contain the minimum information set forth in this paragraph, the Commonwealth may return the invoice as improper. If the Commonwealth returns an invoice as improper, the time for processing a payment will be suspended until the Commonwealth receives a correct invoice. The Contractor may not receive payment until the Commonwealth has received a correct invoice.

Contractors are required to establish separate billing accounts with each using agency and invoice them directly. Each invoice shall be itemized with adequate detail and match the line item on the Purchase Order. In no instance shall any payment be made for services to the Contractor that are not in accordance with the prices on the Purchase Order, the Contract, updated price lists or any discounts negotiated by the purchasing agency.

18. PAYMENT

- a. The Commonwealth shall put forth reasonable efforts to make payment by the required payment date. The required payment date is: (a) the date on which payment is due under the terms of the Contract; (b) thirty (30) days after a proper invoice actually is received at the "Bill To" address if a date on which payment is due is not specified in the Contract (a "proper" invoice is not received until the Commonwealth accepts the service as satisfactorily performed); or (c) the payment date specified on the invoice if later than the dates established by (a) and (b) above. Payment may be delayed if the payment amount on an invoice is not based upon the price(s) as stated in the Contract. If any payment is not made within fifteen (15) days after the required payment date, the Commonwealth may pay interest as determined by the Secretary of Budget in accordance with Act No. 266 of 1982 and regulations promulgated pursuant thereto. Payment should not be construed by the Contractor as acceptance of the service performed by the Contractor. The Commonwealth reserves the right to conduct further testing and inspection after payment, but within a reasonable time after performance, and to reject the service if such post payment testing or inspection discloses a defect or a failure to meet specifications. The Contractor agrees that the Commonwealth may set off the amount of any state tax liability or other obligation of the Contractor or its subsidiaries to the Commonwealth against any payments due the Contractor under any contract with the Commonwealth.
- b. The Commonwealth shall have the option of using the Commonwealth purchasing card to make purchases under the Contract or Purchase Order.

The Commonwealth's purchasing card is similar to a credit card in that there will be a small fee which the Contractor will be required to pay and the Contractor will receive payment directly from the card issuer rather than the Commonwealth. Any and all fees related to this type of payment are the responsibility of the Contractor. In no case will the Commonwealth allow increases in prices to offset credit card fees paid by the Contractor or any other charges incurred by the Contractor, unless specifically stated in the terms of the Contract or Purchase Order.

- c. The Commonwealth will make contract payments through Automated Clearing House (ACH).
 - 1) Within 10 days of award of the contract or purchase order, the contractor must submit or must have already submitted their ACH information within their user profile in the Commonwealth's procurement system (SRM).
 - 2) The contractor must submit a unique invoice number with each invoice submitted. The unique invoice number will be listed on the Commonwealth of Pennsylvania's ACH remittance advice to enable the contractor to properly apply the state agency's payment to the invoice submitted.
 - 3) It is the responsibility of the contractor to ensure that the ACH information contained in SRM is accurate and complete. Failure to maintain accurate and complete information may result in delays in payments.

19. TAXES

The Commonwealth is exempt from all excise taxes imposed by the Internal Revenue Service and has accordingly registered with the Internal Revenue Service to make tax free purchases under Registration No. 23740001-K. With the exception of purchases of the following items, no exemption certificates are required and none will be issued: undyed diesel fuel, tires, trucks, gas guzzler emergency vehicles, and sports fishing equipment. The Commonwealth is also exempt from Pennsylvania state sales tax, local sales tax, public transportation assistance taxes and fees and vehicle rental tax. The Department of Revenue regulations provide that exemption certificates are not required for sales made to governmental entities and none will be issued. Nothing in this paragraph is meant to exempt a construction contractor from the payment of any of these taxes or fees which are required to be paid with respect to the purchase, use, rental, or lease of tangible personal property or taxable services used or transferred in connection with the performance of a construction contract.

20. ASSIGNMENT OF ANTITRUST CLAIMS

The Contractor and the Commonwealth recognize that in actual economic practice, overcharges by the Contractor's suppliers resulting from violations of state or federal antitrust laws are in fact borne by the Commonwealth. As part of the consideration for the award of the Contract, and intending to be legally bound, the Contractor assigns to the Commonwealth all right, title and interest in and to any claims the

Contractor now has, or may acquire, under state or federal antitrust laws relating to the products and services which are the subject of this Contract.

21. COMMONWEALTH HELD HARMLESS

- a. The Contractor shall hold the Commonwealth harmless from and indemnify the Commonwealth against any and all third party claims, demands and actions based upon or arising out of any activities performed by the Contractor and its employees and agents under this Contract, provided the Commonwealth gives Contractor prompt notice of any such claim of which it learns. Pursuant to the Commonwealth Attorneys Act (71 P.S. Section 732-101, et seq.), the Office of Attorney General (OAG) has the sole authority to represent the Commonwealth in actions brought against the Commonwealth. The OAG may, however, in its sole discretion and under such terms as it deems appropriate, delegate its right of defense. If OAG delegates the defense to the Contractor, the Commonwealth will cooperate with all reasonable requests of Contractor made in the defense of such suits.
- b. Notwithstanding the above, neither party shall enter into any settlement without the other party's written consent, which shall not be unreasonably withheld. The Commonwealth may, in its sole discretion, allow the Contractor to control the defense and any related settlement negotiations.

22. AUDIT PROVISIONS

The Commonwealth shall have the right, at reasonable times and at a site designated by the Commonwealth, to audit the books, documents and records of the Contractor to the extent that the books, documents and records relate to costs or pricing data for the Contract. The Contractor agrees to maintain records which will support the prices charged and costs incurred for the Contract. The Contractor shall preserve books, documents, and records that relate to costs or pricing data for the Contract for a period of three (3) years from date of final payment. The Contractor shall give full and free access to all records to the Commonwealth and/or their authorized representatives.

23. DEFAULT

- a. The Commonwealth may, subject to the Force Majeure provisions of this Contract, and in addition to its other rights under the Contract, declare the Contractor in default by written notice thereof to the Contractor, and terminate (as provided in the Termination Provisions of this Contract) the whole or any part of this Contract or any Purchase Order for any of the following reasons:
 - 1) Failure to begin work within the time specified in the Contract or Purchase Order or as otherwise specified;
 - 2) Failure to perform the work with sufficient labor, equipment, or material to insure the completion of the specified work in accordance with the Contract or Purchase Order terms;

- 3) Unsatisfactory performance of the work;
 - 4) Failure to deliver the awarded item(s) within the time specified in the Contract or Purchase Order or as otherwise specified;
 - 5) Improper delivery;
 - 6) Failure to provide an item(s) which is in conformance with the specifications referenced in the Contract or Purchase Order;
 - 7) Delivery of a defective item;
 - 8) Failure or refusal to remove material, or remove and replace any work rejected as defective or unsatisfactory;
 - 9) Discontinuance of work without approval;
 - 10) Failure to resume work, which has been discontinued, within a reasonable time after notice to do so;
 - 11) Insolvency or bankruptcy;
 - 12) Assignment made for the benefit of creditors;
 - 13) Failure or refusal within 10 days after written notice by the Contracting Officer, to make payment or show cause why payment should not be made, of any amounts due for materials furnished, labor supplied or performed, for equipment rentals, or for utility services rendered;
 - 14) Failure to protect, to repair, or to make good any damage or injury to property;
 - 15) Breach of any provision of the Contract;
 - 16) Failure to comply with representations made in the Contractor's bid/proposal; or
 - 17) Failure to comply with applicable industry standards, customs, and practice.
- b. In the event that the Commonwealth terminates this Contract or any Purchase Order in whole or in part as provided in Subparagraph a. above, the Commonwealth may procure, upon such terms and in such manner as it determines, items similar or identical to those so terminated, and the Contractor shall be liable to the Commonwealth for any reasonable excess costs for such similar or identical items included within the terminated part of the Contract or Purchase Order.
- c. If the Contract or a Purchase Order is terminated as provided in Subparagraph a. above, the Commonwealth, in addition to any other rights provided in this paragraph, may require the Contractor to transfer title and deliver immediately to the Commonwealth in the manner and to the extent directed by the Contracting Officer, such partially completed items, including,

where applicable, reports, working papers and other documentation, as the Contractor has specifically produced or specifically acquired for the performance of such part of the Contract or Purchase Order as has been terminated. Except as provided below, payment for completed work accepted by the Commonwealth shall be at the Contract price. Except as provided below, payment for partially completed items including, where applicable, reports and working papers, delivered to and accepted by the Commonwealth shall be in an amount agreed upon by the Contractor and Contracting Officer. The Commonwealth may withhold from amounts otherwise due the Contractor for such completed or partially completed works, such sum as the Contracting Officer determines to be necessary to protect the Commonwealth against loss.

- d. The rights and remedies of the Commonwealth provided in this paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
- e. The Commonwealth's failure to exercise any rights or remedies provided in this paragraph shall not be construed to be a waiver by the Commonwealth of its rights and remedies in regard to the event of default or any succeeding event of default.
- f. Following exhaustion of the Contractor's administrative remedies as set forth in the Contract Controversies Provision of the Contract, the Contractor's exclusive remedy shall be to seek damages in the Board of Claims.

24. FORCE MAJEURE

Neither party will incur any liability to the other if its performance of any obligation under this Contract is prevented or delayed by causes beyond its control and without the fault or negligence of either party. Causes beyond a party's control may include, but aren't limited to, acts of God or war, changes in controlling law, regulations, orders or the requirements of any governmental entity, severe weather conditions, civil disorders, natural disasters, fire, epidemics and quarantines, general strikes throughout the trade, and freight embargoes.

The Contractor shall notify the Commonwealth orally within five (5) days and in writing within ten (10) days of the date on which the Contractor becomes aware, or should have reasonably become aware, that such cause would prevent or delay its performance. Such notification shall (i) describe fully such cause(s) and its effect on performance, (ii) state whether performance under the contract is prevented or delayed and (iii) if performance is delayed, state a reasonable estimate of the duration of the delay. The Contractor shall have the burden of proving that such cause(s) delayed or prevented its performance despite its diligent efforts to perform and shall produce such supporting documentation as the Commonwealth may reasonably request. After receipt of such notification, the Commonwealth may elect to cancel the Contract, cancel the Purchase Order, or to extend the time for performance as reasonably necessary to compensate for the Contractor's delay.

In the event of a declared emergency by competent governmental authorities, the Commonwealth by notice to the Contractor, may suspend all or a portion of the Contract or Purchase Order.

25. TERMINATION PROVISIONS

The Commonwealth has the right to terminate this Contract or any Purchase Order for any of the following reasons. Termination shall be effective upon written notice to the Contractor.

- a. **TERMINATION FOR CONVENIENCE:** The Commonwealth shall have the right to terminate the Contract or a Purchase Order for its convenience if the Commonwealth determines termination to be in its best interest. The Contractor shall be paid for work satisfactorily completed prior to the effective date of the termination, but in no event shall the Contractor be entitled to recover loss of profits.
- b. **NON-APPROPRIATION:** The Commonwealth's obligation to make payments during any Commonwealth fiscal year succeeding the current fiscal year shall be subject to availability and appropriation of funds. When funds (state and/or federal) are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal year period, the Commonwealth shall have the right to terminate the Contract or a Purchase Order. The Contractor shall be reimbursed for the reasonable value of any nonrecurring costs incurred but not amortized in the price of the supplies or services delivered under the Contract. Such reimbursement shall not include loss of profit, loss of use of money, or administrative or overhead costs. The reimbursement amount may be paid from any appropriations available for that purpose
- c. **TERMINATION FOR CAUSE:** The Commonwealth shall have the right to terminate the Contract or a Purchase Order for Contractor default under the Default Clause upon written notice to the Contractor. The Commonwealth shall also have the right, upon written notice to the Contractor, to terminate the Contract or a Purchase Order for other cause as specified in the Contract or by law. If it is later determined that the Commonwealth erred in terminating the Contract or a Purchase Order for cause, then, at the Commonwealth's discretion, the Contract or Purchase Order shall be deemed to have been terminated for convenience under Subparagraph a.

26. CONTRACT CONTROVERSIES

- a. In the event of a controversy or claim arising from the Contract, the Contractor must, within six months after the cause of action accrues, file a written claim with the contracting officer for a determination. The claim shall state all grounds upon which the Contractor asserts a controversy exists. If the Contractor fails to file a claim or files an untimely claim, the Contractor is deemed to have waived its right to assert a claim in any forum. At the time the claim is filed, or within sixty (60) days thereafter, either party may request mediation through the Commonwealth Office of General Counsel Dispute Resolution Program.
- b. If the Contractor or the contracting officer requests mediation and the other party agrees, the contracting officer shall promptly make arrangements for mediation. Mediation shall be scheduled so as to not delay the issuance of the final determination beyond the required 120 days after receipt of the claim if mediation is unsuccessful. If mediation is not agreed to or if

resolution is not reached through mediation, the contracting officer shall review timely-filed claims and issue a final determination, in writing, regarding the claim. The final determination shall be issued within 120 days of the receipt of the claim, unless extended by consent of the contracting officer and the Contractor. The contracting officer shall send his/her written determination to the Contractor. If the contracting officer fails to issue a final determination within the 120 days (unless extended by consent of the parties), the claim shall be deemed denied. The contracting officer's determination shall be the final order of the purchasing agency.

- c. Within fifteen (15) days of the mailing date of the determination denying a claim or within 135 days of filing a claim if, no extension is agreed to by the parties, whichever occurs first, the Contractor may file a statement of claim with the Commonwealth Board of Claims. Pending a final judicial resolution of a controversy or claim, the Contractor shall proceed diligently with the performance of the Contract in a manner consistent with the determination of the contracting officer and the Commonwealth shall compensate the Contractor pursuant to the terms of the Contract.

27. ASSIGNABILITY AND SUBCONTRACTING

- a. Subject to the terms and conditions of this Paragraph, this Contract shall be binding upon the parties and their respective successors and assigns.
- b. The Contractor shall not subcontract with any person or entity to perform all or any part of the work to be performed under this Contract without the prior written consent of the Contracting Officer, which consent may be withheld at the sole and absolute discretion of the Contracting Officer.
- c. The Contractor may not assign, in whole or in part, this Contract or its rights, duties, obligations, or responsibilities hereunder without the prior written consent of the Contracting Officer, which consent may be withheld at the sole and absolute discretion of the Contracting Officer.
- d. Notwithstanding the foregoing, the Contractor may, without the consent of the Contracting Officer, assign its rights to payment to be received under the Contract, provided that the Contractor provides written notice of such assignment to the Contracting Officer together with a written acknowledgement from the assignee that any such payments are subject to all of the terms and conditions of this Contract.
- e. For the purposes of this Contract, the term "assign" shall include, but shall not be limited to, the sale, gift, assignment, pledge, or other transfer of any ownership interest in the Contractor provided, however, that the term shall not apply to the sale or other transfer of stock of a publicly traded company.
- f. Any assignment consented to by the Contracting Officer shall be evidenced by a written assignment agreement executed by the Contractor and its assignee in which the assignee agrees to be legally bound by all of the terms and conditions of the Contract and to assume the duties, obligations, and responsibilities being assigned.

- g. A change of name by the Contractor, following which the Contractor's federal identification number remains unchanged, shall not be considered to be an assignment hereunder. The Contractor shall give the Contracting Officer written notice of any such change of name.

28. OTHER CONTRACTORS

The Commonwealth may undertake or award other contracts for additional or related work, and the Contractor shall fully cooperate with other contractors and Commonwealth employees, and coordinate its work with such additional work as may be required. The Contractor shall not commit or permit any act that will interfere with the performance of work by any other contractor or by Commonwealth employees. This paragraph shall be included in the Contracts of all contractors with which this Contractor will be required to cooperate. The Commonwealth shall equitably enforce this paragraph as to all contractors to prevent the imposition of unreasonable burdens on any contractor.

29. NONDISCRIMINATION/SEXUAL HARASSMENT CLAUSE

The Contractor agrees:

- a. In the hiring of any employee(s) for the manufacture of supplies, performance of work, or any other activity required under the contract or any subcontract, the Contractor, each subcontractor, or any person acting on behalf of the Contractor or subcontractor shall not, by reason of gender, race, creed, or color, discriminate against any citizen of this Commonwealth who is qualified and available to perform the work to which the employment relates.
- b. Neither the Contractor nor any subcontractor nor any person on their behalf shall in any manner discriminate against or intimidate any employee involved in the manufacture of supplies, the performance of work, or any other activity required under the contract on account of gender, race, creed, or color.
- c. The Contractor and each subcontractor shall establish and maintain a written sexual harassment policy and shall inform their employees of the policy. The policy must contain a notice that sexual harassment will not be tolerated and employees who practice it will be disciplined.
- d. The Contractor and each subcontractor shall not discriminate by reason of gender, race, creed, or color against any subcontractor or supplier who is qualified to perform the work to which the contract relates.
- e. The Contractor and each subcontractor shall, within the time periods requested by the Commonwealth, furnish all necessary employment documents and records and permit access to their books, records, and accounts by the contracting agency and the Bureau of Small Business Opportunities (BSBO), for purpose of ascertaining compliance with provisions of this Nondiscrimination/Sexual Harassment Clause. Within fifteen (15) days after award of any contract, the Contractor shall be required to complete, sign and submit Form STD-21, the "Initial Contract Compliance Data" form. If the contract is a construction contract, then the Contractor shall be required to complete, sign and submit Form STD-28, the "Monthly Contract Compliance

Report for Construction Contractors”, each month no later than the 15th of the month following the reporting period beginning with the initial job conference and continuing through the completion of the project. Those contractors who have fewer than five employees or whose employees are all from the same family or who have completed the Form STD-21 within the past 12 months may, within the 15 days, request an exemption from the Form STD-21 submission requirement from the contracting agency.

- f. The Contractor shall include the provisions of this Nondiscrimination/Sexual Harassment Clause in every subcontract so that those provisions applicable to subcontractors will be binding upon each subcontractor.
- g. The Commonwealth may cancel or terminate the contract and all money due or to become due under the contract may be forfeited for a violation of the terms and conditions of this Nondiscrimination/Sexual Harassment Clause. In addition, the agency may proceed with debarment or suspension and may place the Contractor in the Contractor Responsibility File.

30. CONTRACTOR INTEGRITY PROVISIONS

It is essential that those who seek to contract with the Commonwealth of Pennsylvania (“Commonwealth”) observe high standards of honesty and integrity. They must conduct themselves in a manner that fosters public confidence in the integrity of the Commonwealth procurement process.

In furtherance of this policy, Contractor agrees to the following:

- a. Contractor shall maintain the highest standards of honesty and integrity during the performance of this contract and shall take no action in violation of state or federal laws or regulations or any other applicable laws or regulations, or other requirements applicable to Contractor or that govern contracting with the Commonwealth.
- b. Contractor shall establish and implement a written business integrity policy, which includes, at a minimum, the requirements of these provisions as they relate to Contractor employee activity with the Commonwealth and Commonwealth employees, and which is distributed and made known to all Contractor employees.
- c. Contractor, its affiliates, agents and employees shall not influence, or attempt to influence, any Commonwealth employee to breach the standards of ethical conduct for Commonwealth employees set forth in the *Public Official and Employees Ethics Act, 65 Pa.C.S. §§1101 et seq.*; the *State Adverse Interest Act, 71 P.S. §776.1 et seq.*; and the *Governor’s Code of Conduct, Executive Order 1980-18, 4 Pa. Code §7.151 et seq.*, or to breach any other state or federal law or regulation.
- d. Contractor, its affiliates, agents and employees shall not offer, give, or agree or promise to give any gratuity to a Commonwealth official or employee or to any other person at the direction or request of any Commonwealth official or employee.

- e. Contractor, its affiliates, agents and employees shall not offer, give, or agree or promise to give any gratuity to a Commonwealth official or employee or to any other person, the acceptance of which would violate the Governor's Code of Conduct, Executive Order 1980-18, 4 Pa. Code §7.151 et seq. or any statute, regulation, statement of policy, management directive or any other published standard of the Commonwealth.
- f. Contractor, its affiliates, agents and employees shall not, directly or indirectly, offer, confer, or agree to confer any pecuniary benefit on anyone as consideration for the decision, opinion, recommendation, vote, other exercise of discretion, or violation of a known legal duty by any Commonwealth official or employee.
- g. Contractor, its affiliates, agents, employees, or anyone in privity with him or her shall not accept or agree to accept from any person, any gratuity in connection with the performance of work under the contract, except as provided in the contract.
- h. Contractor shall not have a financial interest in any other contractor, subcontractor, or supplier providing services, labor, or material on this project, unless the financial interest is disclosed to the Commonwealth in writing and the Commonwealth consents to Contractor's financial interest prior to Commonwealth execution of the contract. Contractor shall disclose the financial interest to the Commonwealth at the time of bid or proposal submission, or if no bids or proposals are solicited, no later than Contractor's submission of the contract signed by Contractor.
- i. Contractor, its affiliates, agents and employees shall not disclose to others any information, documents, reports, data, or records provided to, or prepared by, Contractor under this contract without the prior written approval of the Commonwealth, except as required by the *Pennsylvania Right-to-Know Law, 65 P.S. §§ 67.101-3104*, or other applicable law or as otherwise provided in this contract. Any information, documents, reports, data, or records secured by Contractor from the Commonwealth or a third party in connection with the performance of this contract shall be kept confidential unless disclosure of such information is:
 - 1) Approved in writing by the Commonwealth prior to its disclosure; or
 - 2) Directed by a court or other tribunal of competent jurisdiction unless the contract requires prior Commonwealth approval; or
 - 3) Required for compliance with federal or state securities laws or the requirements of national securities exchanges; or
 - 4) Necessary for purposes of Contractor's internal assessment and review; or
 - 5) Deemed necessary by Contractor in any action to enforce the provisions of this contract or to defend or prosecute claims by or against parties other than the Commonwealth; or

- 6) Permitted by the valid authorization of a third party to whom the information, documents, reports, data, or records pertain: or
 - 7) Otherwise required by law.
- j. Contractor certifies that neither it nor any of its officers, directors, associates, partners, limited partners or individual owners has been officially notified of, charged with, or convicted of any of the following and agrees to immediately notify the Commonwealth agency contracting officer in writing if and when it or any officer, director, associate, partner, limited partner or individual owner has been officially notified of, charged with, convicted of, or officially notified of a governmental determination of any of the following:
- 1) Commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements or receiving stolen property.
 - 2) Commission of fraud or a criminal offense or other improper conduct or knowledge of, approval of or acquiescence in such activities by Contractor or any affiliate, officer, director, associate, partner, limited partner, individual owner, or employee or other individual or entity associated with:
 - a) obtaining;
 - b) attempting to obtain; or
 - c) performing a public contract or subcontract.

Contractor's acceptance of the benefits derived from the conduct shall be deemed evidence of such knowledge, approval or acquiescence.

- 3) Violation of federal or state antitrust statutes.
- 4) Violation of any federal or state law regulating campaign contributions.
- 5) Violation of any federal or state environmental law.
- 6) Violation of any federal or state law regulating hours of labor, minimum wage standards or prevailing wage standards; discrimination in wages; or child labor violations.
- 7) Violation of the *Act of June 2, 1915 (P.L. 736, No. 338)*, known as the *Workers' Compensation Act, 77 P.S. 1 et seq.*
- 8) Violation of any federal or state law prohibiting discrimination in employment.
- 9) Debarment by any agency or department of the federal government or by any other state.
- 10) Any other crime involving moral turpitude or business honesty or integrity.

Contractor acknowledges that the Commonwealth may, in its sole discretion, terminate the contract for cause upon such notification or when the Commonwealth otherwise learns that Contractor has been officially notified, charged, or convicted.

- k. If this contract was awarded to Contractor on a non-bid basis, Contractor must, (as required by *Section 1641* of the *Pennsylvania Election Code*) file a report of political contributions with the Secretary of the Commonwealth on or before February 15 of the next calendar year. The report must include an itemized list of all political contributions known to Contractor by virtue of the knowledge possessed by every officer, director, associate, partner, limited partner, or individual owner that has been made by:
- 1) Any officer, director, associate, partner, limited partner, individual owner or members of the immediate family when the contributions exceed an aggregate of one thousand dollars (\$1,000) by any individual during the preceding year; or
 - 2) Any employee or members of his immediate family whose political contribution exceeded one thousand dollars (\$1,000) during the preceding year.

To obtain a copy of the reporting form, Contractor shall contact the Bureau of Commissions, Elections and Legislation, Division of Campaign Finance and Lobbying Disclosure, Room 210, North Office Building, Harrisburg, PA 17120.

- l. Contractor shall comply with requirements of the *Lobbying Disclosure Act, 65 Pa.C.S. § 13A01 et seq.*, and the regulations promulgated pursuant to that law. Contractor employee activities prior to or outside of formal Commonwealth procurement communication protocol are considered lobbying and subjects the Contractor employees to the registration and reporting requirements of the law. Actions by outside lobbyists on Contractor's behalf, no matter the procurement stage, are not exempt and must be reported.
- m. When Contractor has reason to believe that any breach of ethical standards as set forth in law, the Governor's Code of Conduct, or in these provisions has occurred or may occur, including but not limited to contact by a Commonwealth officer or employee which, if acted upon, would violate such ethical standards, Contractor shall immediately notify the Commonwealth contracting officer or Commonwealth Inspector General in writing.
- n. Contractor, by submission of its bid or proposal and/or execution of this contract and by the submission of any bills, invoices or requests for payment pursuant to the contract, certifies and represents that it has not violated any of these contractor integrity provisions in connection with the submission of the bid or proposal, during any contract negotiations or during the term of the contract.
- o. Contractor shall cooperate with the Office of Inspector General in its investigation of any alleged Commonwealth employee breach of ethical standards and any alleged Contractor non-compliance with these provisions. Contractor agrees to make identified Contractor employees available for

interviews at reasonable times and places. Contractor, upon the inquiry or request of the Office of Inspector General, shall provide, or if appropriate, make promptly available for inspection or copying, any information of any type or form deemed relevant by the Inspector General to Contractor's integrity and compliance with these provisions. Such information may include, but shall not be limited to, Contractor's business or financial records, documents or files of any type or form that refers to or concern this contract.

- p. For violation of any of these Contractor Integrity Provisions, the Commonwealth may terminate this and any other contract with Contractor, claim liquidated damages in an amount equal to the value of anything received in breach of these provisions, claim damages for all additional costs and expenses incurred in obtaining another contractor to complete performance under this contract, and debar and suspend Contractor from doing business with the Commonwealth. These rights and remedies are cumulative, and the use or non-use of any one shall not preclude the use of all or any other. These rights and remedies are in addition to those the Commonwealth may have under law, statute, regulation, or otherwise.
- q. For purposes of these Contractor Integrity Provisions, the following terms shall have the meanings found in this Subparagraph.
 - 1) "Confidential information" means information that a) is not already in the public domain; b) is not available to the public upon request; c) is not or does not become generally known to Contractor from a third party without an obligation to maintain its confidentiality; d) has not become generally known to the public through an act or omission of Contractor; or e) has not been independently developed by Contractor without the use of confidential information of the Commonwealth.
 - 2) "Consent" means written permission signed by a duly authorized officer or employee of the Commonwealth, provided that where the material facts have been disclosed, in writing, by pre-qualification, bid, proposal, or contractual terms, the Commonwealth shall be deemed to have consented by virtue of execution of this contract.
 - 3) "Contractor" means the individual or entity that has entered into this contract with the Commonwealth, including those directors, officers, partners, managers, and owners having more than a five percent interest in Contractor.
 - 4) "Financial interest" means:
 - a) Ownership of more than a five percent interest in any business; or
 - b) Holding a position as an officer, director, trustee, partner, employee, or holding any position of management.
 - 5) "Gratuity" means tendering, giving or providing anything of more than nominal monetary value including, but not limited to, cash, travel, entertainment, gifts, meals, lodging, loans, subscriptions, advances, deposits of money, services, employment, or contracts of any kind.

The exceptions set forth in the Governor's Code of Conduct, Executive Order 1980-18, the 4 Pa. Code §7.153(b), shall apply.

- 6) "Immediate family" means a spouse and any unemancipated child.
- 7) "Non-bid basis" means a contract awarded or executed by the Commonwealth with Contractor without seeking bids or proposals from any other potential bidder or offeror.
- 8) "Political contribution" means any payment, gift, subscription, assessment, contract, payment for services, dues, loan, forbearance, advance or deposit of money or any valuable thing, to a candidate for public office or to a political committee, including but not limited to a political action committee, made for the purpose of influencing any election in the Commonwealth of Pennsylvania or for paying debts incurred by or for a candidate or committee before or after any election.

31. CONTRACTOR RESPONSIBILITY PROVISIONS

For the purpose of these provisions, the term contractor is defined as any person, including, but not limited to, a bidder, offeror, loan recipient, grantee or lessor, who has furnished or performed or seeks to furnish or perform, goods, supplies, services, leased space, construction or other activity, under a contract, grant, lease, purchase order or reimbursement agreement with the Commonwealth of Pennsylvania (Commonwealth). The term contractor includes a permittee, licensee, or any agency, political subdivision, instrumentality, public authority, or other public entity in the Commonwealth.

- a. The Contractor certifies, in writing, for itself and its subcontractors required to be disclosed or approved by the Commonwealth, that as of the date of its execution of this Bid/Contract, that neither the Contractor, nor any such subcontractors, are under suspension or debarment by the Commonwealth or any governmental entity, instrumentality, or authority and, if the Contractor cannot so certify, then it agrees to submit, along with its Bid/Contract, a written explanation of why such certification cannot be made.
- b. The Contractor also certifies, in writing, that as of the date of its execution of this Bid/Contract it has no tax liabilities or other Commonwealth obligations, or has filed a timely administrative or judicial appeal if such liabilities or obligations exist, or is subject to a duly approved deferred payment plan if such liabilities exist.
- c. The Contractor's obligations pursuant to these provisions are ongoing from and after the effective date of the Contract through the termination date thereof. Accordingly, the Contractor shall have an obligation to inform the Commonwealth if, at any time during the term of the Contract, it becomes delinquent in the payment of taxes, or other Commonwealth obligations, or if it or, to the best knowledge of the Contractor, any of its subcontractors are suspended or debarred by the Commonwealth, the federal government, or any other state or governmental entity. Such notification shall be made within 15 days of the date of suspension or debarment.

- d. The failure of the Contractor to notify the Commonwealth of its suspension or debarment by the Commonwealth, any other state, or the federal government shall constitute an event of default of the Contract with the Commonwealth.
- e. The Contractor agrees to reimburse the Commonwealth for the reasonable costs of investigation incurred by the Office of State Inspector General for investigations of the Contractor's compliance with the terms of this or any other agreement between the Contractor and the Commonwealth that results in the suspension or debarment of the contractor. Such costs shall include, but shall not be limited to, salaries of investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees. The Contractor shall not be responsible for investigative costs for investigations that do not result in the Contractor's suspension or debarment.
- f. The Contractor may obtain a current list of suspended and debarred Commonwealth contractors by either searching the Internet at <http://www.dgs.state.pa.us/> or contacting the:
 - Department of General Services
 - Office of Chief Counsel
 - 603 North Office Building
 - Harrisburg, PA 17125
 - Telephone No: (717) 783-6472
 - FAX No: (717) 787-9138

32. AMERICANS WITH DISABILITIES ACT

- a. Pursuant to federal regulations promulgated under the authority of The Americans With Disabilities Act, 28 C.F.R. § 35.101 et seq., the Contractor understands and agrees that it shall not cause any individual with a disability to be excluded from participation in this Contract or from activities provided for under this Contract on the basis of the disability. As a condition of accepting this contract, the Contractor agrees to comply with the "General Prohibitions Against Discrimination," 28 C.F.R. § 35.130, and all other regulations promulgated under Title II of The Americans With Disabilities Act which are applicable to all benefits, services, programs, and activities provided by the Commonwealth of Pennsylvania through contracts with outside contractors.
- b. The Contractor shall be responsible for and agrees to indemnify and hold harmless the Commonwealth of Pennsylvania from all losses, damages, expenses, claims, demands, suits, and actions brought by any party against the Commonwealth of Pennsylvania as a result of the Contractor's failure to comply with the provisions of subparagraph a above.

33. HAZARDOUS SUBSTANCES

The Contractor shall provide information to the Commonwealth about the identity and hazards of hazardous substances supplied or used by the Contractor in the performance of the Contract. The Contractor must comply with Act 159 of October 5, 1984, known as the "Worker and Community Right to Know Act" (the "Act") and the regulations promulgated pursuant thereto at 4 Pa. Code Section 301.1 et seq.

- a. Labeling. The Contractor shall insure that each individual product (as well as the carton, container or package in which the product is shipped) of any of the following substances (as defined by the Act and the regulations) supplied by the Contractor is clearly labeled, tagged or marked with the information listed in Paragraph (1) through (4):
- 1) Hazardous substances:
 - a) The chemical name or common name,
 - b) A hazard warning, and
 - c) The name, address, and telephone number of the manufacturer.
 - 2) Hazardous mixtures:
 - a) The common name, but if none exists, then the trade name,
 - b) The chemical or common name of special hazardous substances comprising .01% or more of the mixture,
 - c) The chemical or common name of hazardous substances consisting 1.0% or more of the mixture,
 - d) A hazard warning, and
 - e) The name, address, and telephone number of the manufacturer.
 - 3) Single chemicals:
 - a) The chemical name or the common name,
 - b) A hazard warning, if appropriate, and
 - c) The name, address, and telephone number of the manufacturer.
 - 4) Chemical Mixtures:
 - a) The common name, but if none exists, then the trade name,
 - b) A hazard warning, if appropriate,
 - c) The name, address, and telephone number of the manufacturer, and
 - d) The chemical name or common name of either the top five substances by volume or those substances consisting of 5.0% or more of the mixture.

A common name or trade name may be used only if the use of the name more easily or readily identifies the true nature of the hazardous substance, hazardous mixture, single chemical, or mixture involved.

Container labels shall provide a warning as to the specific nature of the hazard arising from the substance in the container.

The hazard warning shall be given in conformity with one of the nationally recognized and accepted systems of providing warnings, and hazard warnings shall be consistent with one or more of the recognized systems throughout the workplace. Examples are:

- NFPA 704, Identification of the Fire Hazards of Materials.
- National Paint and Coatings Association: Hazardous Materials Identification System.
- American Society for Testing and Materials, Safety Alert Pictorial Chart.
- American National Standard Institute, Inc., for the Precautionary Labeling of Hazardous Industrial Chemicals.

Labels must be legible and prominently affixed to and displayed on the product and the carton, container, or package so that employees can easily identify the substance or mixture present therein.

- b. Material Safety Data Sheet. The contractor shall provide Material Safety Data Sheets (MSDS) with the information required by the Act and the regulations for each hazardous substance or hazardous mixture. The Commonwealth must be provided an appropriate MSDS with the initial shipment and with the first shipment after an MSDS is updated or product changed. For any other chemical, the contractor shall provide an appropriate MSDS, if the manufacturer, importer, or supplier produces or possesses the MSDS. The contractor shall also notify the Commonwealth when a substance or mixture is subject to the provisions of the Act. Material Safety Data Sheets may be attached to the carton, container, or package mailed to the Commonwealth at the time of shipment.

34. COVENANT AGAINST CONTINGENT FEES

The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure the Contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, except bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the Commonwealth shall have the right to terminate the Contract without liability or in its discretion to deduct from the Contract price or consideration, or otherwise recover the full amount of such commission, percentage, brokerage, or contingent fee.

35. APPLICABLE LAW

This Contract shall be governed by and interpreted and enforced in accordance with the laws of the Commonwealth of Pennsylvania (without regard to any conflict of laws provisions) and the decisions of the Pennsylvania courts. The Contractor consents to the jurisdiction of any court of the Commonwealth of Pennsylvania and any federal courts in Pennsylvania, waiving any claim or defense that such forum is not convenient or proper. The Contractor agrees that any such court shall have *in personam* jurisdiction over it, and consents to service of process in any manner authorized by Pennsylvania law.

36. INTEGRATION

This Contract, including all referenced documents, constitutes the entire agreement between the parties. No agent, representative, employee or officer of either the Commonwealth or the Contractor has authority to make, or has made, any statement, agreement or representation, oral or written, in connection with the Contract, which in any way can be deemed to modify, add to or detract from, or otherwise change or alter its terms and conditions. No negotiations between the parties, nor any custom or usage, shall be permitted to modify or contradict any of the terms and conditions of the Contract. No modifications, alterations, changes, or waiver to the Contract or any of its terms shall be valid or binding unless accomplished by a written amendment signed by both parties.

37. ORDER OF PRECEDENCE

In the event there is a conflict among the documents comprising this Contract, the Commonwealth and the Contractor agree on the following order of precedence: the Contract; the solicitation; and the Contractor's response to the solicitation.

38. CONTROLLING TERMS AND CONDITIONS

The terms and conditions of this Contract shall be the exclusive terms of agreement between the Contractor and the Commonwealth. All quotations requested and received from the Contractor are for obtaining firm pricing only. Other terms and conditions or additional terms and conditions included or referenced in the Contractor's quotations, invoices, business forms, or other documentation shall not become part of the parties' agreement and shall be disregarded by the parties, unenforceable by the Contractor and not binding on the Commonwealth.

39. CHANGES

The Commonwealth reserves the right to make changes at any time during the term of the Contract or any renewals or extensions thereof: 1) to increase or decrease the quantities resulting from variations between any estimated quantities in the Contract and actual quantities; 2) to make changes to the services within the scope of the Contract; 3) to notify the Contractor that the Commonwealth is exercising any Contract renewal or extension option; or 4) to modify the time of performance that does not alter the scope of the Contract to extend the completion date beyond the Expiration Date of the Contract or any renewals or extensions thereof. Any such change shall be made by the Contracting Officer by notifying the Contractor in writing. The change shall be effective as of the date of the change, unless the notification of change specifies a later effective date. Such increases, decreases, changes, or modifications will not invalidate the Contract, nor, if performance security is being furnished in conjunction with the Contract, release the security

obligation. The Contractor agrees to provide the service in accordance with the change order. Any dispute by the Contractor in regard to the performance required by any notification of change shall be handled through the Contract Controversies Provision.

40. NOTICE

Any written notice to any party under this Contract shall be deemed sufficient if delivered personally, or by facsimile, telecopy, electronic or digital transmission (provided such delivery is confirmed), or by a recognized overnight courier service (e.g., DHL, Federal Express, etc.) with confirmed receipt, or by certified or registered United States mail, postage prepaid, return receipt requested, and sent to following:

- a. If to the Contractor: the Contractor's address as recorded in the Commonwealth's Supplier Registration system.
- b. If to the Commonwealth: the address of the Issuing Office as set forth on the Contract.

41. RIGHT TO KNOW LAW

- a. The Pennsylvania Right-to-Know Law, 65 P.S. §§ 67.101-3104, ("RTKL") applies to this Contract. For the purpose of these provisions, the term "the Commonwealth" shall refer to the contracting Commonwealth agency.
- b. If the Commonwealth needs the Contractor's assistance in any matter arising out of the RTKL related to this Contract, it shall notify the Contractor using the legal contact information provided in this Contract. The Contractor, at any time, may designate a different contact for such purpose upon reasonable prior written notice to the Commonwealth.
- c. Upon written notification from the Commonwealth that it requires the Contractor's assistance in responding to a request under the RTKL for information related to this Contract that may be in the Contractor's possession, constituting, or alleged to constitute, a public record in accordance with the RTKL ("Requested Information"), the Contractor shall:
 - 1) Provide the Commonwealth, within ten (10) calendar days after receipt of written notification, access to, and copies of, any document or information in the Contractor's possession arising out of this Contract that the Commonwealth reasonably believes is Requested Information and may be a public record under the RTKL; and
 - 2) Provide such other assistance as the Commonwealth may reasonably request, in order to comply with the RTKL with respect to this Contract.
- d. If the Contractor considers the Requested Information to include a request for a Trade Secret or Confidential Proprietary Information, as those terms are defined by the RTKL, or other information that the Contractor considers exempt from production under the RTKL, the Contractor must notify the Commonwealth and provide, within seven (7) calendar days of receiving the written notification, a written statement signed by a representative of the

Contractor explaining why the requested material is exempt from public disclosure under the RTKL.

- e. The Commonwealth will rely upon the written statement from the Contractor in denying a RTKL request for the Requested Information unless the Commonwealth determines that the Requested Information is clearly not protected from disclosure under the RTKL. Should the Commonwealth determine that the Requested Information is clearly not exempt from disclosure, the Contractor shall provide the Requested Information within five (5) business days of receipt of written notification of the Commonwealth's determination.
- f. If the Contractor fails to provide the Requested Information within the time period required by these provisions, the Contractor shall indemnify and hold the Commonwealth harmless for any damages, penalties, costs, detriment or harm that the Commonwealth may incur as a result of the Contractor's failure, including any statutory damages assessed against the Commonwealth.
- g. The Commonwealth will reimburse the Contractor for any costs associated with complying with these provisions only to the extent allowed under the fee schedule established by the Office of Open Records or as otherwise provided by the RTKL if the fee schedule is inapplicable.
- h. The Contractor may file a legal challenge to any Commonwealth decision to release a record to the public with the Office of Open Records, or in the Pennsylvania Courts, however, the Contractor shall indemnify the Commonwealth for any legal expenses incurred by the Commonwealth as a result of such a challenge and shall hold the Commonwealth harmless for any damages, penalties, costs, detriment or harm that the Commonwealth may incur as a result of the Contractor's failure, including any statutory damages assessed against the Commonwealth, regardless of the outcome of such legal challenge. As between the parties, the Contractor agrees to waive all rights or remedies that may be available to it as a result of the Commonwealth's disclosure of Requested Information pursuant to the RTKL.
- i. The Contractor's duties relating to the RTKL are continuing duties that survive the expiration of this Contract and shall continue as long as the Contractor has Requested Information in its possession.

MSC Industrial Supply Co.
75 Maxess Road
Melville, New York 11747-3151

As MSC is not a manufacturer of the products in our Big Book Catalog, MSC does not currently maintain Recycled Content information on file per Section 15. Therefore, we would like to discuss with the Commonwealth a mutually beneficial process as well as scope for the requirements for Post-Consumer Recycled Content information for products ordered by the Commonwealth.

Additionally, MSC would like to clarify Section 33 in that MSC does label cartons to meet DOT shipping requirements, but it does not modify or alter product labels as provided by the manufacturer. We are also compliant with OSHA standards concerning MSDS information, but cannot notify the Commonwealth when a substance is subject to the Act.

**Participating Addendum to the Western States Contracting
Alliance Cooperative Contract for Facilities MRO
Acting by and through the State of Nevada Contract Number 1862
between the Commonwealth of Pennsylvania and
MSC Industrial Supply Company**

THIS PARTICIPATING ADDENDUM to the Western States Contracting Alliance (herein “WSCA”) Cooperative Contract for Facilities MRO supplies acting by and through the State of Nevada Contract Number 1862 (herein “WSCA MRO Contract”) is hereby entered into between the Commonwealth of Pennsylvania (herein “Commonwealth”), Department of General Services (herein “Department”), located at 515 North Office Building, Harrisburg, Pennsylvania 17125-0001, and MSC Industrial Supply Company (herein “MSC”), located at 75 Maxess Road, Melville, New York, 11747, to allow for the Commonwealth’s use of the WSCA MRO Contract to purchase of certain MRO supplies.

WHEREAS, in accordance with Section 301(a) of the Commonwealth Procurement Code, 62 Pa. C.S. § 301, the Department, acting as purchasing agent for executive and independent agencies for the procurement of materials and supplies needed by those agencies for the maintenance, repair and operation of agency facilities (herein “MRO supplies”); and

WHEREAS, WSCA is an alliance of fifteen western states that formed for the purpose of establishing cooperative, multistate contracts for use by its members and other non-member states that wish to participate in the contracts; and

WHEREAS, in 2010, WSCA, by and through the State of Nevada as the lead state, issued Request for Proposals No. 1862 for MRO supplies in accordance with the laws of Nevada; and

WHEREAS, as a result of the RFP, in February 2011, Nevada awarded and executed a contract with MSC for all categories of MRO supplies for all the participating states; and

WHEREAS, Section 1902 of the Commonwealth Procurement Code (62 Pa. C.S. § 1902) authorizes the Department to enter into cooperative purchasing agreements for the procurement of any supplies, services, or construction; and

WHEREAS, the Department has determined that it is in the best interest of the executive and independent agencies to have the option of purchasing certain MRO supplies that are not currently on any existing Department statewide requirements contract through the WSCA MRO Contract for purchases over the threshold for small, no bid procurements; and

WHEREAS, the Department and MSC have agreed to enter into this Participating Addendum to the WSCA MRO Contract.

NOW THEREFORE, intending to be legally bound hereby, the Department and MSC agree as follows:

1. This Participating Addendum covers the WSCA Facilities MRO Contracts lead by the State of Nevada for use by state agencies and registered members of the Department’s COSTARS Program. Use of this contract is at the option of the state agency or

COSTARS member. While the award to MSC in Master Price Agreement 1862 is for all categories, the Commonwealth is only opting to allow purchases from the categories listed below. For certain categories, purchases from the WSCA Facilities MRO Contract are limited to procurements not exceeding \$5,000. Repair services of any type are not included in this Participating Addendum. Any category included in the WSCA Facilities MRO Contract not specifically included below is not included in this Participating Addendum. The MSC website for the Commonwealth shall be limited to only those categories that are included under this Participating Addendum.

Category	Limitations
HVAC	Use of Contract limited to procurements not exceeding \$5,000
Air Filters	Use of Contract limited to procurements not exceeding \$5,000
Material Handling	None
Motors and Accessories	Use of Contract limited to procurements not exceeding \$5,000
Paint and Accessories	Use of Contract limited to procurements not exceeding \$5,000
Plumbing	Use of Contract limited to procurements not exceeding \$5,000
Pneumatic Tools	None
Power Tools	None
Hand Tools	None
Welding and Soldering	None

The Commonwealth reserves the right through mutual agreement with MSC to modify the limitations listed with the categories and/or add and delete categories included in the WSCA Facilities MRO Contract. Such a change to the Participating Addendum shall not require an amendment to the Participating Addendum but shall be accomplished through a change notice. The MSC website for the Commonwealth shall be limited to only those categories that are included under this Participating Addendum.

2. **Primary Contacts:** The primary government contact individuals for this Participating Addendum are as follows (or their named successors):

- a. **Lead State:**

Gail Burchett
 Nevada Department of Administration, Purchasing Division
 515 E. Musser Street, 3rd Floor
 Carson City, Nevada 89701
 Telephone: (775) 684-0172
 Facsimile: (775) 684-0188
 E-mail: gburchet@purchasing.state.nv.us

- b. **Contractor:**

David Ottenstein, State Government Team Manager
 MSC Industrial Supply Company
 75 Maxess Road
 Melville, New York 11747
 Telephone: (904) 519-6002
 Facsimile: (904) 519-6003
 E-mail: ottenstd@mscdirect.com

c. Commonwealth of Pennsylvania:

Lilly Mangan, Commodity Specialist
Bureau of Procurement
Department of General Services
555 Walnut Street, 6th Floor
Harrisburg, Pennsylvania 17101-1914
Telephone: (717) 346-3846
Facsimile: (717) 346-3820
E-mail: lmangan@pa.gov

3. MSC will provide the Commonwealth of Pennsylvania an administrative fee of 2% of its gross sales, less any credits, freight, and tax charged to state agencies and COSTARS members. The administrative fee will be remitted to the Commonwealth on a quarterly basis.
4. The Department will establish a statewide requirements contract for this Participating Addendum to facilitate ordering from state agencies and COSTARS members. Invoices submitted for payment must include the number of the Purchase Order (if one is issued) and the WSCA Facilities MRO Lead State price agreement number which is 1862. State agencies and COSTARS members are not required to purchase from this contract.
5. This Participating Addendum is comprised of the following documents, which are listed in order of precedence in the event of a conflict between these documents:
 - a. This Participating Addendum.
 - b. *Standard Contract Terms and Conditions* which is attached hereto as Exhibit A and made a part hereof.
 - c. WSCA Facilities MRO Contract, Lead State Contract No. 1862 and any amendments thereto.
6. The term of the Participating Addendum shall be from the Effective Date, as set forth in Paragraph 1 (Term of Contract) of the *Standard Contract Terms and Conditions* contained in Exhibit A, and shall terminate on February 28, 2014. There is one 3-year option to renew available. If WSCA exercises this renewal, this Participating shall be renewed without further action by either the Commonwealth or MSC unless either party determines that it does not desire the renewal. If that is the case, written notice shall be sent to other party no less than 60 days prior to the effective date of the renewal period.
7. While it is anticipated that most state agencies shall utilize the Commonwealth Purchasing Card when ordering from MSC under this Participating Addendum, in some instances a Purchase Order may be issued. A Purchase Order issued against this Participating Addendum constitutes MSC's authority to make delivery. All Purchase Orders received by MSC up to and including the expiration date of the Participating Addendum are acceptable and must be performed in accordance with the Participating Addendum. Each Purchase Order will be deemed to incorporate the terms and conditions set forth in the Participating Addendum.

- a. Purchase Orders will not contain “ink” signatures by the ordering agency. The electronically-printed name of the purchaser represents the signature of that individual who has the authority, on behalf of the Commonwealth, to authorize MSC to proceed.
 - b. Purchase Orders may be issued electronically or through facsimile equipment. The electronic transmission of such a purchase order shall require acknowledgement of receipt by MSC. Receipt of the electronic or facsimile transmission of the Purchase Order shall constitute receipt of an order. Orders received by MSC after 4:00 pm will be considered received the following business day.
8. This Participating Addendum shall not be a legally binding contract until the fully executed Contract No. 4400010895 has been sent to MSC. No Commonwealth employee has the authority to verbally direct the commencement of any work or delivery of any supply under this Participating Addendum prior to the Effective Date. MSC hereby waives any claim or cause of action for any service or work performed prior to the Effective Date.
 - a. This Participating Addendum and any Purchase Orders issued against it will not include “ink” signatures by the Commonwealth. The electronically printed name of the Purchasing Agent represents the signature of that individual who has the authority, on behalf of the Commonwealth, to bind the Commonwealth to the terms of the Participating Addendum. If the contract output form does not have “Fully Executed” at the top of the first page and does not have the name of the Purchasing Agency in the appropriate box, the Participating Addendum has not been fully executed.
 - b. The fully-executed Participating Addendum may be sent to MSC electronically or through facsimile equipment. Receipt of the electronic or facsimile transmission of the Participating Addendum shall constitute receipt of the fully-executed Participating Addendum.
 - c. The Commonwealth and MSC specifically agree as follows:
 - i. No handwritten signature shall be required in order for the Participating Addendum to be legally enforceable.
 - ii. The parties agree that no writing shall be required in order to make the Participating Addendum legally binding, notwithstanding contrary requirements of any law. The parties hereby agree not to contest the validity or enforceability of a genuine contract or acknowledgment issued electronically under the provisions of a statute of frauds or any other applicable law relating to whether certain agreements be in writing and signed by the party bound thereby. Any genuine contract or acknowledgment issued electronically, if introduced as evidence on paper in any judicial, arbitration, mediation, or administrative proceedings, will be admissible as between the parties to the same extent and under the same conditions as other business records originated and maintained in documentary form. Neither party shall contest the admissibility of copies of a genuine contract or acknowledgments under

either the business records exception to the hearsay rule or the best evidence rule on the basis that the contract or acknowledgment were not in writing or signed by the parties. A contract or acknowledgement shall be deemed to be genuine for all purposes if it is transmitted to the location designated for such documents.

- iii. Each party will immediately take steps to verify any document that appears to be obviously garbled in transmission or improperly formatted to include re-transmission of any such document.

IN WITNESS WHEREOF, the Commonwealth and MSC have signed this Participating Addendum.

STATEWIDE MASTER SERVICE AGREEMENT FOR SERVICES OF INDEPENDENT CONTRACTOR

**A Contract between the Western States Contracting Alliance
Acting by and through the State of Nevada
Department of Administration, Purchasing Division
515 E Musser Street, Room 300
Carson City Nevada 89701
Contact: Gail Burchett, Purchasing Officer
Telephone: (775) 684- 0172 ● Facsimile: (775) 684-0188
And
MSC Industrial Supply Company
75 Maxess Road
Melville, New York 11747
Contact: David Ottenstein, State Government Team Manager
Telephone: (904) 519-6002 ● Facsimile: (904) 519-9003**

Pursuant to Nevada Revised Statute (NRS) 277.100, NRS 277.110, NRS 333.162(1) (d), and NRS 333.480 the Chief of the Purchasing Division of Nevada is authorized to enter into cooperative group-contracting consortium.

The Western States Contracting Alliance is a cooperative group-contracting consortium for state government departments, institutions, agencies and political subdivisions (i.e., colleges, school districts, counties, cities, etc.,) for the states of Alaska, Arizona, California, Colorado, Hawai'i, Idaho, Minnesota, Montana, Nevada, New Mexico, Oregon, South Dakota, Utah, Washington and Wyoming.

In consideration of the above premises, the parties mutually agree as follows:

1. REQUIRED APPROVAL. This contract shall not become effective until and unless approved by the Western States Contracting Alliance Board of Directors.
2. DEFINITIONS. "WSCA" means the Western States Contracting Alliance. "State" and/or "Lead State" means the State of Nevada and its state agencies, officers, employees and immune contractors as defined in NRS 41.0307. "Participating State(s)" means state(s) that have signed (and not revoked) an Intent to Contract at the time of the award of this contract, or who have executed a Participating Addendum. "Buyer" means any WSCA agency or political subdivision participating under this contract. "Contractor" and/or "Contracting Agency" means a person or entity that performs services and/or provides goods for WSCA under the terms and conditions set forth in this contract. "Solicitation" means RFP # 1862 incorporated herein as Attachment BB. "Fiscal Year" is defined as the period beginning July 1 and ending June 30 of the following year.
3. CONTRACT TERM. This contract shall be effective from March 1, 2011 subject to WSCA Board of Directors' approval to February 28, 2014, unless sooner terminated by either party as specified in paragraph (21).

Effective 04/07

4. CANCELLATION OF CONTRACT; NOTICE. Unless otherwise stated in the special terms and conditions, any contract entered into as a result of the Solicitation may be canceled by either party upon written notice sixty (60) days prior to the effective date of the cancellation. Further, any Participating State may cancel its participation upon thirty (30) days written notice, unless otherwise limited or stated in the special terms and conditions of the Solicitation. Cancellation may be in whole or in part. Any cancellation under this provision shall not effect the rights and obligations attending orders outstanding at the time of cancellation, including any right of any Participating State to indemnification by the Contractor, rights of payment for goods/services delivered and accepted, and rights attending any warranty or default in performance in association with any order. Cancellation of the contract due to Contractor default may be immediate.

5. INCORPORATED DOCUMENTS. The parties agree that the scope of work shall be specifically described; this contract incorporates the following attachments in descending order of constructive precedence:

ATTACHMENT AA: STATE OF NEVADA SOLICITATION # 1862 and all AMENDMENTS.

ATTACHMENT BB: CONTRACTOR'S ORIGINAL RESPONSE

A Contractor's attachment shall not contradict or supersede any WSCA specifications, terms or conditions without written evidence of mutual assent to such change appearing in this contract.

7. ASSENT. The parties agree that the terms and conditions listed on incorporated attachments of this contract are also specifically a part of this contract and are limited only by their respective order of precedence and any limitations specified.

8. BID SPECIFICATIONS. Contractor certifies that any deviation from the specifications in the scope of work, incorporated herein as part of Attachment BB, have been clearly indicated by Contractor in its response, incorporated herein as Attachment CC; otherwise, it will be considered that the bid is in strict compliance. Any BRAND NAMES or manufacturers' numbers are stated in the specifications are intended to establish a standard only and are not restrictive unless the Solicitation states "no substitute," and unless so stated, bids have been considered on other makes, models or brands having comparable quality, style, workmanship and performance characteristics. Alternate bids offering lower quality or inferior performance have not been considered.

9. ACCEPTANCE OR REJECTION OF BIDS, AND AWARD. WSCA has the right to accept or reject any or all bids or parts of bids, and to waive informalities therein. This contract is based the lowest responsive and responsible bid and meets the specifications of the Solicitation and terms and conditions thereof. Unless stated otherwise in the Solicitation, WSCA has the right to award items separately or by grouping items in a total lot.

10. BID SAMPLES. Any required samples have been specifically requested in the Solicitation. Samples, when required, have been furnished free of charge. Except for those samples destroyed or mutilated in testing, samples will be returned at a bidder's request, transportation collect.

11. CONSIDERATION. The parties agree that Contractor will provide the services specified in paragraph (5) at a cost as listed in the Pricing Section of Contractors Proposal known as Attachment CC Unless otherwise stated in the special terms and conditions, for the purpose of award, offers made in accordance

with the Solicitation must be good and firm for a period of ninety (90) days from the date of bid opening.

Contracted prices represent ceiling prices for the supplies and services offered. The Contractor shall report to the Lead State any price reduction or discount, or other more favorable terms offered to any Purchasing Entity and the Contractor agrees to negotiate in good faith to re-establish ceiling prices or other more favorable terms and conditions applicable to future orders. Bid prices must remain firm for the full term of the contract. In the case of error in the extension of prices in the bid, the unit prices will govern. WSCA does not guarantee to purchase any amount under this contract. Estimated quantities in the Solicitation are for bidding purposes only and are not to be construed as a guarantee to purchase any amount. Unless otherwise stated in the special terms and conditions offers made in accordance with the Solicitation must be good and firm for a period of ninety (90) days from the date of bid opening. Bid prices must remain firm for the full term of the contract. In the case of error in the extension of prices in the bid, the unit prices will govern. If Contractor has quoted a cash discount based upon early payment; discounts offered for less than thirty (30) days have not been considered in making the award. The date from which discount time is calculated shall be the date a correct invoice is received or receipt of shipment, whichever is later; except that if testing is performed, the date shall be the date of acceptance of the merchandise. WSCA is not liable for any costs incurred by the bidder in proposal preparation.

12. PAYMENT. Payment for completion of a contract is normally made within thirty (30) days following the date the entire order is delivered or the date a correct invoice is received, whichever is later. After forty-five (45) days the Contractor may assess overdue account charges up to a maximum rate of one (1) percent per month on the outstanding balance. Payments will be remitted by mail. Payments may be made via a Participating State's "Purchasing Card."

13. TAXES. Prices shall be exclusive of state sales and federal excise taxes. Where a Participating State is not exempt from sales taxes on sales within its state, the Contractor shall add the sales taxes on the billing invoice as a separate entry. Contractor will be responsible to pay all taxes, assessments, fees, premiums, permits, and licenses required by law. The Lead State's real property and personal property taxes are the responsibility of Contractor in accordance with NRS 361.157 and NRS 361.159. Contractor agrees to be responsible for payment of any such government obligations not paid by its subcontractors during performance of this contract. Nevada may set-off against consideration due any delinquent government obligation in accordance with NRS 353C.190.

14. FINANCIAL OBLIGATIONS OF PARTICIPATING STATES. Financial obligations of Participating States are limited to the orders placed by the departments or other state agencies and institutions having available funds. Participating States incur no financial obligations on behalf of political subdivisions. Unless otherwise specified in the Solicitation, the resulting award(s) will be permissive.

15. ORDER NUMBERS. Contract order and purchase order numbers shall be clearly shown on all acknowledgments, shipping labels, packing slips, invoices, and on all correspondence.

16. REPORTS. The Contractor shall submit quarterly reports to the WSCA Contract Administrator showing the quantities and dollar volume of purchases by each Participating State.

17. DELIVERY. The prices bid shall be the delivered price to any WSCA state agency or political subdivision. All deliveries shall be F.O.B. destination with all transportation and handling charges paid by the Contractor. Responsibility and liability for loss or damage shall remain with the Contractor until final inspection and acceptance, when responsibility shall pass to the Buyer except as to latent defects, fraud and Contractor's warranty obligations. The minimum shipment amount will be found in the

special terms and conditions. Any order for less than the specified amount is to be shipped with the freight prepaid and added as a separate item on the invoice. Any portion of an order to be shipped without transportation charges that is back-ordered shall be shipped without charge.

18. HAZARDOUS CHEMICAL INFORMATION. The Contractor will provide one set of the appropriate material safety data sheet(s) and container label(s) upon delivery of a hazardous material to any Buyer. All safety data sheets and labels will be in accordance with each Participating State's requirements.

19. INSPECTIONS. Goods furnished under this contract shall be subject to inspection and test by the Buyer at times and places determined by the Buyer. If the Buyer finds goods furnished to be incomplete or in non-compliance with bid specifications, the Buyer may reject the goods and require Contractor to either correct them without charge or deliver them at a reduced price which is equitable under the circumstances. If Contractor is unable or refuses to correct such goods within a time deemed reasonable by the Buyer, the Buyer may cancel the order in whole or in part. Nothing in this paragraph shall adversely affect the Buyer's rights including the rights and remedies associated with revocation of acceptance under the Uniform Commercial Code.

20. INSPECTION & AUDIT.

a. Books and Records. The Contractor will maintain, or supervise the maintenance of all records necessary to properly account for the payments made to the Contractor for costs authorized by this contract. Contractor agrees to keep and maintain under generally accepted accounting principles (GAAP) full, true and complete records, contracts, books, and documents as are necessary to fully disclose to WSCA, the State or United States Government, or their authorized representatives, upon audits or reviews, sufficient information to determine compliance with all state and federal regulations and statutes.

b. Inspection & Audit. Contractor agrees that the relevant books, records (written, electronic, computer related or otherwise), including, without limitation, relevant accounting procedures and practices of Contractor or its subcontractors, financial statements and supporting documentation, and documentation related to the work product shall be subject, at any reasonable time, to inspection, examination, review, audit, and copying at any office or location of Contractor where such records may be found, with or without notice by WSCA; the United States Government; the State Auditor or its contracted examiners, the Department of Administration, Budget Division, the Nevada State Attorney General's Office or its Fraud Control Units, the State Legislative Auditor, and with regard to any federal funding, the relevant federal agency, the Comptroller General, the General Accounting Office, the Office of the Inspector General, or any of their authorized representatives. All subcontracts shall reflect requirements of this paragraph.

c. Period of Retention. All books, records, reports, and statements relevant to this contract must be retained a minimum four (4) years after the contract terminates or until all audits initiated within the four (4) years have been completed, whichever is later, and for five (5) years if any federal funds are used in the contract. The retention period runs from the date of payment for the relevant goods or services by the State, or from the date of termination of the Contract, whichever is later. Retention time shall be extended when an audit is scheduled or in progress for a period reasonably necessary to complete an audit and/or to complete any administrative and judicial litigation which may ensue.

21. CONTRACT TERMINATION. Any of the following events shall constitute cause for WSCA to declare Contractor in default of the contract: (1) nonperformance of contractual requirements; and/or (2) a material breach of any term or condition of this contract. WSCA shall issue a written notice of default providing a period in which Contractor shall have an opportunity to cure. Time allowed for cure shall not diminish or eliminate Contractor's liability for liquidated or other damages. If the default remains, after Contractor has been provided the opportunity to cure, WSCA may do one or more of the following: (1) exercise any remedy provided by law; (2) terminate this contract and any related contracts or portions thereof; (3) impose liquidated damages; and/or (4) suspend Contractor from receiving future bid solicitations.

Winding Up Affairs upon Termination. In the event of termination of this contract for any reason, the parties agree that the provisions of this paragraph survive termination:

- i. The parties shall account for and properly present to each other all claims for fees and expenses and pay those which are undisputed and otherwise not subject to set off under this contract. Neither party may withhold performance of winding up provisions solely based on nonpayment of fees or expenses accrued up to the time of termination;
- ii. Contractor shall satisfactorily complete work in progress at the agreed rate (or a pro rata basis if necessary) if so requested by WSCA;
- iii. Contractor shall execute any documents and take any actions necessary to effectuate an assignment of this contract if so requested by WSCA;
- iv. Contractor shall preserve, protect and promptly deliver into WSCA's possession all proprietary information in accordance with paragraph (31).

22. REMEDIES. Except as otherwise provided for by law or this contract, the rights and remedies of the parties shall not be exclusive and are in addition to any other rights and remedies provided by law or equity, including, without limitation, actual damages, and to a prevailing party reasonable attorneys' fees and costs. It is specifically agreed that reasonable attorneys' fees shall include without limitation \$125 per hour for attorneys employed by the Lead State. Nevada may set off consideration against any unpaid obligation of Contractor to any State agency in accordance with NRS 353C.190.

23. LIMITED LIABILITY. Nevada will not waive and intends to assert available NRS chapter 41 liability limitations in all cases. Contract liability of both parties shall not be subject to punitive damages. Liquidated damages shall not apply unless otherwise specified in the incorporated attachments. Damages for any breach by the Lead State shall never exceed the amount of funds appropriated for payment under this contract, but not yet paid to Contractor, for the fiscal year budget in existence at the time of the breach. Damages for any Contractor breach shall not exceed 150% of the contract maximum "not to exceed" value. Contractor's tort liability shall not be limited.

24. FORCE MAJEURE. Neither party to this contract shall be deemed to be in violation of this contract if it is prevented from performing any of its obligations hereunder due to strikes, failure of public transportation, civil or military authority, act of public enemy, accidents, fires, explosions, or acts of God, including, without limitation, earthquakes, floods, winds, or storms. In such an event the intervening cause must not be through the fault of the party asserting such an excuse, and the excused party is obligated to promptly perform in accordance with the terms of the contract after the intervening cause ceases. WSCA may terminate this contract after determining such delay or default will reasonably prevent successful performance of the contract.

25. INDEMNIFICATION. To the fullest extent permitted by law, Contractor shall indemnify, hold harmless and defend, not excluding the State's right to participate, Nevada from and against all liability, claims, actions, damages, losses, and expenses, including, without limitation, reasonable attorneys' fees and costs, arising out of any alleged negligent or willful acts or omissions of Contractor, its officers, employees and agents. The Contractor shall release, protect, indemnify and hold WSCA and the respective states and their officers, agencies, employees, harmless from and against any damage, cost or liability, including reasonable attorney's fees for any or all injuries to persons, property or claims for money damages arising from acts or omissions of the contractor, his employees or subcontractors or volunteers.

26. INSURANCE SCHEDULE. Unless expressly waived in writing by the Lead State or Participating States, Contractor, as an independent contractor and not an employee of the Lead State or Participating States, must carry policies of insurance in amounts specified in this Insurance Schedule and/or any Insurance Schedule agreed by Contractor and a Participating State via a participating addendum, and pay all taxes and fees incident hereunto. The Lead State and Participating States shall have no liability except as specifically provided in the contract. The Contractor shall not commence work before:

- 1) Contractor has provided the required evidence of insurance to the Lead State.

The Lead State's approval of any changes to insurance coverage during the course of performance shall constitute an ongoing condition subsequent this contract. Any failure of the Lead State to timely approve shall not constitute a waiver of the condition.

Insurance Coverage: The Contractor shall, at the Contractor's sole expense, procure, maintain and keep in force for the duration of the contract the following insurance conforming to the minimum requirements specified below. Unless specifically stated herein or otherwise agreed to by the Lead State, the required insurance shall be in effect prior to the commencement of work by the Contractor and shall continue in force as appropriate until the latter of:

1. Final acceptance by the Lead State of the completion of this contract; or
2. Such time as the insurance is no longer required by the Lead State under the terms of this contract.

Any insurance or self-insurance available to the State shall be excess of and non-contributing with any insurance required from Contractor. Contractor's insurance policies shall apply on a primary basis. Until such time as the insurance is no longer required by the Lead State, Contractor shall provide the Lead State with renewal or replacement evidence of insurance no less than thirty (30) days before the expiration or replacement of the required insurance. If at any time during the period when insurance is required by the contract, an insurer or surety shall fail to comply with the requirements of this contract, as soon as Contractor has knowledge of any such failure, Contractor shall immediately notify the State and immediately replace such insurance or bond with an insurer meeting the requirements.

Workers' Compensation and Employer's Liability Insurance

- 1) Contractor shall provide proof of worker's compensation insurance.
- 2) Employer's Liability insurance with a minimum limits of \$500,000 each employee per accident for bodily injury by accident or disease.

Commercial General Liability Insurance

- 1) Minimum Limits required:
\$2,000,000.00 General Aggregate
\$1,000,000.00 Products & Completed Operations Aggregate

\$0.00 Personal and Advertising Injury

\$1,000,000.00 Each Occurrence

- 2) Coverage shall be on an occurrence basis and shall be at least as broad as ISO 1996 form CG 00 01 (or a substitute form providing equivalent coverage); and shall cover liability arising from premises, operations, independent contractors, completed operations, personal injury, products, civil lawsuits, Title VII actions and liability assumed under an insured contract (including the tort liability of another assumed in a business contract).

Business Automobile Liability Insurance

- 1) Minimum Limit required: \$500,000.00 Each Occurrence for bodily injury and property damage.
- 2) Coverage shall be for "any auto" (including owned, non-owned and hired vehicles).
The policy shall be written on ISO form CA 00 01 or a substitute providing equivalent liability coverage. If necessary, the policy shall be endorsed to provide contractual liability coverage.

Professional Liability Insurance – This section shall be addressed in each State's Participating Addendum.

- 1) Minimum Limit required: \$_____ Each Claim
- 2) Retroactive date: Prior to commencement of the performance of the contract
- 3) Discovery period: Three (3) years after termination date of contract.
- 4) A certified copy of this policy may be required.

Umbrella or Excess Liability Insurance

- 1) May be used to achieve the above minimum liability limits.
- 2) Shall be endorsed to state it is "As Broad as Primary Policy"

General Requirements:

- b. Waiver of Subrogation: Each liability insurance policy shall provide for a waiver of subrogation as to additional insureds.
- c. Cross-Liability: All required liability policies shall provide cross-liability coverage as would be achieved under the standard ISO separation of insureds clause.
- d. Deductibles and Self-Insured Retentions: Insurance maintained by Contractor shall apply on a first dollar basis without application of a deductible or self-insured retention unless otherwise specifically agreed to by the Lead State or Participating States. Such approval shall not relieve Contractor from the obligation to pay any deductible or self-insured retention. Any deductible or self-insured retention shall not exceed five thousand dollars (\$5,000.00) per occurrence, unless otherwise approved.
- e. Policy Cancellation: Except for ten (10) days notice for non-payment of premium, each insurance policy shall be endorsed to state that; without thirty (30) days prior written notice to the Lead State, the policy shall not be canceled, non-renewed or coverage and /or limits reduced or materially altered, and shall provide that notices required by this paragraph shall be sent by certified mailed to the address identified on page 1 of the contract.
- f. Approved Insurer: Each insurance policy shall be:
 - 1) Issued by insurance companies authorized to do business in the Lead State and Participating States or eligible surplus lines insurers acceptable to the Lead State and Participating States and having agents upon whom service of process may be made, and

2) Currently rated by A.M. Best as "A- VII" or better.

Evidence of Insurance:

Prior to the start of any Work, Contractor must provide the following documents to the Lead State:

- 1) Certificate of Insurance: The Acord 25 Certificate of Insurance form or a form substantially similar must be submitted to the State to evidence the insurance policies and coverages required of Contractor.
- 2) Schedule of Underlying Insurance Policies: If Umbrella or Excess policy is evidenced to comply with minimum limits, a copy of the Underlyer Schedule from the Umbrella or Excess insurance policy may be required.

Review and Approval: Documents specified above must be submitted for review and approval by the Lead State prior to the commencement of work by Contractor. Neither approval by the Lead State nor failure to disapprove the insurance furnished by Contractor shall relieve Contractor of Contractor's full responsibility to provide the insurance required by this contract. Compliance with the insurance requirements of this contract shall not limit the liability of Contractor or its sub-contractors, employees or agents to the Lead State or others, and shall be in addition to and not in lieu of any other remedy available to the Lead State or Participating States under this contract or otherwise. The Lead State reserves the right to request and review a copy of any required insurance policy or endorsement to assure compliance with these requirements.

Mail all required insurance documents to the Lead State identified on page one of the contract.

27. COMPLIANCE WITH LEGAL OBLIGATIONS. Any and all supplies, services and equipment bid and furnished shall comply fully with all applicable Federal and State laws and regulations. Contractor shall procure and maintain for the duration of this contract any state, county, city or federal license, authorization, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by Contractor to provide the goods or services required by this contract. The Lead State may set-off against consideration due any delinquent government obligation in accordance with NRS 353C.190.

28. WAIVER OF BREACH. Failure to declare a breach or the actual waiver of any particular breach of the contract or its material or nonmaterial terms by either party shall not operate as a waiver by such party of any of its rights or remedies as to any other breach.

29. SEVERABILITY. If any provision of this contract is declared by a court to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected; and the rights and obligations of the parties shall be construed and enforced as if the contract did not contain the particular provision held to be invalid.

30. ASSIGNMENT/DELEGATION. To the extent that any assignment of any right under this contract changes the duty of either party, increases the burden or risk involved, impairs the chances of obtaining the performance of this contract, attempts to operate as a novation, or includes a waiver or abrogation of any defense to payment by State, such offending portion of the assignment shall be void, and shall be a breach of this contract. Contractor shall not assign, sell, transfer, subcontract or sublet rights, or delegate responsibilities under this contract, in whole or in part, without the prior written approval of the WSCA Contract Administrator.

31. OWNERSHIP OF PROPRIETARY INFORMATION. Any reports, histories, studies, tests, manuals, instructions, photographs, negatives, blue prints, plans, maps, data, system designs, computer code (which is intended to be consideration under the contract), or any other documents or drawings, prepared or in the course of preparation by Contractor (or its subcontractors) in performance of its obligations under this contract shall be the exclusive property of WSCA and all such materials shall be delivered into WSCA possession by Contractor upon completion, termination, or cancellation of this contract. Contractor shall not use, willingly allow, or cause to have such materials used for any purpose other than performance of Contractor's obligations under this contract without the prior written consent of WSCA. Notwithstanding the foregoing, WSCA shall have no proprietary interest in any materials licensed for use that are subject to patent, trademark or copyright protection.

32. PATENTS, COPYRIGHTS, ETC. The Contractor shall release, indemnify and hold WSCA, the State, and Participating States and their officers, agents and employees harmless from liability of any kind or nature, including the Contractor's use of any copyrighted or un-copyrighted composition, secret process, patented or unpatented invention, article or appliance furnished or used in the performance of this contract.

33. PUBLIC RECORDS. Pursuant to NRS 239.010, information or documents received from Contractor may be open to public inspection and copying. The State will have the duty to disclose unless a particular record is made confidential by law or a common law balancing of interests. Contractor may label specific parts of an individual document as a "trade secret" or "confidential" in accordance with NRS 333.333, provided that Contractor thereby agrees to indemnify and defend the State for honoring such a designation.

The failure to so label any document that is released by the State shall constitute a complete waiver of any and all claims for damages caused by any release of the records.

34. CONFIDENTIALITY. Contractor shall keep confidential all information, in whatever form, produced, prepared, observed or received by Contractor to the extent that such information is confidential by law or otherwise required by this contract.

35. NONDISCRIMINATION. Contractor agrees to abide by the provisions of Title VI and Title VII of the Civil Rights Act of 1964 (42 USC 2000e), which prohibit discrimination against any employee or applicant for employment, or any applicant or recipient of services, on the basis of race, religion, color, or national origin; and further agrees to abide by Executive Order No. 11246, as amended, which prohibits discrimination on basis of sex; 45 CFR 90 which prohibits discrimination on the basis of age, and Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act of 1990 which prohibits discrimination on the basis of disabilities. Contractor further agrees to furnish information and reports to requesting Participating Entities, upon request, for the purpose of determining compliance with these statutes. Contractor agrees to comply with each individual Participating State's certification requirements, if any, as stated in the special terms and conditions. This contract may be canceled if the Contractor fails to comply with the provisions of these laws and regulations. Contractor must include this provision in very subcontract relating to purchases by the States to insure that subcontractors and vendors are bound by this provision.

36. FEDERAL FUNDING. In the event federal funds are used for payment of all or part of this contract:

a. Contractor certifies, by signing this contract, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency. This certification is made pursuant to the regulations implementing Executive Order 12549, Debarment and Suspension, 28 C.F.R. pt. 67, § 67.510, as published as pt. VII of the May 26, 1988, Federal Register (pp. 19160-19211), and any relevant program-specific regulations. This provision shall be required of every subcontractor receiving any payment in whole or in part from federal funds.

b. Contractor and its subcontractors shall comply with all terms, conditions, and requirements of the Americans with Disabilities Act of 1990 (P.L. 101-136), 42 U.S.C. 12101, as amended, and regulations adopted thereunder contained in 28 C.F.R. 26.101-36.999, inclusive, and any relevant program-specific regulations.

c. Contractor and its subcontractors shall comply with the requirements of the Civil Rights Act of 1964, as amended, the Rehabilitation Act of 1973, P.L. 93-112, as amended, and any relevant program-specific regulations, and shall not discriminate against any employee or offeror for employment because of race, national origin, creed, color, sex, religion, age, disability or handicap condition (including AIDS and AIDS-related conditions.)

37. LOBBYING. The parties agree, whether expressly prohibited by federal law, or otherwise, that no funding associated with this contract will be used for any purpose associated with or related to lobbying or influencing or attempting to lobby or influence for any purpose the following:

a. Any federal, state, county or local agency, legislature, commission, counsel or board;

b. Any federal, state, county or local legislator, commission member, counsel member, board member, or other elected official; or

c. Any officer or employee of any federal, state, county or local agency; legislature, commission, counsel or board.

38. NON-COLLUSION. Contractor certifies that this contract and the underlying bid, have been arrived at independently and have been without collusion with, and without any agreement, understanding or planned common course of action with, any other vendor of materials, supplies, equipment or services described in the invitation to bid, designed to limit independent bidding or competition.

39. WARRANTIES.

a. Uniform Commercial Code. The Contractor acknowledges that the Uniform Commercial Code applies to this contract. In general, the contractor warrants that: (a) the product will do what the salesperson said it would do, (b) the product will live up to all specific claims that the manufacturer makes in their advertisements, (c) the product will be suitable for the ordinary purposes for which such product is used, (d) the product will be suitable for any special purposes that the Buyer has relied on the Contractor's skill or judgment to consider.

b. General Warranty. Contractor warrants that all services, deliverables, and/or work product under this contract shall be completed in a workmanlike manner consistent with standards in the trade, profession, or industry; shall conform to or exceed the specifications set forth in the incorporated attachments; and shall be fit for ordinary use, of good quality, with no material defects.

c. System Compliance. Contractor warrants that any information system application(s) shall not experience abnormally ending and/or invalid and/or incorrect results from the application(s) in the operating and testing of the business of the State. This warranty includes, without limitation, century

recognition, calculations that accommodate same century and multicentury formulas and data values and date data interface values that reflect the century.

40. CONFLICT OF INTEREST. Contractor certifies that it has not offered or given any gift or compensation prohibited by the state laws of any WSCA participants to any officer or employee of WSCA or participating states to secure favorable treatment with respect to being awarded this contract.
41. INDEPENDENT CONTRACTOR. Contractor shall be an independent contractor, and as such shall have no authorization, express or implied to bind WSCA or the respective states to any agreements, settlements, liability or understanding whatsoever, and agrees not to perform any acts as agent for WSCA or the states, except as expressly set forth herein.
42. POLITICAL SUBDIVISION PARTICIPATION. Participation under this contract by political subdivisions (i.e., colleges, school districts, counties, cities, etc.,) of the WSCA Participating States shall be voluntarily determined by the political subdivision. The Contractor agrees to supply the political subdivisions based upon the same terms, conditions and prices.
43. PROPER AUTHORITY. The parties hereto represent and warrant that the person executing this contract on behalf of each party has full power and authority to enter into this contract. Contractor acknowledges that as required by statute or regulation this contract is effective only after approval by the WSCA Board of Directors and only for the period of time specified in the contract. Any services performed by Contractor before this contract is effective or after it ceases to be effective are performed at the sole risk of Contractor. The Contractor certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction (contract) by any governmental department or agency.
44. GOVERNING LAW; JURISDICTION. This contract and the rights and obligations of the parties hereto shall be governed and construed in accordance with the laws of the state of Nevada, without giving effect to any principle of conflict-of-law that would require the application of the law of any other jurisdiction. The parties consent to the exclusive jurisdiction of the First Judicial District Court, Carson City, Nevada for enforcement of this contract. The construction and effect of any Participating Addendum or order against the contract(s) shall be governed by and construed in accordance with the laws of the Participating State. Venue for any claim, dispute or action concerning an order placed against the contract(s) or the effect of a Participating Addendum or shall be in the Purchasing State.
45. SIGNATURES IN COUNTERPART. Contract may be signed in any number of counterparts, each of which shall be an original, but all of which together shall constitute one in the same instrument.
46. ENTIRE CONTRACT AND MODIFICATION. This contract and its integrated attachment(s) constitute the entire agreement of the parties and such are intended as a complete and exclusive statement of the promises, representations, negotiations, discussions, and other agreements that may have been made in connection with the subject matter hereof. Unless an integrated attachment to this contract specifically displays a mutual intent to amend a particular part of this contract, general conflicts in language between any such attachment and this contract shall be construed consistent with the terms of this contract. The terms of this contract shall not be waived, altered, modified, supplemented or amended in any manner whatsoever without prior written approval of the WSCA Contract Administrator.

IN WITNESS WHEREOF, the parties hereto have caused this contract to be signed and intend to be legally bound thereby.

HVAC Market Basket

You must complete the gray shaded cells for your proposal to be considered for this category.

- Columns A - G: These columns describe each of the line items covered in this market basket.
- Column H-I: This Column provides the number of units that were purchased last year through the WSCA contract. This number is provided as a reference only and is not to be construed as a guarantee for future purchases.
- Columns J - M: In these Columns you must identify the item you are bidding. If you propose an alternate item it must be of equal or better quality than the item identified in Columns A - D.
- Column N-: In this Column you must insert the Catalog List Price for the item you are proposing. The Catalog List Price must not exceed 2 digits to the right of the decimal point (e.g. \$16.25 is acceptable while \$16.259 is not).
- Column O: In this Column you must insert the Proposed Discount from your published catalog that you are offering WSCA for this item. The Proposed Discount percentage must be the same for this item regardless of packaging size. The Proposed Discount percentage must not exceed 4 digits to the right of the decimal point (e.g. 10.3729% is acceptable while 10.37292% is not).
- Column P: In this Column you must insert the actual price for the product. (Column O is the discount percentage off list. This column is the actual price.
- Column Q: In this Column you must insert the Unit of Measure to verify that the packaging is equivalent to the item description in column B (e.g. each (ea.); package (pkg.); box; case, etc.).
- Column R: In this Column you must insert the quantity that is contained in each Unit of Measure to verify that the packaging is equivalent to the item description in column B.
- Be sure to include your company name below.

* For non-catalog items MSC has used the contract price as the catalog list price due to the fact that MSC doesn't have catalog list price for these items.

** The market basket is quoted based on the UOM (unit of measure) found within the product description, however such UOM might not reflect MSC's current UOM.

Air Filters Market Basket

You must complete the gray shaded cells for your proposal to be considered for this category.

- 1 Columns A - E: These columns describe each of the line items covered in this market basket.
- 2 Column F: This Column provides the number of units that were purchased last year through the WSCA contract. This number is provided as a reference only and is not to be construed as a
- 3 Columns G - J: In these Columns you must identify the item you are bidding. If you propose an alternate item it must be of equal or better quality than the item identified in Columns A - D.
- 4 Column K: In this Column you must insert the Catalog List Price for the item you are proposing. The Catalog List Price must not exceed 2 digits to the right of the decimal point (e.g. \$16.25 is
- 5 Column L: In this Column you must insert the Proposed Discount from your published catalog that you are offering WSCA for this item. The Proposed Discount percentage must be the same for this item regardless of packaging size. The Proposed Discount percentage must not exceed 4 digits to the right of the decimal point (e.g. 10.3729% is acceptable while 10.37292% is not).
- 6 Column N: In this Column you must insert the Unit of Measure to verify that the packaging is equivalent to the item description in column B (e.g. each (ea.); package (pkg.); box; case, etc.).
- 7 Column O: In this Column you must insert the quantity that is contained in each Unit of Measure to verify that the packaging is equivalent to the item description in column B.
- 8 **Be sure to include your company name below.**

* For non-catalog items MSC has used the contract price as the catalog list price due to the fact that MSC doesn't have catalog list price for these items.

** The market basket is quoted based on the UOM (unit of measure) found within the product description, however such UOM might not reflect MSC's current UOM.

Lamps, Ballasts, Fixtures Market Basket

Cleaning Market Basket

Market Basket Cost Schedule Instructions:

You must complete the gray shaded cells for your proposal to be considered for this category.

- 1 Columns A - G: These columns describe each of the line items covered in this market basket.
- 2 Column H-I: This Column provides the number of units that were purchased last year through the WSCA contract. This number is provided as a reference only and is not to be construed as a guarantee for future purchases.
- 3 Columns J - M: In these Columns you must identify the item you are bidding. If you propose an alternate item it must be of equal or better quality than the item identified in Columns A - D.
- 4 Column N-: In this Column you must insert the Catalog List Price for the item you are proposing. The Catalog List Price must not exceed 2 digits to the right of the decimal point (e.g. \$16.25 is acceptable while \$16.259 is not).
- 5 Column O: In this Column you must insert the Proposed Discount from your published catalog that you are offering WSCA for this item. The Proposed Discount percentage must be the same for this item regardless of packaging size. The Proposed Discount percentage must not exceed 4 digits to the right of the decimal point (e.g. 10.3729% is acceptable while 10.37292% is not).
- 6 Column P: In this Column you must insert the actual price for the product. (Column O is the discount percentage off list. This column is the actual price.
- 7 Column Q: In this Column you must insert the Unit of Measure to verify that the packaging is equivalent to the item description in column B (e.g. each (ea.); package (pkg.); box; case, etc.).
- 8 Column R: In this Column you must insert the quantity that is contained in each Unit of Measure to verify that the packaging is equivalent to the item description in column B.
- 9 **Be sure to include your company name below.**

Material Handling Repairs Market Basket

Market Basket Cost Schedule Instructions:

You must complete the gray shaded cells for your proposal to be considered for this category.

- 1 Columns A - E: These columns describe each of the line items covered in this market basket.
- 2 Column F: This Column provides the number of units that were purchased last year through the WSCA contract. This number is provided as a reference only and is not to be construed as a guarantee for future purchases.
- 3 Columns G - J: In these Columns you must identify the item you are bidding. If you propose an alternate item it must be of equal or better quality than the item identified in Columns A - D.
- 4 Column K: In this Column you must insert the Catalog List Price for the item you are proposing. The Catalog List Price must not exceed 2 digits to the right of the decimal point (e.g. \$16.25 is acceptable while \$16.259 is not).
- 5 Column L: In this Column you must insert the Proposed Discount from your published catalog that you are offering WSCA for this item. The Proposed Discount percentage must be the same for this item regardless of packaging size. The Proposed Discount percentage must not exceed 4 digits to the right of the decimal point (e.g. 10.3729% is acceptable while 10.37292% is not).
- 6 Column N: In this Column you must insert the Unit of Measure to verify that the packaging is equivalent to the item description in column B (e.g. each (ea.); package (pkg.); box; case, etc.).
- 7 Column O: In this Column you must insert the quantity that is contained in each Unit of Measure to verify that the packaging is equivalent to the item description in column B.
- 8 **Be sure to include your company name below.**

* For non-catalog items MSC has used the contract price as the catalog list price due to the fact that MSC doesn't have catalog list price for these items.

** The market basket is quoted based on the UOM (unit of measure) found within the product description, however such UOM might not reflect MSC's current UOM.

Motors and Accessories Market Basket

Market Basket Cost Schedule Instructions:

You must complete the gray shaded cells for your proposal to be considered for this category.

- 1 Columns A - E: These columns describe each of the line items covered in this market basket.
- 2 Column F: This Column provides the number of units that were purchased last year through the WSCA contract. This number is provided as a reference only and is not to be construed as a guarantee for future purchases.
- 3 Columns G - J: In these Columns you must identify the item you are bidding. If you propose an alternate item it must be of equal or better quality than the item identified in Columns A - D.
- 4 Column K: In this Column you must insert the Catalog List Price for the item you are proposing. The Catalog List Price must not exceed 2 digits to the right of the decimal point (e.g. \$16.25 is acceptable while \$16.259 is not).
- 5 Column L: In this Column you must insert the Proposed Discount from your published catalog that you are offering WSCA for this item. The Proposed Discount percentage must be the same for this item regardless of packaging size. The Proposed Discount percentage must not exceed 4 digits to the right of the decimal point (e.g. 10.3729% is acceptable while 10.37292% is not).
- 6 Column N: In this Column you must insert the Unit of Measure to verify that the packaging is equivalent to the item description in column B (e.g. each (ea.); package (pkg.); box; case, etc.).
- 7 Column O: In this Column you must insert the quantity that is contained in each Unit of Measure to verify that the packaging is equivalent to the item description in column B.
- 8 **Be sure to include your company name below.**

Electrical Repairs and Equipment Market Basket

Market Basket Cost Schedule Instructions:

You must complete the gray shaded cells for your proposal to be considered for this category.

- 1 Columns A - G: These columns describe each of the line items covered in this market basket.
- 2 Column H-I: This Column provides the number of units that were purchased last year through the WSCA contract. This number is provided as a reference only and is not to be construed as a guarantee for future
- 3 Columns J - M: In these Columns you must identify the item you are bidding. If you propose an alternate item it must be of equal or better quality than the item identified in Columns A - D.
- 4 Column N-: In this Column you must insert the Catalog List Price for the item you are proposing. The Catalog List Price must not exceed 2 digits to the right of the decimal point (e.g. \$16.25 is acceptable while \$16.259
- 5 Column O: In this Column you must insert the Proposed Discount from your published catalog that you are offering WSCA for this item. The Proposed Discount percentage must be the same for this item regardless of packaging size. The Proposed Discount percentage must not exceed 4 digits to the right of the decimal point (e.g. 10.3729% is acceptable while 10.37292% is not).
- 6 Column P: In this Column you must insert the actual price for the product. (Column O is the discount percentage off list. This column is the actual price.
- 7 Column Q: In this Column you must insert the Unit of Measure to verify that the packaging is equivalent to the item description in column B (e.g. each (ea.); package (pkg.); box; case, etc.).
- 8 Column R: In this Column you must insert the quantity that is contained in each Unit of Measure to verify that the packaging is equivalent to the item description in column B.
- 9 **Be sure to include your company name below.**

* For non-catalog items MSC has used the contract price as the catalog list price due to the fact that MSC doesn't have catalog list price for these items.

** The market basket is quoted based on the UOM (unit of measure) found within the product description, however such UOM might not reflect MSC's current UOM.

Fasteners Market Basket

You must complete the gray shaded cells for your proposal to be considered for this category.

- 1 Columns A - G: These columns describe each of the line items covered in this market basket.
- 2 Column H-I: This Column provides the number of units that were purchased last year through the WSCA contract. This number is provided as a reference only and is not to be construed as a guarantee for future
- 3 Columns J - M: In these Columns you must identify the item you are bidding. If you propose an alternate item it must be of equal or better quality than the item identified in Columns A - D.
- 4 Column N-: In this Column you must insert the Catalog List Price for the item you are proposing. The Catalog List Price must not exceed 2 digits to the right of the decimal point (e.g. \$16.25 is acceptable while \$16.259
- 5 Column O: In this Column you must insert the Proposed Discount from your published catalog that you are offering WSCA for this item. The Proposed Discount percentage must be the same for this item regardless of packaging size. The Proposed Discount percentage must not exceed 4 digits to the right of the decimal point (e.g. 10.3729% is acceptable while 10.37292% is not).
- 6 Column P: In this Column you must insert the actual price for the product. (Column O is the discount percentage off list. This column is the actual price.
- 7 Column Q: In this Column you must insert the Unit of Measure to verify that the packaging is equivalent to the item description in column B (e.g. each (ea.); package (pkg.); box; case, etc.).
- 8 Column R: In this Column you must insert the quantity that is contained in each Unit of Measure to verify that the packaging is equivalent to the item description in column B.
- 9 **Be sure to include your company name below.**

* For non-catalog items MSC has used the contract price as the catalog list price due to the fact that MSC doesn't have catalog list price for these items.

** The market basket is quoted based on the UOM (unit of measure) found within the product description, however such UOM might not reflect MSC's current UOM.

Batteries and Flashlights Market Basket

You must complete the gray shaded cells for your proposal to be considered for this category.

- 1 Columns A - E: These columns describe each of the line items covered in this market basket.
- 2 Column F: This Column provides the number of units that were purchased last year through the WSCA contract. This number is provided as a reference only and is not to be construed as a guarantee for
- 3 Columns G - J: In these Columns you must identify the item you are bidding. If you propose an alternate item it must be of equal or better quality than the item identified in Columns A - D.
- 4 Column K: In this Column you must insert the Catalog List Price for the item you are proposing. The Catalog List Price must not exceed 2 digits to the right of the decimal point (e.g. \$16.25 is acceptable
- 5 Column L: In this Column you must insert the Proposed Discount from your published catalog that you are offering WSCA for this item. The Proposed Discount percentage must be the same for this item regardless of packaging size. The Proposed Discount percentage must not exceed 4 digits to the right of the decimal point (e.g. 10.3729% is acceptable while 10.37292% is not).
- 6 Column N: In this Column you must insert the Unit of Measure to verify that the packaging is equivalent to the item description in column B (e.g. each (ea.); package (pkg.); box; case, etc.).
- 7 Column O: In this Column you must insert the quantity that is contained in each Unit of Measure to verify that the packaging is equivalent to the item description in column B.
- 8 **Be sure to include your company name below.**

* For non-catalog items MSC has used the contract price as the catalog list price due to the fact that MSC doesn't have catalog list price for these items.

** The market basket is quoted based on the UOM (unit of measure) found within the product description, however such UOM might not reflect MSC's current UOM.

Outdoor Garden Supplies and Equipment Market Basket

You must complete the gray shaded cells for your proposal to be considered for this category.

- 1 Columns A - E: These columns describe each of the line items covered in this market basket.
- 2 Column F: This Column provides the number of units that were purchased last year through the WSCA contract. This number is provided as a reference only and is not to be construed as a guarantee for future
- 3 Columns G - J: In these Columns you must identify the item you are bidding. If you propose an alternate item it must be of equal or better quality than the item identified in Columns A - D.
- 4 Column K: In this Column you must insert the Catalog List Price for the item you are proposing. The Catalog List Price must not exceed 2 digits to the right of the decimal point (e.g. \$16.25 is acceptable while
- 5 Column L: In this Column you must insert the Proposed Discount from your published catalog that you are offering WSCA for this item. The Proposed Discount percentage must be the same for this item regardless of packaging size. The Proposed Discount percentage must not exceed 4 digits to the right of the decimal point (e.g. 10.3729% is acceptable while 10.37292% is not).
- 6 Column N: In this Column you must insert the Unit of Measure to verify that the packaging is equivalent to the item description in column B (e.g. each (ea.); package (pkg.); box; case, etc.).
- 7 Column O: In this Column you must insert the quantity that is contained in each Unit of Measure to verify that the packaging is equivalent to the item description in column B.
- 8 **Be sure to include your company name below.**

* For non-catalog items MSC has used the contract price as the catalog list price due to the fact that MSC doesn't have catalog list price for these items.

** The market basket is quoted based on the UOM (unit of measure) found within the product description, however such UOM might not reflect MSC's current UOM.

Plumbing Market Basket

You must complete the gray shaded cells for your proposal to be considered for this category.

- 1 Columns A - E: These columns describe each of the line items covered in this market basket.
- 2 Column F: This Column provides the number of units that were purchased last year through the WSCA contract. This number is provided as a reference only and is not to be construed as a guarantee
- 3 Columns G - J: In these Columns you must identify the item you are bidding. If you propose an alternate item it must be of equal or better quality than the item identified in Columns A - D.
- 4 Column K: In this Column you must insert the Catalog List Price for the item you are proposing. The Catalog List Price must not exceed 2 digits to the right of the decimal point (e.g. \$16.25 is acceptable
- 5 Column L: In this Column you must insert the Proposed Discount from your published catalog that you are offering WSCA for this item. The Proposed Discount percentage must be the same for this item regardless of packaging size. The Proposed Discount percentage must not exceed 4 digits to the right of the decimal point (e.g. 10.3729% is acceptable while 10.37292% is not).
- 6 Column N: In this Column you must insert the Unit of Measure to verify that the packaging is equivalent to the item description in column B (e.g. each (ea.); package (pkg.); box; case, etc.).
- 7 Column O: In this Column you must insert the quantity that is contained in each Unit of Measure to verify that the packaging is equivalent to the item description in column B.
- 8 **Be sure to include your company name below.**

* For non-catalog items MSC has used the contract price as the catalog list price due to the fact that MSC doesn't have catalog list price for these items.

** The market basket is quoted based on the UOM (unit of measure) found within the product description, however such UOM might not reflect MSC's current UOM.

Pneumatic Tools Market Basket

You must complete the gray shaded cells for your proposal to be considered for this category.

- 1 Columns A - E: These columns describe each of the line items covered in this market basket.
- 2 Column F: This Column provides the number of units that were purchased last year through the WSCA contract. This number is provided as a reference only and is not to be construed as a guarantee for
- 3 Columns G - J: In these Columns you must identify the item you are bidding. If you propose an alternate item it must be of equal or better quality than the item identified in Columns A - D.
- 4 Column K: In this Column you must insert the Catalog List Price for the item you are proposing. The Catalog List Price must not exceed 2 digits to the right of the decimal point (e.g. \$16.25 is acceptable while
- 5 Column L: In this Column you must insert the Proposed Discount from your published catalog that you are offering WSCA for this item. The Proposed Discount percentage must be the same for this item regardless of packaging size. The Proposed Discount percentage must not exceed 4 digits to the right of the decimal point (e.g. 10.3729% is acceptable while 10.37292% is not).
- 6 Column N: In this Column you must insert the Unit of Measure to verify that the packaging is equivalent to the item description in column B (e.g. each (ea.); package (pkg.); box; case, etc.).
- 7 Column O: In this Column you must insert the quantity that is contained in each Unit of Measure to verify that the packaging is equivalent to the item description in column B.
- 8 **Be sure to include your company name below.**

- 2 Column F: This Column provides the number of units that were purchased last year through the WSCA contract. This number is provided as a reference only and is not to be construed as a guarantee for
- 3 Columns G - J: In these Columns you must identify the item you are bidding. If you propose an alternate item it must be of equal or better quality than the item identified in Columns A - D.
- 4 Column K: In this Column you must insert the Catalog List Price for the item you are proposing. The Catalog List Price must not exceed 2 digits to the right of the decimal point (e.g. \$16.25 is acceptable
- 5 Column L: In this Column you must insert the Proposed Discount from your published catalog that you are offering WSCA for this item. The Proposed Discount percentage must be the same for this item regardless of packaging size. The Proposed Discount percentage must not exceed 4 digits to the right of the decimal point (e.g. 10.3729% is acceptable while 10.37292% is not).
- 6 Column N: In this Column you must insert the Unit of Measure to verify that the packaging is equivalent to the item description in column B (e.g. each (ea.); package (pkg.); box; case, etc.).
- 7 Column O: In this Column you must insert the quantity that is contained in each Unit of Measure to verify that the packaging is equivalent to the item description in column B.
- 8 **Be sure to include your company name below.**

* For non-catalog items MSC has used the contract price as the catalog list price due to the fact that MSC doesn't have catalog list price for these items.
 ** The market basket is quoted based on the UOM (unit of measure) found within the product description, however such UOM might not reflect MSC's current UOM.

Safety Market Basket

You must complete the gray shaded cells for your proposal to be considered for this category.

- 1 Columns A - E: These columns describe each of the line items covered in this market basket.
- 2 Column F: This Column provides the number of units that were purchased last year through the WSCA contract. This number is provided as a reference only and is not to be construed as a guarantee for future
- 3 Columns G - J: In these Columns you must identify the item you are bidding. If you propose an alternate item it must be of equal or better quality than the item identified in Columns A - D.
- 4 Column K: In this Column you must insert the Catalog List Price for the item you are proposing. The Catalog List Price must not exceed 2 digits to the right of the decimal point (e.g. \$16.25 is acceptable while \$16.259 is
- 5 Column L: In this Column you must insert the Proposed Discount from your published catalog that you are offering WSCA for this item. The Proposed Discount percentage must be the same for this item regardless of packaging size. The Proposed Discount percentage must not exceed 4 digits to the right of the decimal point (e.g. 10.3729% is acceptable while 10.37292% is not).
- 6 Column N: In this Column you must insert the Unit of Measure to verify that the packaging is equivalent to the item description in column B (e.g. each (ea.); package (pkg.); box; case, etc.).
- 7 Column O: In this Column you must insert the quantity that is contained in each Unit of Measure to verify that the packaging is equivalent to the item description in column B.
- 8 **Be sure to include your company name below.**

* For non-catalog items MSC has used the contract price as the catalog list price due to the fact that MSC doesn't have catalog list price for these items.

** The market basket is quoted based on the UOM (unit of measure) found within the product description, however such UOM might not reflect MSC's current UOM.

Hand Tools Market Basket

You must complete the gray shaded cells for your proposal to be considered for this category.

- 1 Columns A - E: These columns describe each of the line items covered in this market basket.
- 2 Column F: This Column provides the number of units that were purchased last year through the WSCA contract. This number is provided as a reference only and is not to be construed as a guarantee for
- 3 Columns G - J: In these Columns you must identify the item you are bidding. If you propose an alternate item it must be of equal or better quality than the item identified in Columns A - D.
- 4 Column K: In this Column you must insert the Catalog List Price for the item you are proposing. The Catalog List Price must not exceed 2 digits to the right of the decimal point (e.g. \$16.25 is acceptable
- 5 Column L: In this Column you must insert the Proposed Discount from your published catalog that you are offering WSCA for this item. The Proposed Discount percentage must be the same for this item regardless of packaging size. The Proposed Discount percentage must not exceed 4 digits to the right of the decimal point (e.g. 10.3729% is acceptable while 10.37292% is not).
- 6 Column N: In this Column you must insert the Unit of Measure to verify that the packaging is equivalent to the item description in column B (e.g. each (ea.); package (pkg.); box; case, etc.).
- 7 Column O: In this Column you must insert the quantity that is contained in each Unit of Measure to verify that the packaging is equivalent to the item description in column B.
- 8 **Be sure to include your company name below.**

* For non-catalog items MSC has used the contract price as the catalog list price due to the fact that MSC doesn't have catalog list price for these items.

** The market basket is quoted based on the UOM (unit of measure) found within the product description, however such UOM might not reflect MSC's current UOM.

Welding and Sodering Market Basket

You must complete the gray shaded cells for your proposal to be considered for this category.

- 1 Columns A - E: These columns describe each of the line items covered in this market basket.
- 2 Column F: This Column provides the number of units that were purchased last year through the WSCA contract. This number is provided as a reference only and is not to be construed as a guarantee for future
- 3 Columns G - J: In these Columns you must identify the item you are bidding. If you propose an alternate item it must be of equal or better quality than the item identified in Columns A - D.
- 4 Column K: In this Column you must insert the Catalog List Price for the item you are proposing. The Catalog List Price must not exceed 2 digits to the right of the decimal point (e.g. \$16.25 is acceptable while
- 5 Column L: In this Column you must insert the Proposed Discount from your published catalog that you are offering WSCA for this item. The Proposed Discount percentage must be the same for this item regardless of packaging size. The Proposed Discount percentage must not exceed 4 digits to the right of the decimal point (e.g. 10.3729% is acceptable while 10.37292% is not).
- 6 Column N: In this Column you must insert the Unit of Measure to verify that the packaging is equivalent to the item description in column B (e.g. each (ea.); package (pkg.); box; case, etc.).
- 7 Column O: In this Column you must insert the quantity that is contained in each Unit of Measure to verify that the packaging is equivalent to the item description in column B.
- 8 **Be sure to include your company name below.**

1. EXECUTIVE SUMMARY

MSC Industrial Supply Co. (“MSC”) is pleased to present this solicitation response for consideration for the Multi-State Contract for Facilities Maintenance, Lighting Products, Industrial Supplies and Tools. MSC believes that based on our huge breadth and scope of products, our unmatched logistics platform, and our outstanding customer support, our company is the best value solution to serve as a multi-award winner for this contract.

Qualification

MSC has extensive experience in implementing programs on a national scale. MSC currently holds a GSA (# GS-06F-0010N) and USPS (# 2CRMOS-03-B-4457) contract, in addition to our recently awarded USSHPLL Serve Mart award (GS-06F-8999) where we have recently implemented and opened Base Stores at Camp Leguene USMC MCB, Albany USMC MCLB and Quantico USMC HQ. Over the past 6 years MSC has been awarded and implemented many State contracts such as New York, California and Texas. In addition to the aforementioned Federal and State Government Accounts, MSC has also been very successful servicing the private sector and has a National Account base in excess of 300 large corporate clients.

MSC has been building toward this WSCA opportunity for the past 5 years. Our strategic decision towards this partnership has driven our resources on working with individual states while focusing on brand recognition and choice. Our west coast expansion program has led to an increased level of MSC presence and infrastructure within the western region of the United States which will efficiently service the needs of all the WSCA Participating States.

Introduction

Founded in 1941, MSC has grown to be a \$1.8 billion dollar publicly traded (NYSE: MSM), financially strong, 5A1 DUNS rated Industrial Products distributor, with 100 Branch Locations in the contiguous United States, 4 state-of-the-art regional distribution centers, and more than 4200 Associates.

In addition, to our vast MRO product offering MSC is also the premier Metalworking Supplier in the United States. We stock virtually any type of cutting tool, machine tool accessory, abrasives, measuring instrument, machinery and metalworking fluids. MSC is the leading supplier in the Metalworking market and our catalog features “how to use selection guides” “the basics of technical information and conversion charts”.

Our Best-in Class Inventory, both in breadth and depth, consists of over 500,000 industrial products valued at more than \$300 million dollars. This represents 38 different product categories, such as hand tools, safety, cutting tools, material handling, etc. Our world-class logistics are built on a same-day Shipping Guarantee that is supported by a 99.6% fill-rate and an error rate that is less than one line per 1,000 orders. MSC also provides a national ordering cut-off time of 8PM Eastern time for convenient, next day service. Our state of the art logistics program and our huge scope of product proposition are built off our 4 Distribution Center Network in order to deliver product in an expeditious fashion to our end users. MSC’s logistics program eliminates the need for end users to have to physically visit Distributor’s branch locations in order

to pick up and order products. We believe that our program is a step above the competition's because our competitor's generally do not have inventory levels in their individual branches that can suit the needs of all their customers which can lead to inefficiencies for the WSCA Participating States.

MSC's outstanding customer service is focused on our belief that "our customer is the boss". MSC is prepared to leverage our complete resources in order to support the WSCA program. This customer-focused mission is supported by a team of State Account Managers, Outside Sales Associates, Inside Sales Associates, Telesales Associates and call center personnel located throughout the Branch and Distribution Center network. Each MSC associate is held to rigorous standards for customer satisfaction. MSC is committed to the successful implementation of the WSCA Program across all WSCA States.

How does this benefit the Western States Contracting Alliance?

MSC Background

- Strong Financially Sound Company
- In Business since 1941
- Customer Service Focused Company
- Experienced Government Supplier (GSA schedule since 2002)
- State Government Team in place since 2007

Logistics Capabilities

- 8:00 pm Eastern Time order cut-off within the contiguous United States

Integration Capabilities

- Experience integrating with hundreds of State, Commercial and Federal Customers
- MSC supports current XML versions
- Workflow Management controls in place on MSCDirect.com
- Personal Lists and Profiles capabilities on MSCDirect.com
- Full line of reporting capabilities

Eco-Friendly Solutions

- Eco-Friendly Products and Solutions available
- Eco-Friendly logos displayed on MSCDirect.com
- Eco-Friendly logos displayed within our 2010-2011 Big Book

Supply Chain System Capability

- MSC's Supply Chain Systems supports over 379,000 customers
- Fully Integrated Supply Chain Management System through out the entire MSC distribution Network
- Integrated transportation Network consisting of UPS, FedEx, USPS, and other LTL carriers

- Ability to support Sustainment needs, with our breadth and depth of product, and supplier capabilities
- Ability to Process Emergency Orders

Breadth of Product

- \$300 Million of on-hand in Inventory
- 500,000 Catalog Items
- 38 different Product Categories

Price Evaluation

- Competitively Priced Product Offering

Past Performance

- Proven Record of Contract Performance with the following:
- Numerous State Contracts
- National Account base of over 300 large corporate clients
- Global Supply
- USPS
- National Institute of Health

Socioeconomic Program

- Strong history of supporting the small business supplier community
- MSC awarded over \$214 Million Dollars in small business contracts last year

We feel strongly that MSC's experience in dealing with large accounts and its vast breadth of product, strong logistics program, and our integration ability and customer support to be the differentiating factors in evaluating this proposal. MSC is offering WSCA a strong and competitive discount program to support the broad needs of the WSCA end users. We believe that the discount proposal offered in this RFP appeals to the needs of the WSCA States by supporting a solid and competitive General Line discount. This offers a competitive price on the entire 500,000 product offering of the MSC Catalog. Our experience in the State Government Business Segment shows us that a strong and competitive discount off an expansive product offering has more value to our customer's than a specific discount off a less expansive product offering that our competitors often market as a solution. We also have enhanced our discount proposal with 26 specialized manufacturers' discounts to support the additional product needs in key selected product categories. We have included the opportunity to negotiate special programs such as volume rebates and "customized product lists" as part of the individual State Purchasing Addendums which we feel will enhance the implementation of the WSCA Program through the support of each states individual needs and requirements. The MSC proposal is positioned to provide the lowest cost of change and the best value solution for uninterrupted continuous service to the WSCA Participating States.

We look forward to your favorable response to the MSC proposal.

A Multi-State Contract for Facilities Maintenance, Lighting Products,
Industrial Supplies and Tools
Request for Proposal No. 1862

1.3.2 A statement verify the total sales amount must accompany the remittance. He remittance will be due not later that 45 days after the last day of each calendar quarter. Please provide a sample statement document s for review.

2. ACRONYMS/DEFINITIONS

For the purposes of this RFP, the following acronyms/definitions will be used:

Awarded Proposer	The organization/individual that is awarded and has an approved contract with the State of Nevada for the services identified in this RFP.
Authorized Purchaser	A State or other authorized entity participating on this WSCA contract that places orders.
Confidential Information	Any information relating to the amount or source of any income, profits, losses or expenditures of a person, including data relating to pricing or price submitted in support of a proposal or proposal. The term does not include the amount of a proposal or proposal. See NRS §333.020(5) (b).
Division E-Commerce	Department of Administration, Purchasing Division. The buying and selling of products or services over the Internet
Forced Substitution	The act of replacing any item with an alternate item via the use of software or any other method, resulting in the substitution of any item on any order without the prior consent of the purchasing entity.”
Goods	“Goods” means all things (including specially manufactured goods) which are movable at the time of identification to the contract for sale other than the money in which the price is to be paid, investment securities (Article 8) and things in action. NRS §104.2105.
Green Products	“Green products” mean “environmentally preferable products” in this solicitation. Green products are products or services that have a lesser or reduced effect on human health and the environment when compared with competing products or services that serve the same purpose. This comparison applies to life cycle of a product extraction of raw materials, manufacturing, packaging, distribution, use, reuse, operation, maintenance, and disposal.
LOI	Letter of Intent - notification of the State’s intent to award a contract to a proposer, pending successful negotiations; all information remains confidential until the issuance of the formal notice of award.
Level III Reporting	Detailed Procurement Card reporting consistent with Credit Card industry standards.
MSA	Master Service Agreement
May	Indicates something that is not mandatory but permissible.
NAC	Nevada Administrative Code
NASPO	National Association of State Procurement Officials. NASPO is a non-profit association dedicated to strengthening the procurement community through education, research, and communication. It is made up of the directors of the central purchasing offices in each of the 50 states, the District of Columbia and the territories of the United States.
MSDS	Material Safety and Data Sheets
NRS	Nevada Revised Statutes

NOA	Notice of Award- formal notification of the State's decision to award a contract, pending Board of Examiners' approval of said contract, any non-confidential information becomes available upon written request.
Participating State	Before award a Participating State refers to those that has signed Intent to Participate and is listed in this RFP. After award a Participating State is one who has signed a Participating Addendum.
Proposer	Organization/individual submitting a proposal in response to this RFP.
Public Record	All books and public records of a governmental entity, the contents of which are not otherwise declared by law to be confidential (see NRS §333.333 and NRS §600A.030 (5) must be open to inspection by any person and may be fully copied or an abstract or memorandum may be prepared from those public books and public records.
RFP	Request for Proposal - a written statement which sets forth the requirements and specifications of a contract to be awarded by competitive selection NRS §333.020(7).
Shall/Must/Will	Indicates a mandatory requirement. Failure to meet a mandatory requirement may result in the rejection of a proposal as non-responsive.
Should	Indicates something that is recommended but not mandatory. If the proposer fails to provide recommended information, the State may, at its sole option, ask the proposer to provide the information or evaluate the proposal without the information.
Sourcing Team	An independent committee comprised of a majority of State officers or employees established to evaluate and score proposals submitted in response to the RFP pursuant to NRS §333.335.
State	The State of Nevada and any agency identified herein.
Subcontractor	Third party, not directly employed by the proposer, who will provide services identified in this RFP. This does not include third parties who provide support or incidental services to the proposer.
Trade Secret	Means information, including, without limitation, a formula, pattern, compilation, program, device, method, technique, product, system, process, design, prototype, procedure, computer programming instruction or code that: derives independent economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by the public or any other person who can obtain commercial or economic value from its disclosure or use; and is the subject of efforts that are reasonable under the circumstances to maintain its secrecy.
WSCA	The Western States Contracting Alliance (WSCA) is a cooperative group-contracting consortium for state government departments, institutions, institutions of higher education, agencies and political subdivisions (e.g., colleges, school districts, counties, cities, etc.) for the States of Alaska, Arizona, California, Colorado, Hawaii, Idaho, Minnesota, Montana, Nevada, New Mexico, Oregon, South Dakota, Utah, Washington, and Wyoming. WSCA is a cooperative purchasing arm of the National Association of State Procurement Officials (NASPO).

3 SCOPE OF WORK

For more than a half century, MSC has continuously supported best industrial supply solution for customers because we are the easiest, simplest, and most efficient place to find and buy industrial supply products. We have the most products in stock anywhere and we guarantee shipment the same day. Our team is the best in the industry because we support our customers through all phases of their needs. MSC customers are backed by a name they can trust.

MSC – Experienced and Ready

- MSC will provide in-depth knowledge and experience to every state.
- Our team is capable of executing the SOW at day one.

The composition of MSC Team presented in this proposal is understanding the needs of WSCA and providing in-depth knowledge and experience to support every state. We have assembled a high quality team with industry expertise fully capable of executing every aspect of the SOW at day one.

3.1 ORDERING CAPABILITIES

Orders resulting from this contract will be placed directly with the proposer by the individual Purchasing Entity. The proposer must have toll free telephone and fax numbers for use by those entities located outside of the proposer's toll free area. The proposer will ship and bill as requested by the purchasing agency. The purchasing agency will remit payment directly to the proposer. As an example, there are approximately 1,000 possible separate delivery locations within the State of Nevada. The number of locations will vary by Participating States.

3.1.1 Please supply your toll free telephone and facsimile number.

Telephone – 1-800-645-7270

Facsimile – 1-800-255-5067

Upon Award – MSC will provide dedicated WSCA toll free telephone number

3.1.2 In addition to the items shown on Attachment H, Purchasing Entities will be allowed to order from a successful proposer's catalog(s) and website for delivery anywhere within the Participating States. WSCA requires internet catalogs that are web based or contained on media for use on a personal computer. Any awarded proposer must make catalogs available on CD upon request to any Purchasing Entity.

MSC entire Big Book (over 500,000 items) is available on www.mscdirect.com and in addition all customers will receive a MSC catalog (5000+ pages). Upon request customer can receive a copy of the Big Book on CD-Rom. MSC is always adding new products which can be seen on mscdirect.com. In addition www.mscdirect.com will be customized to display WSCA contract pricing for participating members.

3.1.3 Catalog(s) must be submitted with the proposal as described in the Submittal instructions, Section 9.

MSC Big Book – 2010/2011

3.2 F.O.B. DESTINATION

Prices for all items associated with this contract are to be FOB Destination anywhere within the Participating States or geographic area offered. Any exceptions to this provision must be clearly stated on Attachment B of this document.

[MSC agrees to the FOB destination terms.](#)

3.3 INTERNET ORDERING

Successful proposer shall provide Internet Catalogs for all agencies as described below.

3.3.1 Internet Catalogs available? Yes No

[Internet Catalogs are available on the website, including the MSC Big Book and monthly sales flyers. Also, the website has over 500,000 searchable SKUs available for our customers' convenience.](#)

3.3.1 Provide a descriptive narrative for the type of internet catalog offered, and a URL link.

[MSC best in class web site \(www.mscdirect.com\) provides access to the entire MSC Big Book \(Over 500,000 items\). In addition customers will have access to other resources such as specialty catalogs, brochures, virtual catalogs, product selection guides, technical data and material safety data sheets.](#)

Eco-Friendly

Over 2900 green products to help your State go GREEN and protect the environment. Look for the  while shopping for eco-friendly products such as green cleaning, energy savings and water conservation.

Emergency Preparedness

Your source for emergency preparedness – Let www.mscdirect.com plan and keep you informed for an emergency. From helpful emergency links (EPA, FEMA, HOMELAND SECURITY, CDC, NERT, WEATHER CHANNEL AND RED CROSS) to a huge selection of emergency products to help you through any emergency

Facility Maintenance & Maintenance Repair

MSC has combined the right combination of maintenance products to create easy access to some of our most popular Maintenance, Repair and Operational products. Through our Maintenance Repair monthly sales flyers to our Facility Maintenance mini catalog we have your one-stop shop.

HVAC

Let MSC keep you cool and running smooth with our seasonal mini brochure that has all the newest HVAC products and accessories

Metalworking

Since 1941 MSC has been a premier Metalworking distributor. We continue to offer customer specialty catalogs focused on Metalworking on a monthly basis in addition to web promos

Accupro

The Accupro product offering includes over 10,000 products and has a high performance tool for all types of applications – drilling, threading, milling, boring, turning & grooving and toolholding. In this section, you will find the Accupro catalog, index of products and technical information.

Our product offering includes thousands of items from America's #1 brand of metalcutting tools - Kennametal. This section provides several helpful tools, such as the interactive product selector, big book index, technical information and special offers

Motors

MSC Industrial Supply offers over 5,000 of the most popular replacement motors from Emerson/US Motors. This section will help you select motors via our interactive motor selector, or the online Motors Catalog. you'll also find quick access to complementary products and product information guides.

Lighting

Discover lamps, fixtures, ballasts, and more from a single lamp to a complete energy-efficient alternative. We are your source for all your lighting needs.

Safety

More than 15,000 safety items are available in the online Safety Catalog. In this section, you'll also find information to help you meet safety requirements, such as OSHA violation information, safety industry links and product information guides.

Fasteners

Visit this helpful section to learn more about MSC's comprehensive fastener offering found in the 2nd Edition MSC Fastener Source Book. you'll also find extensive technical information to help you select the right fastener for your application.

Utilities

Whether your business is Power Generation or Transmission and Distribution, MSC Industrial Supply is your one-stop source for all your Utility Industrial Supplies. Check out this section to discover the many ways MSC Industrial Supply is providing the best products and solutions to the Utility Industry.

3M

This informative section will help you find 3M products and innovative solutions via our 3M Solutions Catalog. The catalog features a broad selection 3M's most popular products in abrasives, adhesives, tapes, safety products and maintenance and repair.

Hand Tools

MSC Hand tool catalog (220 pages) provides customers with a comprehensive hand tool guide representing over 1,000 sku's from leading brands as well as the introduction of MSC exclusive Paramount brand. The Paramount Hand Tool line represents Superior design coupled with ergonomic features and a lifetime warranty.

Catalogs Home

Choose from our comprehensive library of virtual catalogs that include the Big Book, our monthly sales flyers and specialty brochures, available for viewing in one convenient location.

3.3.2 Vendors must designate market basket items in their on-line catalogs for ease of ordering. What symbol or marking will you use to identify market basket items?

MSC will use the following symbol

3.3.3 Vendors shall designate all environmental preferable products (EPP) in their on-line catalogs. Describe the designation (symbol) that you will use to identify these EPP products.

MSC has identified items with an eco-friendly icon that can help protect the environment and at the same time reduce your costs. MSC has eco-friendly product category icons as follows: Green Cleaners & Fluids, Energy Conservation, Water Conservation, Renewable Energy Source, Energy Star, NEMA Premium, Recycled Products, Low VOC and Greenhouse Gas Free. To view the MSC Eco-Friendly Product Categories, please visit the site at <http://www1.mscdirect.com/content/solutions/ecoFriendly.html>.

MSC... Supplying green choices today that will positively impact your tomorrow

Discover how MSC Industrial Supply has made it easy for you and your company to GO GREEN! To benefit your future, we've identified the items that can help protect the environment and, at the same time, reduce your costs. Look for the  icon while shopping MSC Industrial Supply to find environmentally friendly products. Items such as GREEN CLEANING janitorial supplies, ENERGY SAVING lamps & lighting products, or WATER CONSERVING flow-control faucets are now clearly identified. We've even created eight new eco-friendly product categories to help you narrow your search!

Learn more about how MSC Industrial Supply can help you save the environment - check out our new Eco-friendly Flyer
Click on each icon below to search MSC's NEW Eco-Friendly Product Categories Below:

Green Cleaners & Fluids

MSC Industrial Supply offers a wide variety of bio-degradable cleaners, degreasers, and cutting fluids that help maintain a healthy environment and assist in the prevention of ozone depletion.

What is the GREENEST way to clean your facility?

Energy Conservation

MSC Industrial Supply carries hundreds of products that can help you conserve energy, conserve natural resources and support our overall goal of protecting the environment. These great products save energy, while reducing your maintenance costs!

Learn more about how Philips ALTO® Technology can SAVE you money on Lighting

Water Conservation

MSC Industrial Supply has an extensive offering of plumbing products that promote water conservation. These products help reduce water waste and can translate into real savings for you.

Renewable Energy Source

Products that can be recycled and kept out of the solid waste stream preserve the environment and sustain natural resources. Check out what types of renewable energy source products are available today!

NEMA® Premium

NEMA (National Electric Manufacturer's Association) established an energy efficiency motors program that provides highly energy efficient products for consumers. Choosing energy efficient motors will save you money in total energy operating cost and will improve overall system reliability. Search MSC Industrial Supply's NEMA premium products and upgrade your old motors!

Low VOC

Traditional paints & finishes release low levels of harmful toxins into the air caused by a variety of VOC's (Volatile Organic Compounds). New environmental regulations in many states have prompted the development of low VOC paints and finishes that are less harmful to the consumer and the environment. Search our wide offering of Low VOC items today!

Energy Star®

Energy Star is a joint program of the U.S. Environmental Protection Agency and the U.S. Department of Energy that promotes energy efficient consumer products. Look for the Energy Star logo on select heating and cooling products and start saving!

Recycled Products

Every time you purchase recycled products, you are helping to conserve the environment's natural resources including trees, water, electricity, and oil. MSC Industrial Supply can offer you a number of products made from recycled materials such as can liners and various paper products.

Greenhouse Gas Free

MSC Industrial Supply has over a hundred products that are Greenhouse Gas Free, meaning they do not contain any global warming agents. Try a Greenhouse Gas Free alternative today to help reduce the impact these types of products can have on the environment.

3.4 E-COMMERCE DESCRIPTION

The successful proposer shall have a proven record of E Commerce capabilities, with the technology and support personnel to provide content deployment or punch out access to their online catalog, for the purpose of supporting the purchasing web sites of the Participating States. Provide a clear narrative addressing the statement above.

E-Commerce Capabilities

MSC's diverse customer base has given us vast experiences on implementation and coordination of highly technical e-commerce platforms. Our knowledgeable e-commerce team has worked on programs such as GSA Advantage, USPS e-buy and Virginia EVA to name a few. We have teamed with many purchasing authorities to initiate punch-out, roundtrip, hosted catalogs, customized sites, landing pages and much more. Our e-com support team can be reached by e-mail or 1-800-753-7970.

MSC has successfully integrated with the following third Party Solutions.

Datastream
Proactis

Great Plains
J.D. Edwards

Higher Markets
Vinimaya

IBM/Maximo

3.5 E-COMMERCE and WEB CATALOG CAPABILITIES

Proposers must explain their E-Commerce capabilities in detail. Proposers must have, at a minimum, the E-Commerce and web site catalog capabilities listed below. Please provide a brief explanation of how your web site catalog provides these features.

- **Multiple search options from narrow options to specific search criteria;**

MSC provides an industry leading web site (www.MSCdirect.com) that can be accessed from any computer with an Internet connection. Product searches can be performed using our parametric Google search engine that quickly filters down to the correct item you are looking for. Key Words, MSC Part #s, Manufacturer's Part #s, Customer' Part #s and even Competitors Part #s are used to find products quickly and easily. Our web site also offers a 24 month rolling history with the ability to search for past orders by Purchase Order #, Buyer, Ship to Location, and Date. For each stock item, MSCdirect.com shows the technical information as well as a picture of the item. MSDS sheets are available in PDF format for most items and can be printed directly from the web site. This saves time and money for our customers. Additionally, MSC continuously updates the website, offering new features that help customers find information more easily and efficiently conduct more of their business online.

- **Display contract pricing;**

All WSCA customers will see their actual contract pricing when they log in with their customer information on MSCDirect.com. MSC is committed to providing our new and existing customers with what we believe are the highest service levels in the industry. MSC will provide accurate WSCA on-line pricing and discounts on MSCDirect.com. MSC will also provide quarterly usage reports and cost savings documentation to participating states upon request.

- **Have workflow management controls;**

MSC has functionality that will enable WSCA Members to establish 'roles' and 'spending limits' for users within their entity while shopping on MSCDIRECT.COM. Please note that only the Administrator(s) have the authority to reassign these roles and spending limits shown in **Exhibit 3.5-1, 3.5.-2 and 3.5.-3.**

The screenshot shows the MSC website's user account interface. At the top, there is a navigation bar with links for HOME, ORDER, SPECIAL OFFERS, RESOURCES, SOLUTIONS, ABOUT MSC, CUSTOMER SUPPORT, and MY ACCOUNT. The 'MY ACCOUNT' section is expanded, showing a sidebar with options like My Account, Order Status & History, Account Settings, and Personal Settings. The main content area is titled 'My Account' and contains a sub-section 'Manage Users' Roles/Set Spending Limits'. This section includes a table with the following content:

Assign Role	
You have changed the Role of NOELLE ROGERS from Buyer to Requisitioner. In order for this change to take effect, you must assign a Buyer or Supervisor for the Requisitioner's orders to be routed to.	
Please select a Buyer/Supervisor :	MICHAEL ROGERS : Buy.
If you would like to set a per order spending limit for this Requisitioner please enter the amount here. If you do not want to set a spending limit, please enter 0.	500
<input type="button" value="ASSIGN"/>	
<input type="button" value="BACK"/>	

At the bottom of the page, there is a footer with links for SITE MAP, CAREER OPPORTUNITIES, MSC LOCATIONS, TERMS OF USE, PRIVACY POLICY, LINK TO US, and BOOKMARK THIS SITE. The copyright notice reads: © 2000 - 2010 MSC Industrial Direct Co., Inc.

Manage Users' Roles/Set Spending Limits

To assist you with your ordering workflow process, we have provided functionality that will enable you to establish "roles" and "spending limits" for users within your company while shopping in our site.

Please note that only the Administrator(s) have the authority to reassign these roles and spending limits.

These roles are further explained below.

Future registrants will initially be assigned the role of:
 Buyer
 Requisitioner

For each new user who registers, the administrator(s) will receive an email to inform them. To verify or set up your email address, [click here](#).

Search for Last Name:

Contact Name	Role	Assigned Buyer/Supervisor	Spending Limit		
MICHAEL ROGERS	Buyer	Self	N/A	UPDATE	DEACTIVATE
MIKE ROGERS	Administrator	Self	N/A	UPDATE	DEACTIVATE
NOELLE ROGERS	Requisitioner	MICHAEL ROGERS : Buy.	500	UPDATE	DEACTIVATE
ROBERT ROGERS	Requisitioner	LARRY LACHER : Buy.	0	UPDATE	DEACTIVATE
MB ROGERSTEST	Buyer	Self	N/A	UPDATE	DEACTIVATE
RICH ROGERS TEST	Buyer	Self	N/A	UPDATE	DEACTIVATE
TERRY ROLL	Administrator	Self	N/A	UPDATE	DEACTIVATE
CARL ROOS	Administrator	Self	N/A	UPDATE	DEACTIVATE
RON ROPER	Buyer	Self	N/A	UPDATE	DEACTIVATE
MARY ROSAMOND	Requisitioner	ED MACKIEWICZ : Buy.	0	UPDATE	DEACTIVATE
RONALD ROSCOE	Requisitioner	STEPHEN LOPEZ : Buy.	0	UPDATE	DEACTIVATE
ANGELA ROSE	Administrator	Self	N/A	UPDATE	DEACTIVATE
ERIC ROSEN	Administrator	Self	N/A	UPDATE	DEACTIVATE
DAVID ROTH	Administrator	Self	N/A	UPDATE	DEACTIVATE
MIKE ROTH	Buyer	Self	N/A	UPDATE	DEACTIVATE

Administrator:
The Administrator has the authority to assign and/or reassign other registered users to their applicable role and set per order spending limits if so desired. The Administrator has full authority to browse and place orders. Multiple Administrators may exist within one company. An Administrator can be changed to a Buyer, a Supervisor or a Requisitioner.

Buyer:
Buyers have full authority to browse and place orders. Buyers may be assigned multiple Supervisors and/or Requisitioner.

Supervisor:
The Administrator has the authority to redefine the roles of appropriate Buyers to the role of a Supervisor or a Requisitioner. Each Supervisor must be assigned to one Buyer. The Supervisor has the authority to receive shopping carts from Requisitioners and forward the approved cart to their Buyer, or check out if it is within their authority. The Supervisor can shop and fill a cart, and place orders if it is within their authorized spending limit. If the Supervisor's cart is above their spending limit, their cart would then be forwarded to their Buyer. The Supervisor role is an optional approval step in the process between the Requisitioner and the Buyer. If the Supervisor role is for approval purposes only and they will not be placing any orders, their spending limit should be set to zero.

Requisitioner:
The Administrator has the authority to redefine the roles of appropriate Buyers to the role of a Requisitioner or a Supervisor. Each Requisitioner must be assigned to one Buyer or one Supervisor. The Requisitioner has the authority to browse, fill a shopping cart and "send" it to their respective Buyer or Supervisor, or place the order if it falls within the spending limit established by the Administrator. The Buyer or Supervisor will then be sent an email stating either that the Requisitioner has placed an order within their authority, or that a shopping cart has been sent to him/her from their Requisitioner.

Deactivate:
If a user no longer works at your company, the administrator has the ability to deactivate them. The deactivated user will not be allowed to log into our web site anymore. In addition, that user will not receive any more of our monthly promotional brochures. However, please be aware that it can take up 3 months before the catalogs stop coming as our mailing list database is maintained at the printing company.

Exhibit 3.5-2. Set Spending Limits after Assigning Roles

The screenshot shows the 'My Account' page with a navigation menu and a sidebar. The main content area is titled 'My Account' and contains instructions for reviewing pending orders. It includes a table of pending orders with columns for 'Submitted for Approval', 'Requester Name', 'Assigned Buyer', '# Of Items In Order', and 'Select'. Below the table are buttons for 'ADD ORDER TO CART', 'ASSIGN ORDER', and 'REJECT ORDER'.

Submitted for Approval | **Requester Name** | **Assigned Buyer** | **# Of Items In Order** | **Select**

Exhibit 3.5-3. Approval Process—Review pending orders.

The User Roles available are:

Administrator— The Administrator has the authority to assign and/or reassign other registered Users to their applicable role and to set per order spending limits if so desired. The Administrator has full authority to browse and place orders. Multiple Administrators may exist within a company. An Administrator can be changed to a Buyer, a Supervisor or a Requisitioner.

Buyer— Buyers have full authority to browse and place orders. Buyers may be assigned multiple Supervisors and/or Requisitioner.

Supervisor —The Administrator has the authority to redefine the roles of appropriate Users to the role of a Supervisor or a Requisitioner. Each Supervisor must be assigned to one Buyer. The Supervisor has the authority to receive shopping carts from Requisitioners and forward the approved cart to their Buyer, or check out if it is within their authority. The Supervisor can shop and fill a cart, and place orders if it is within their authorized spending limit. If the Supervisor's cart is above their spending limit, their cart would then be forwarded to their Buyer. The Supervisor role is an optional approval step in the process between the Requisitioner and the Buyer. If the Supervisor role is for approval purposes only and they will not be placing any orders, their spending limit should be set to zero,

Requisitioner —The Administrator has the authority to redefine the roles of appropriate Users to the role of a Requisitioner. Each Requisitioner must be assigned to one Buyer or one Supervisor. The Requisitioner has the authority to browse, fill a shopping cart and "send" it to their respective Buyer or Supervisor, or place the order if it falls within the spending limit established by the Administrator. The Buyer or Supervisor will then be sent an email stating either that the Requisitioner has placed an order within their authority, or that a shopping cart has been sent to him/her from their Requisitioner.

- **On-line ordering capability;**

MSCDIRECT.COM offers a complete suite of e-commerce tools. Registered users have complete self-service control of their accounts. They can access pricing, check availability of 500,000+ items available in the big book, place orders, track packages and obtain technical data, such as MSDS sheets. After orders have shipped they can view copies of the invoice and print them for convenience. MSC has also initiated our express check out feature (2 clicks and your done) to save customer time and enhanced efficiency shown in Exhibit 3.5-4 and 3.5-5.

The screenshot shows the 'Express Checkout Settings' page on the MSC website. The page is divided into three main sections: Step 1 - Order Routing, Step 2 - Shipping & Notification Settings, and Step 3 - Payment Settings. A left-hand navigation menu includes options like 'My Account', 'Order Status & History', and 'Account Settings'. The top navigation bar contains 'HOME', 'ORDER', 'SPECIAL OFFERS', 'RESOURCES', 'SOLUTIONS', 'ABOUT MSC', 'CUSTOMER SUPPORT', and 'MY ACCOUNT'. The 'Search' and 'Order' sections at the top right allow for product and part number searches. The 'Express Checkout Settings' section includes fields for 'Purchase Order Number (PO)', 'Attention Field', and 'Ship Order No.', all with a default value of 'TEST'. Step 2 includes a table for 'Shipment Notifications' with 'Yes' and 'No' columns, and radio button options for shipping methods like 'Truck - prepaid' and 'Collect (customer carrier)'. Step 3 includes radio button options for payment methods like 'Open Account/Net Payment Terms', 'COD', and 'Credit Card', with a dropdown for 'Procurement Card' set to '<None>'. 'CANCEL' and 'SUBMIT' buttons are located at the bottom of the settings area.

Exhibit 3.5-5. On-line Ordering Capability Feature—Sample Shopping Cart.

- Order status and order tracking capabilities;

Customers are able to check order status and track their orders instantly. WSCA customers can use www.mscdirect.com, call the local MSC Branch, contact our Call Centers, or communicate with their local Outside Sales Associate (OSA) in order to receive order status and order tracking information. MSC ships orders out of four Giant Customer Fulfillment Centers that stock 99% of our entire product offering at all times. This distribution system allows MSC to delight the customer's expectations of receiving their product the next business day if ordered prior to 8PM Eastern Time shown in Exhibit 3.5-6.

The screenshot shows the 'My Account' page on the MSC Industrial Supply Co. website. The page is titled 'My Account' and features a 'Packing Slip Detail' section. The 'Bill To' information is for INTERNET TRAINING (TEST ACCT) at PO BOX 75, MELVILLE, NY 11747. The 'Ship To' information is for NANCY RIOS, CMI UNIT NEEDED, 90 HEATHER AVE #105, SAN FRANCISCO, CA 94118, Taxable. The page also displays order summary information: Customer Number: 00090476, Summary for Order Number: 86423645 : 12/08/2009, Contact Name: SUSANN SPANGLER REQ2, PO Number: CMI UNIT, and Payment Type: OPEN ACCOUNT - N/30. There are buttons for 'MULTI-ITEM ADD' and 'COPY TO CART'. A table shows packing slip details for slip 3308214, including invoice and ship dates, and a table of items with columns for Add Qty, Part No., Description, Qty, Price, Tax, and Ext. Price. The items table shows one item: AIR CLIC & CABLES CMI SCAN KIT with a quantity of 1, price of \$0.00, and no tax. Summary totals include Sub Total (\$0.00), Shipping, Handling & Surcharge (\$0.00), Tax (\$0.00), and P/S Total (\$0.00). A 'BACK' button is located below the tables. The footer contains site map, career opportunities, MSC locations, terms of use, privacy policy, link to us, and bookmark this site. Copyright information for 2000-2010 MSC Industrial Direct Co., Inc. is also present.

Exhibit 3.5-6. On-line Ordering Capability Feature—Packing Slip Before Order is Processed.

- Order history;

MSC provides order history reports for self auditing purpose. These reports are available by utilizing the Report Manager function on MSCDirect.com or can be obtained by calling any one of our Call Centers, local Branches or Outside Sales Associates shown in Exhibit 3.5-7.

The screenshot displays the 'ORDER HISTORY' section of the MSC website. At the top, there is a navigation menu with options like 'HOME', 'ABOUT US', 'CONTACT US', 'SUPPORT', 'MY ACCOUNT', and 'MY ACCOUNT'. Below the navigation, there is a search bar and a 'REFINE YOUR SEARCH' section. The main content is a table with the following columns: 'ITEM NUMBER', 'DESCRIPTION', 'QUANTITY', 'STATUS', and 'DATE'. The table lists multiple orders, each with a unique item number and a detailed description of the product. The status of each order is indicated by a small icon and text, such as 'COMPLETED' or 'CANCELLED'. The date of the order is also provided. The table is paginated, showing 'Page 1 of 1' and '1-36 of 36 items between 000000 and 000000'. At the bottom of the table, there is a 'Print' button and a 'Close' button.

Exhibit 3.5-7. On-line Feature—Order History.

- Allow users to develop personal lists and profiles, and a secure means for storing procurement card information;

MSC allows users to develop personal lists and profiles. MSC securely stores encrypted procurement card information shown in Exhibit 3.5-8, 3.5-9 and 3.5-10.

Personal Lists

A Personal List enables you to group products together so you check out faster. To create a Personal List, enter a name for your list and click "Go". Once you have named your list, you can start adding products and quantities...it's that easy. If you already have Personal Lists created, you can click on a list name to view the contents or you can select the list and add it to your cart or even delete it.

IMPORTANT CHANGE NOTICE: We have renamed the 'Bookmark' Personal List feature to 'Favorites' and it will now be accessible from the top navigation under 'Orders'. This will help you find items even faster to help optimize your time on the site. One click and your favorites appear for easy ordering!

Note: Your Favorites list is a place to keep all your favorite items on our website for quick reference.

3.6 STORAGE OF ELECTRONIC DATA

Describe in detail how the electronic information for each Participating State shall be stored. Do you have a dual system as a back up in the unlikely event that the main information storehouse becomes unusable? Provide a general description of security protocol including storage of data, ordering security and data file security.

The electronic information from Participating States will be stored at a transaction level in our AS400. MSC currently has an offsite backup system that can be accessed in the unlikely event that the main information storehouse becomes unusable.

MSC has a centralized transaction processing system that stores all transactional data. The transactional data is backed up on a daily basis to tape and stored at an off-site facility. MSC has a secondary, off-site backup system that can be used in the unlikely event the main system becomes disabled.

MSC's security protocol consists of each associate assigned with a unique profile that consists of a unique user id and complex password. Periodically, each associate must change their unique password using strict guidelines. The access that each associate has to the transactional system is reviewed annually. In addition, every sales transaction that an associate enters into MSC's Order Entry system is tracked using their unique profile.

3.7 CATALOGS

The successful proposer must provide paper and/or computer media catalogs to all agencies upon request for the duration of this contract.

MSC will provide the MSC BIG BOOK and monthly sales fliers to all agencies.

MSC best in class web site (www.mscdirect.com) provides access to the entire MSC Big Book (Over 500,000 items). MSC Catalog CD-Rom is available and will be provided upon request.

3.8 PROCUREMENT CARD POLICY

The successful proposer must offer the capability to accept procurement cards as an acceptable form of payment. Level III reporting is preferred.

3.8.1 Procurement Cards Accepted? Yes No

3.8.2 Explain in detail your reporting capabilities for procurement card transactions.

MSC is proud to be the first industrial supplier to be Level 3-Certified with all three major procurement card providers: VISA®, MasterCard® and American Express®.

Level I	Level II	Level III
Standard credit card information similar to a consumer card statement. Date, amount, commodity type and establishment.	Adds sales tax amount, accounting cost center or card member reference number. Supplier TIN (Tax Identification Number), 1099 status.	Adds item quantities, unit of measure, part numbers and description, ship-to zip codes.

As a Level 3 supplier, MSC delivers enhanced data, such as cost center/project coding, item quantity, unit of measure, MSC item number and description, sales taxes paid and ship-to zip code, to your bank so that your organization gets the purchasing reports you need to manage your unplanned buys. And, MSC automatically provides you with a faxed/e-mailed price receipt with every P-card order to make your month-end credit card statement reconciliation easier than ever.

3.9 FORCED SUBSTITUTIONS

Forced substitutions are not allowed. If an ordered item is out of stock, the vendor must notify the purchasing entity for prior approval before substituting for the out of stock item.

Explain your methodology for items that are discontinued or out of stock. This must include your substitution policy.

MSC AS400 program (MSC's computer platform) alerts our associates when an item is discontinued or out of stock. Our Customer Service Training Manual has processes that train associates how to view subs and the attributes of that sub to ensure specification compliance. If a customer wants the original item requested, MSC associates are trained to call the vendor for availability and direct ship procedures. MSC does not substitute without customer approval.

Explain how you will notify customers about out of stock items and how you will provide information about how the substituted product compares with the product that is out of stock. You should also explain the MSC AS400 program.

WEB Orders – If a customer encounters an out of stock item while ordering through www.mscdirect.com MSC will offer the Customer the option of accepting a substitute and/or an 800 # will appear so they can speak to a E-Comm Customer Service representative for further technical information. If an item is out of stock after an order is processed an E-Comm Customer Service Representative will contact the customer and offer a substitute item.

Branch Associates – If an items is out of stock at the time of order entry our system automatically presents a substitute for the Customer Service Representative to review with the customer while on the phone.

3.10 CUSTOMER SERVICE REPRESENTATIVES

Proposers shall provide each authorized purchaser with customer service representatives assigned to handle questions and resolve all problems that arise.

- 3.10.1 Service representatives shall be available, at a minimum, from 8:00 am to 5:00 pm in EACH time zone, Monday through Friday. Service representatives shall be available by phone (via local or toll free number), fax, or email during the required times for each participating state.

[MSC complies with this requirement](#)

- 3.10.1.1. This solicitation is for all States and all time zones. Describe how you will manage the servicing of the contract for each time zone.

[MSC One call does it all gives the end user an 800 number to place an order, obtain product information, check on a shipment, open an account or discuss a return. MSC utilizes a system called AT & T Route-it which routes calls/faxes based on Geographical area and time zone.](#)

[1-800-645-7270 AVAILABLE Monday- Friday 7AM – 11:00 pm EST](#)

[Saturday 8AM – 5:00 pm EST](#)

[Upon award MSC will immediately create the following dedicated WSCA e-mail address which will allow WSCA members to reach out directly to MSC with questions and inquires.](#)

- 3.10.1.2. Provide an Emergency number and contact for after hours use.

[MSC will provide WSCA with contact information, post contract award.](#)

[Orders designated by WSCA as emergency orders due to natural disasters or threat of war, which are sent to MSC during normal business hours, will be shipped 24 hours a day, seven days a week, and delivered either the same day or the following day as specified. Customer will incur a separate shipping charge for this service.](#)

To meet the emergency demand requirements, MSC will maintain a designated point of contact that is available 24 hours a day seven days a week. MSC will provide WSCA with contact information, post contract award.

Emergency orders may be shipped using manually prepared shipping documents. However, acknowledgement of the orders and other required information will be electronically transmitted back to the purchasing entity.

If the emergency order involves truckload quantities, and the carriers are not able to respond the day the order is received, MSC will contact the person designated on the order for further instructions.

3.10.1.3. All service representatives shall have online access to account information and provide a timely response to inquiries concerning the status of orders (shipped or pending), delivery information, back-order information, contract pricing, category discounts, product availability, product information, account and billing questions, and contract compliance requirements.

At MSC one call does do it all. All MSC customer service representatives have access to the information listed above.

You can use this number 1-800-645-7270 or the dedicated WSCA number for all your business with MSC.

We have approximately 1,000 Customer Service Associates at our call centers, distribution centers and branch offices. These Customer Service Associates are highly trained individuals who build relationships with customers, assist customers in reducing costs, provide technical support, coordinate special orders and shipments with vendors and update customer account profiles in our information systems databases. Our "one call does it all" philosophy is predicated on the ability of the telemarketing representative utilizing our information systems' comprehensive databases as a resource to respond effectively to the customers' needs. When a customer places a call to MSC, the Customer Service Associates taking the call has immediate access to the customer's company and specific buyer profile, as well as inventory levels by distribution centers on all SKUs offered by MSC. The customer's profile includes historical and current billing information, and historical purchasing information.

MSC's Customer Service representatives are able to inform customers on a real time basis of the availability of a product, recommend substitute products, verify credit information, receive special customer or manufacturer direct orders, cross-check inventory items using customer product codes previously entered into our information systems and arrange technical assistance. We believe that our simple one-call method of fulfilling all purchasing needs of a customer through highly-trained customer service representatives, supported by our proprietary information systems, results in greater efficiency for customers and increased customer satisfaction.

Customer Testimony

Just a quick e-mail to congratulate you on your staff at MSC Falmouth Maine, they are extremely helpful, competent and businesslike, in an era where "near enough" seems to be "good enough." It is a pleasure to deal with the team there. I hope you look after them and they stay, it makes my life so much easier when I know people like them are on the other end of the phone line or the computer screen.

Susan Vigue
Wunderlich-Malec Services
Winslow, ME

3.10.1.4 Describe in detail the process that shall be used to ensure adequate service representatives will be available.

The WSCA/MSC team will initiate communication and training to all MSC service representatives in a phased in process based on the execution of participation addendums. Based on the execution timeline the MSC WSCA Contract Program Managers will alert the Sales Force of over 2700 associates and conduct the training program with the specific sales teams.

The MSC WSCA Contract Program Manager will commence the Implementation Strategy and coordinate the proper sales resources. In addition the WSCA Contract Program Manager shall immediately exercise www.mscdirect.com to leverage WSCA contract pricing, next day delivery and cost saving initiatives.

Each of our four Customer Fulfillment & Call Centers is staffed with a full compliment of Customer Service Representatives and Managers who are ready and able to take your orders. Our standard 800 phone number and the WSCA dedicated number is routed fluidly within our call center network in order to provide seamless custom service support throughout the country.

Each of our Branches is staffed with both trained and experienced Inside Sales Associates and Inside Sales Supervisors as well as trained and experienced Outside Sales Associates and Branch Managers. Each of the branches provides support for customers who prefer local support. Please see our CFC and Branch Listings below.

Concurrently the MSC WSCA Contract Program Management team will strategically and geographically launch the deployment of MSC 1100 plus sales associates. This level of engagement by the MSC dedicated WSCA team will ensure the success launch of the WSCA program. MSC WSCA program managers will have direct alignment to State directors supporting execution actions in addition to weekly or monthly feed back.

The MSC WSCA Contract Program Manager will have quarterly meetings with WSCA State participating contract managers to review sales data, engagement activities and overall best demonstrated practices.

3.11 TRAINING

Proposer shall provide all training as necessary at no additional pricing to all Participating States on all aspects of ordering, online ordering, product delivery, product returns, and customer service processes.

3.11.1 Describe in detail the Proposer's ability to offer training that may be required to ensure purchasing entities have a thorough understanding of all ordering processes including any online systems. No pricing for product training, safety training, or travel and per Diem.

MSC will implement a variety of training programs to ensure ordering entities have a thorough understanding of the MSC ordering processes. The following options will be offered:

Centralized workshops – Based on the participating state requirements and goals, MSC will schedule centralized custom workshops to ensure WSCA participants have a comprehensive understanding of the MSC offering. Workshop topics are as follows:

- Overview of the WSCA program and pricing
- Overview of the MSC website and registration process

- Overview of MSC ordering options and customer service processes
- Introduction to product training resources
- Introduction to, Safety, Emergency and Green resources
- Customized topics

Adobe on line training – For those agencies who were unable to attend a workshop MSC will set up on line training

- Overview of the WSCA program and pricing
- Overview of the MSC website and registration process
- Overview of MSC ordering options and customer service processes
- Introduction to product training resources
- Introduction to, Safety, Emergency and Green resources
- How to contact your dedicated WSCA team

CD-Rom– For agencies that do not have access to the web MSC will send out training packages with contract information

- Overview of the WSCA program and pricing
- Overview of the MSC website and registration process
- Overview of MSC ordering options and customer service processes
- Introduction to product training resources
- Introduction to, Safety, Emergency and Green resources
- How to contact your dedicated WSCA team

4. PROJECT SPECIFICATIONS

1000 points is the total amount of points allowed for this solicitation. The desirable section of this RFP shall represent 50% (500 points) of the total points awarded for this solicitation. 50% (500 points) of the total points awarded shall be for the pricing section of this solicitation, i.e. Attachments H and I.

4.1 RETURN POLICY

What is your standard return policy?

Returns—Except as otherwise provided, no material will be accepted for return after 30 days from date of shipment. To return merchandise, you must call MSC at 800-645-7270 for a Return Authorization number. For machinery returns or repairs, call MSC machinery service at 800-753-7995. No returns will be accepted without a Return Authorization number. Include with your return a copy of your invoice or

packing slip. All merchandise must be returned in its original packaging and condition. Any claims for discrepancies in shipment must be made within 7 days of receipt of merchandise. C.O.D. returns will not be accepted. Shipping charges for returned items must be prepaid. No return of altered or etched items. A restocking charge may be applied. Customers are required to inspect all hazardous materials deliveries prior to accepting the delivery. Unaccepted hazardous materials can be returned to MSC through the freight company that delivered the materials by not accepting the delivery. Once hazardous materials or non-hazardous materials that can become hazardous waste (e.g. broken fluorescent bulbs) are accepted for delivery, MSC is unable to take these items back. The Customer takes ownership and is responsible for proper handling, use and disposal/recycling in accordance with federal, state and/or local regulations. Computer Software: Unopened Software may be returned for credit. Opened Software will be replaced only if defective.

Repairs—Please call our Technical Service Department at 800-645-7270 for the address and phone number of the authorized service center nearest you.

Items left after 60 days of notification of repair will be disposed of.

Cut-to-Length Products: Because of the special nature of the products, we will be glad to cut products to length per your specifications. We reserve the right to charge a service fee for difficult or multiple cuts per item. Cut-to-length products, however, are considered final sale, and may not be returned for credit.

4.2 DISTRIBUTION POINTS

It is desirable that a successful proposer has inside and outside sales staff and distribution facilities located in all Participating States or geographic area offered. Proposers must provide the locations of their distribution points and information regarding sales staff for each Participating States or geographic area offered.

MSC Industrial Supply has over 90 branches and four major Customer Fulfillment Centers strategically located throughout the United States to serve your needs quickly and efficiently. No matter where you are, we can get inventory to you fast.

**A Multi-State Contract for Facilities Maintenance, Lighting Products,
Industrial Supplies and Tools
Request for Proposal No. 1862**

MSC's business philosophy has been to create a model that provides customers with the right product at the right time that compliments cost saving goals while increasing productivity and minimizing worker risk. Our business model leverages our four centralized stocking giant customer fulfillment centers, outstanding logistics network which deploys product faster with minimum back orders delivering your order at a 99% first pass fill rate. MSC believes that delivering your product directly to your member locations is the most effective way to get the job done. Our goal is to let our procurement system work for your members in order to provide the best overall procurement value.

Each of our four Customer Fulfillment & Call Centers is staffed with a full compliment of experienced Customer Service Representatives, ECSR and Sales Managers who are ready and able to take your orders. Our standard 800 phone number is routed fluidly within our call center network in order to provide seamless custom service support throughout the country.

Each of our Branches is staffed with trained and experienced Inside Sales Associates, Inside Sales Supervisors, Outside Sales Associates, VMI Sales Reps and Branch Managers. Each of the branches provides service for customers who prefer local support. In addition MSC has strategically located specialists (Customer Solutions Project Managers, Metalworking Specialist, Machinery Specialist and to support special request) Please see our CFC and Branch Listings below.

4.3 CONTRACT MANAGEMENT

Describe the Proposer's strategy for contract management and sales support including roles and responsibilities as they relate to each participating state for each of the proposed account teams that will handle contract management issues.

MSC will deploy a team of WSCA Contract Program Managers who will be responsible for all aspects of the MSC-WSCA program for each of their respective territories. These Contract Managers will be the main point of contact for the Participating WSCA States in their area as it relates to customer support, training, logistics, reporting and integration. Each of these WSCA Contract Program Managers will conduct quarterly review meetings with each of their WSCA States in which they will provide sales reporting, sale trends, best demonstrated practices, and cost saving documentation as well as discuss areas of improvement for the upcoming quarter.

4.3.1 It is desired that proposers have a representative(s) that has the sole responsibility of management of this WSCA contract. Provide a list the name(s) and title(s) of the dedicated WSCA representative(s) per region or State.

David Ottenstein, WSCA Program Manager

Education: B.B.A , Finance – James Madison University

Professional Experience: 25 years experience in support business management.

Responsible: David Ottenstein will manage all aspects of the WSCA program including the MSC team members assigned to support the implementation of a successful award to ensure alignment with goals of each participating state

Michael Jones, WSCA Contract Manager

Professional Experience: 20 years experience in support of business management.

Responsibility: Michael Jones will coordinate the daily operations and marketing of the WSCA program within the participating states in the Western USA.

TBD, WSCA Contract Manager

Responsibility: MSC will also deploy an additional WSCA Contract Manager (based in the Eastern US) who like Michael Jones will be responsible for the participating states in the Eastern USA.

The MSC State Account Management Team (12 MSC Associates regionally based) will actively support the promotion and implementation of the WSCA program throughout the USA as our primary segment strategy. MSC's State Account Management team will leverage our complete resources in order to support the WSCA program.

4.3.2 Does your contract management include customer training? Please provide a detailed narrative including, at a minimum, the following:

As the worlds largest industrial supply catalog in the industry MSC offer WSCA members access to over 2000 suppliers representing most of the top brands in the world. Our resource section on www.mscdirect.com offers you an array of training options of which many will be included in the contract. For additional certification training you can visit our quote training tool for a course listing and outline.

4.4 DELIVERY

Delivery time for in-stock items should not exceed 24-48 hours for all points within in the Participating States. Non-stocked items must be delivered within 10 working days. The Participating States reserve the right to impose restrictions. Explain in detail your delivery policy.

Get it Next Day!*

8:00 pm ET cut-off time on qualified orders*

- Later Ordering Time* – We are pleased to offer a national ordering cut-off time of 8 PM ET for this powerful, new, next day service. This will afford you extra time to place your order.
- Same Day Shipping Guarantee* – We continue to stand behind the only same day shipping guarantee in the industry.
- Get it Next Day* at no additional cost! Order by 8 PM ET you'll get your qualified* order the very Next Day* from any of our customer fulfillment centers to anywhere in the contiguous U.S.! MSC is the only industrial distributor with the unique distinction of being able to reach every zip code next day with no charge for the upgrade.

Customer Testimony
<p>Your Get It Next Day* at no extra charge* is very important to us when lack of product threatens to shut us down... Excellent service!</p> <p>Jewell Plowman <i>Varicore Tech Inc.</i> <i>Prinsburg, MN</i></p>

*SAME DAY SHIPPING GUARANTEE TERMS:

Provided the order is completed and received at the customer fulfillment centers before the applicable cut-off time on an operating business day, MSC will guarantee same day shipping (qualifying items placed in the carrier's hands) for any in-stock national catalog items (except machinery or items that require customized lengths, set-up or special packaging) if you are a qualified continental U.S. customer. The guarantee does not cover, and MSC shall not be responsible for, computer or electronic interruptions, mechanical or electrical breakdowns, strikes, riots, severe weather conditions, acts of God or any other forces beyond the reasonable control of MSC, LTL shipments and other non-scheduled carriers, branch shipments (due to earlier pickups), back ordered items, replacement orders, new accounts (first order), and orders requiring credit review.

*Alaska & Hawaii – Shipping 5-7 business days (Hazmat restricted)

4.4.1 Specify Guaranteed Delivery Time for In-Stock Items.

*Get it NEXT DAY:

MSC will upgrade qualifying orders to Next Day Air Saver, at no additional charge, at the customer's request. Qualifying orders are orders less than 50 pounds, shipping to customers located in the contiguous U.S., which cannot be delivered to the customer next day through our Ground Network, until 8:00PM ET from our customer fulfillment centers. The Next Day Air Saver upgrade does not apply to hazardous items (Note: Hazardous materials require special handling and are not service level guaranteed and may be subject to local, state and federal regulations which may delay or prohibit shipments.), back ordered items, direct ship items, branch shipments, VMI orders, international orders, items too large to ship air and any order that does not meet the terms of our Same Day Shipping Guarantee.

4.4.2 Specify Guaranteed Delivery Time for Non-Stock Items.

MSC has a first pass fill rate of 99+% that is supported by our enormous Big Book and next day delivery. Out of stock items will be delivered 3-10 business days. In the event delivery cannot be made within 10 days do to un- planned circumstance MSC will notify buyer immediately.

4.4.3 MSDS must accompany all orders at the time of delivery (where applicable).

The Participating States expect high delivery standards from all contractors. Penalties may be imposed on contractors that have continual late deliveries. These penalties may include but are not limited to cancellation of orders, request for discounted pricing, non-use of an offending contractor or cancellation of the contractor's participating addendum(s).

MSC will be happy to assist you with any competitive back order you experience.

4.5 SHIPPING

All shipments are to be delivered directly to the purchasing department/division address. All shipments shall include a packing label that includes at a minimum the following information on the outside of the package:

- Authorized Purchaser; **Yes**
- Delivery Address; **Yes**
- Purchasing entity and floor; **Yes – As long as it's included in the address**
- Contact; and **Yes – Currently included in the attention line**
- Telephone number. **Yes**

A packing slip shall also be included with each shipment, which shall include at a minimum the following information in no particular order:

- Line item description; **Yes**
- Date ordered; **Yes**
- Quantity ordered; **Yes**
- Quantity included in shipment; **Yes**
- Any backordered items; **Yes**
- Unit Price and extension; **Yes**
- Number of parcels; **Yes**
- Purchase Order Number; **Yes**
- Purchasing entity name; and **Yes**
- F.O.B. Destination. **Yes**

4.6 IMPLEMENTATION

Implementation of this contract is vital to the Participating States. Describe in detail your implementation program including an estimated time line to include at minimum the following points.

4.6.1 Describe in detail the Proposer's implementation plan, including all process steps.

MSC's immediate action plan will consist of meeting with the WSCA team to develop a National Marketing plan focused on promoting the value of the new partnership. Upon award MSC will mobilize the MSC WSCA Contract Program Management team to initiate the following actions:

MSC/WSCA conference calls

Immediately after award MSC will host conference calls inviting all WSCA participating state's purchasing directors. The purpose will be to introduce the MSC WSCA Contract Program Management team and to highlight the new MSC partnership. The MSC team will contact each WSCA procurement official to immediately execute the participating addendum. In conjunction the MSC WSCA Contract Program Management team will execute a nationwide training program that will educate the MSC's branch network, call center specialist, telesales team, branch sales associates, solution program managers and the MSC WSCA administration team.

MSC Strategic Meetings

MSC will schedule appointments with participating states in order to conduct strategy meetings to clearly define State's objectives and vision. Our goal is to develop true partnerships while understanding each State's challenge towards immediate cost saving goals.

Marketing

MSC understands that alignment to participating WSCA State's objectives and vision will be essential to effectively executing State Website marketing communications. MSC WSCA Contract Program Management team will work closely with participating State's contract manager and IT departments to expedite Web marketing messages in addition requirements to any e-commerce platforms.

Direct Mail Marketing

Upon approval of the MSC direct mail package, MSC will coordinate a mailer program to all WSCA participating States and targeted local government entities. This form of marketing has proven effective in driving contract awareness and contract benefits. Included in the package will be contract specifics, contact information and customization solution cost saving awareness.

Web- Based Marketing

MSC website has been voted "Best in Class" for many years. Immediately after award MSC will dedicate resources to implement the following:

- Announcement for the newly awarded WSCA contract and where to call for more information (approval by WSCA team)
- Design and activate a WSCA/MSA Splash page with contract information and MSC/WSCA contact links (approval by WSCA team)
- Creation of a WSCA news letter to be marketed on the MSC/WSCA State splash page (approval by WSCA)
- Various hyper links (connection links) to home pages for WSCA/MSA/STATE websites
- Dedicated WSCA e-mail address allows users access to the MSC WSCA Dedicated Customer Service Team

- Customers will have the option to sign up for e-mail marketing to receive contract updates, product alerts and much more to be house on splash page

Sales Marketing

Concurrently the MSC WSCA Contract Program Management team will strategically and geographically launch the deployment of MSC 1100 plus sales associates. This level of engagement by the MSC dedicated WSCA team will ensure the success launch of the WSCA program. MSC WSCA program managers will have direct alignment to State directors supporting execution actions in addition to weekly or monthly feed back.

The MSC WSCA Contract Program Manager will have quarterly meetings with WSCA State participating contract managers to review sales data, engagement activities and overall best demonstrated practices.

Training

Strong partnership begins with understanding the basics. MSC successfully utilizes many tools that have effectively and rapidly provides end users an understanding of how to leverage MSC values and efficient ordering processes. Upon conclusion of the Strategic meetings the MSC WSCA program management team will immediately coordinate the following:

- **State Department Meetings** – MSC will coordinate meetings with Key State department procurement officials (example – DOT, DOC, Facilities) in order to develop specific objectives.
- **Road Shows/Workshops** – MSC will partner with State and local government to initiate centralized training workshops
- **E-Learning**– MSC will customize our e-learning platform for a basic tutorial on the MSC value, the MSC WSCA program, How to navigate and various contact information.
- **CD-Rom**– MSC to distribute training CD-Rom for customers not having internet access

MSC represents over 2000 suppliers. Our field support alignment with those suppliers allows MSC to offer a variety of product training and technical support. The MSC WSCA Contract Program Managers will coordinate and customize quarterly product training upon request.

See Training Section

Tradeshows

MSC participates in many national, regional, market segmented and local tradeshows throughout the year supporting many different organizations. The MSC WSCA Contract Program Managers will immediately secure the necessary resources and vendor buy in to support State specific shows where procurement officials are the primary attendees.

4.6.2 Detail the specific information, resources, and assistance the proposer will require from each Participating State to implement the contract.

The MSC WSCA Contract Program Manager's goal with each Participating State is to clearly understand the State's procurement objectives, vision and challenges. The key resources and assistance required are as follows:

- A kickoff implementation conference call with each WSCA participating state
- A regular schedule time slot on the WSCA director call
- Expedient execution of a participating addendums by each participating state
- Meeting with the Participating State directors to review State's objectives, vision & challenges
- Coordinated meeting of the major State departments at a central location - used to develop specific department objectives
- State Marketing support – State website/announcements
- Support of the MSC/WSCA monthly news letter
- A designated State contact for on going contract management and quarterly reviews
- Featured participation in State Procurement trade show
- Quarterly update meetings to review contract performance

4.6.3 Describe how soon from execution of the Participating Addendum the online ordering system will be available to each Participating State. If a phased implementation is planned in terms of limited functionality vs. complete functionality, please specify.

Upon award MSC will begin internal processes that will make our standard website www.mscdirect.com available within 21 days for all participating states. Our e-commerce team will create individual splash pages with contract information and contact links. In addition our team will work with WSCA to create hyper links (connection links) to further market the benefits of our new partnership.

4.6.4 Describe in detail the Proposer's experience when implementing customer relationships of equivalent size and complexity.

MSC has extensive experience in implementing programs on a National scale. We have been awarded many fortune 500 National Account contracts such as Alcoa, International Paper, General Electric, Coca Cola and Disney.

MSC currently holds a GSA (# GS-06F-0010N) and USPS (# 2CRMOS-03-B-4457) contract, in addition to our recently USSHPLL Serve Mart award (GS-06F-8999) where we have recently implemented and opened Base Stores at Camp Leguene USMC MCB, Albany USMC MCLB and Quantico USMC HQ.

MSC has been building toward the WSCA opportunity for the past 5 years. Our strategic decision towards this partnership has driven our resources on working with individual states while focusing on brand recognition and choice. Over the past 6 years MSC has been awarded and implemented many State contracts such as New York, California and Texas.

Our implementation capabilities encompass many different actions, see some examples listed below:

- Conference calls
- E-commerce integrations
- Training workshops
- Strategic Road shows
- Hyperlinks
- Direct Mailing Marketing
- How to Guides
- Telesales Program Specialist
- Program Manager Specialist
- Webinars
- Product workshops
- Centralized meetings with Department heads
- Splash pages
- Partnership rollouts
- E-learning
- Deployment of 1100 experienced sales associates
- Telesales Marketing
- Mapping Tools

4.6.5 Describe any customization abilities for different States or political subdivisions within a Participating State.

MSC's 65 plus years experience in the industry enables us to create many customized programs for our diversified customer base. We have a proven ability to customize programs that allow customers to accelerate towards their goals and visions.

Some examples of MSC customization capabilities:

- o Customized Service enhancements
- o Work Flow controls
- o Specialized Training
- o CMI
- o Quote to Punch out
- o Motor Audits
- o E- Commerce efficiency
- o Procurement innovation
- o Pricing programs
- o VMI
- o Lamp & Energy Audits

Some examples of State Customized Programs:

- o California State Contract
 - Customized program for California Higher Education
 - E-commerce customization
 - Specialized training
 - Customized pricing
- o Commonwealth of Virginia
 - Customized program for the Commonwealth
 - Electronic **platform integration – EVA Platform**
- o Louisiana Multiple Award Schedule
 - Customized list of 25,000 items
 - Louisiana **DOT – Restricted product access**
- o State of Texas
 - University of Houston
 - Bevco
 - Ecoworx
 - Guardian Industries
 - University of Houston
 - Storeroom **vendor managed inventory solutions**

4.7 REPORTING CAPABILITIES

The proposer shall provide the State of Nevada Purchasing Division information on all reports that are available without charge, to include a brief description of the report and the frequency. The State of Nevada and Participating States will decide which reports are required and notify the suc-

successful proposer(s). If there are other reports available at additional pricing, information on these reports is also required. Please note the reporting requirement in the WSCA terms and conditions.

MSC offers a variety of data categories which enables customers to produce customized reports on www.mscdirect.com or through your WSCA contact.

Listed below are the data points in which a customer can request reports

Data Points		
<input type="checkbox"/> Customer Account	<input type="checkbox"/> Invoice Date	<input type="checkbox"/> MSC Base item number
<input type="checkbox"/> Order Number	<input type="checkbox"/> Item order number	<input type="checkbox"/> Contact Name
<input type="checkbox"/> Customer AKA number	<input type="checkbox"/> Catalog Page	<input type="checkbox"/> Catalog Price
<input type="checkbox"/> Customer P.O.	<input type="checkbox"/> Extended item price	<input type="checkbox"/> Item Description
<input type="checkbox"/> Brand Name	<input type="checkbox"/> Extended Catalog price	<input type="checkbox"/> Customer Name
<input type="checkbox"/> Line Item Quantity	<input type="checkbox"/> Line Item Category	<input type="checkbox"/> Net Price
<input type="checkbox"/> Line Item Description	<input type="checkbox"/> Order Date	<input type="checkbox"/> Order Source
<input type="checkbox"/> Payment Method	<input type="checkbox"/> Hazmat Item	<input type="checkbox"/> Unit of Measure
<input type="checkbox"/> Invoice number	<input type="checkbox"/> Order Quantity	<input type="checkbox"/> Packing Slip number
<input type="checkbox"/> Product Line	<input type="checkbox"/> Sales Representatives	<input type="checkbox"/> Ship to Address
<input type="checkbox"/> Ship to number	<input type="checkbox"/> NSN number	<input type="checkbox"/> Merchandise Total
<input type="checkbox"/> Freight Amount	<input type="checkbox"/> Sales Tax	<input type="checkbox"/> Merchandise+Freight+Tax
<input type="checkbox"/> Invoice Number	<input type="checkbox"/> Contact Name	<input type="checkbox"/> Invoice Date

In addition to the reporting capabilities requested above please thoroughly explain your company auditing policy to ensure that pricing and services are in compliance with the contract. Explain your policy for revenue recovery in the event that any auditing reveals incorrect pricing.

MSC is a US Fortune 1000 NYSE publicly traded Company and its audit committee charter are located on the MSC website (www.mscdirect.com) under the tab "About MSC" and under the sub-tab "Corporate Governance". The Company has an internal audit department which develops a risk based annual audit plan that is approved by the independent audit committee of the Company. The specific details of the audit plan can not be provided as the information is propriety to MSC; however, sales contract compliance is a component of the "audit universe" from which the annual audit plan is built.

4.8 SUSTAINABILITY/ENVIRONMENTAL PRACTICES

Sustainability and sound environmental practices are important to many of the Participating States. Thoroughly describe your sustainability and environmental practices that you currently have in place. This description should include the following:

MSC has initiated and continues it's efforts to promote sustainability and environmental responsibility both with our product catalog offerings as well as with actions within our facilities and neighboring communities.

MSC has incorporated this commitment for social environmental responsibility into our Code of Conduct. The environmental safety and health (ES&H) sections of the Code of Conduct are provided below.

Regulatory Compliance—The Company intends to conduct its business in compliance with all applicable federal, state and local statutes and regulations governing wholesale distribution.

Safety and Health Standards—We are all responsible for maintaining a safe workplace by following safety and health rules and practices. MSC is committed to maintaining its workplace free from hazards and to this end will perform risk assessments to identify potential safety and health concerns and take appropriate measures to eliminate or control identified hazards as well as comply with regulations in this regard. We will provide safety training and equipment to protect associates from injury. Associates at all levels are expected to maintain safety awareness, act responsibly and employ sound judgment at all times, including by immediately reporting accidents, injuries and unsafe equipment/practices or conditions to a supervisor or other designated person. We recognize that our ability to serve our customers is enhanced by a safe and healthful work environment. We also recognize that ongoing associate input and education is key to proactively identifying and solving health and safety issues. Safety committees may be used to encourage associate involvement with identifying potential safety issues and developing solutions. We will actively work to continuously improve the safety of our associates.

Health and Safety standards are:

Occupational Safety—We will identify and control potential safety hazards through proper training, design, engineering and administrative controls, preventative maintenance and safe work procedures. Where hazards cannot be removed or adequately controlled, we will provide personal protective equipment.

Emergency Preparedness—We will identify and assess potential emergency situations to minimize their impact on our associates and business through the creation of Emergency Action Plans and associate training.

Occupational Injury and Illness—We have procedures and systems in place to manage, track and report occupational injury and illness, including provisions to: encourage worker reporting; provide necessary medical treatment; investigate cases and implement corrective actions to prevent recurrence; and facilitate the return of associates to work.

Industrial Hygiene—Associate exposure to chemical and physical agents will be identified and controlled. When hazards cannot be adequately controlled by engineering and administrative means, associates will be provided with appropriate personal protective equipment.

Product Safety—We will quickly respond to and cease distribution of any products that have been identified to us with potential or known existing unacceptable health safety or environmental risks or do not comply with applicable law. We will strive to proactively ensure that suppliers provide us with products that are compliant to applicable laws and safe for use.

Environmental Standards—Environmental responsibility is an integral part of our business mission. Associates at all levels are required to follow company procedures designed to meet the standards set by applicable environmental regulations. We will strive to minimize environmental impacts from our operations to the communities that we operate in as well as natural resources. We will actively work to continuously improve our environmental protection programs. Our environmental standards are:

Environmental Permits and Reporting—We will obtain, maintain and keep current all required environmental permits and registrations necessary to conduct our business.

Pollution Prevention and Resource Reduction—We will strive to reduce or eliminate wastes at their source by means of process modifications, maintenance and facility processes, material substitution, conservation, and the recycling and re-use of materials.

Hazardous Substances—Chemical and other materials posing a hazard if released to the environment are to be identified and managed to ensure their safe handling, movement, storage, recycling or reuse and disposal.

Product Content Restrictions—We will not knowingly sell non-compliant products to our Customers. We will maintain an Environmental Health and Safety department to review products and evaluate their compliance with all applicable environmental laws and regulations regarding prohibition or restriction of specific substances, including labeling laws and regulations for recycling and disposal.

4.8.1 Describe Proposer’s environmental practices that are applicable to items that Proposer markets. Provide links to your published statements and policies.

MSC offers products that enable you to reduce water consumption, improve air quality, reduce electric, eliminate and/or reduce landfill waste, and reduce the consumption of natural resources. We continually work with our key manufacturers to understand the latest product developments with environmental issues to help our customers with the aforementioned initiatives.

Please use the link below to view our NINE Eco – Friendly categories

http://www1.mscdirect.com/content/solutions/ecoFriendly.html?cm_re=tpnv-_-res-_-ecof

In addition to our Green offering MSC incorporates an overall community partnership within our culture. Please refer to the following link to learn more about our Community Relations and Corporate Governance.

<http://www1.mscdirect.com/content/aboutmsc/corporategovernance.html>

4.8.2 Use of single plastic resins in plastic components weighing more than 100 grams; Clear and visible labeling of plastic types in components weighing more than 25 grams.

MSC is a leading national distributor representing over 500,000 sku's from over 2000+ manufacturers. It is very challenging to determine if all these products support this desirable component. As a distributor we have not been able to confirm our supplier's conformance to the use of single plastic resins in plastic components. MSC utilizes an internal process that analyzes supplier performance and strives to drive supplier improvements.

4.8.3. Avoidance of paints, including metallic paints on any internal or external plastic housings.

MSC is a leading national distributor representing over 500,000 sku's from over 2200+ manufacturers. It is very challenging to determine if all these products support this desirable component. MSC utilizes an internal process that analyzes supplier performance and strives to drive supplier improvements.

4.8.4. Equipment that is assembled in such a way that components may be dismantled easily so that individual components may be disassembled, separated, identified and reused or recycled easily.

MSC distributes items from Suppliers of electrical equipment who manufacture products that are compliant to the European Union's Directive on Restriction of Hazardous Substances (RoHS). This Directive limits

the amounts of lead, mercury, cadmium, hexavalent chromium, Polybrominated biphenyls (PBB's) and Polybrominated diphenyl ether (PBDE) in electrical and electronic equipment. Generally manufacturers of electronic equipment that manufacture products to meet RoHS compliance also comply with the EU directive on Waste Electronic and Electrical Equipment (WEEE) Recycling which requires not only the take-back at the end of life but mandates that individual components be easily disassembled for reuse and recycling.

4.8.5. Provide a list of products for which you provide end of life take-back and recycling (e.g. fluorescent lamps, batteries, solvents, metals, etc.). List subcontractors if any you use for these services. List any fees or conditions for these services. Certificates of Disposal must be provided for hazardous waste. This is an EPA requirement.

We know how important it is for you to dispose of your old lamps safely and in full compliance with state laws. That is why we have partnered with Veolia Environmental Services to assist you in disposing of your old fluorescent lamps, ballasts, and batteries. MSC has a "turn-key" solution to your waste disposal products ballasts, batteries, lamps, etc. This service provides the hazardous shipping labels, boxes, and pick-up. MSC continually adds products to our catalog which have eliminated and/or greatly reduced the hazardous substances typically used to manufacture those products.

The products shown below represent catalog prices. WSCA Purchase price (catalog price less WSCA discount) will include the recycling container, a polyliner, instructions, terms and conditions, a prepaid shipping label, processing and a certificate of recycling. Please visit www.mscdirect.com for additional information.

4.8.6. All proposers are encouraged to offer packaging which minimizes or eliminates the use of disposable containers; is made from recycled content; contains a minimum of 25% by weight of post consumer materials; and/or meets or exceeds the minimum post consumer content level for respective packaging in the U.S. Environmental Protection Agency Comprehensive Procurement Guidelines.

The suppliers of MSC boxes provide cardboard boxes made from recycled content which contains a minimum of 25% by weight of post consumer materials.

Proposers are encouraged to provide packaging that does not contain inks, dyes, pigments, adhesives, stabilizers, or any other additives to which any lead, cadmium, mercury or hexavalent chromium has been included as an element during manufacture or distribution in such a way that the sum of the concentrations levels of such lead, cadmium, mercury or hexavalent chromium exceed the following concentration level: 100 parts per million by weight (0.01%).

MSC works with packaging companies that provide cardboard that is made from recycled material and meets with the Coalition of Northeast Governors requirements to reduce toxic substances in packaging. The Toxics in Packaging Clearinghouse (TPCH) was formed in 1992 to promote the Model Toxics in Packaging Legislation. This model legislation was originally drafted by the Source Reduction Council of CONEG in 1989. It was developed in an effort to reduce the amount of heavy metals in packaging and packaging components that are sold or distributed throughout the United States

Describe in detail how your packaging complies with the above criteria. Describe in detail how your shipping promotes environmentally sound practices as listed above.

MSC is extremely concerned about our environment and this point is illustrated by our choices related to our packaging and shipping materials. MSC utilizes plastic air bags as our packaging and shipping material to protect our items from being damaged while in transit. These plastic air bags are made from recycled material and when our shipments are received by our customer these bags can be reused as well as recycled. As a distributor representing over 2000+ of the leading manufactures of MRO and metalworking products it is very difficult to determine which products are packaged using post consumer recycled materials. In speaking with our product management group, they know that some are, however we do not have specific data to provide a percentage.

4.8.7. Explain on-line search capabilities for products that are environmentally safe.

MSC offers products that are "Eco-Friendly" and they are available by using the following link:

http://www1.mscdirect.com/content/solutions/ecoFriendly.html?cm_re=tpnv_-_res_-_ecof

Products are marked in our catalog and on-line with prominent labels that indicate the categories of "Eco-Friendly" that they comply with. Customers are able to search online on www.mscdirect.com utilizing a key word search (green, or eco-friendly) or can use the link above to search by category.

4.8.8. Describe on-line and catalog descriptions that explain 3rd party certifications and in-house green labeling criteria.

Please see the attached link:

http://www1.mscdirect.com/content/solutions/ecoFriendly.html?cm_re=tpnv_-_res_-_ecof

MSC offers a wide variety of products that are designed to minimize their effect to the environment. A listing of these various product categories is provided below:

"Eco Friendly" Catalog offerings - we have teamed with our top suppliers to provide products that are cost effective and will also conserve energy and natural resources. We have identified eco-friendly items throughout our product offering in categories such as Janitorial Supplies, Electrical, HVAC, and Safety.

Green Cleaners and Fluids

MSC offers a wide variety of biodegradable cleaners, degreasers, and cutting fluids that help maintain a healthy environment and assist in the prevention of ozone depletion. We provide products with the Green Seal® Certification. Green Seal is an independent, non-profit organization that promotes the manufacture, purchase and use of environmentally friendly products and services.

Conservation

MSC carries products that can help save energy, conserve natural resources and support our overall goal of protecting the environment. Items include: energy-efficient lamps and lighting, photo-luminescent signage and safety products, HVAC products, automatic hand dryers, and hands-free water faucets and water coolers. In addition, MSC carries recycling kits to assist you in the recycling of products that contain hazardous materials. These products conserve energy and help to ensure that waste products are properly recycled or disposed of to minimize environmental impacts.

Renewable Energy Source

Products that can be recycled and kept out of the solid waste stream preserve the environment and sustain natural resources. MSC carries products such as power tools, flashlights, and two-way radios powered by rechargeable batteries. Advantages of these types of products include longer life cycle, greater power performance, and no self-discharge. Other renewable source products include glow-in-the-dark signs, which can be used in your facility to preserve energy and save you money!

Energy Star®

Energy Star is a joint program of the U.S. Environmental Protection Agency and the U.S. Department of Energy that promotes energy efficient consumer products. Energy Star products will help lower energy costs by using less energy to operate. MSC provides products (heating and cooling) that carry the Energy Star logo.

NEMA® Premium

NEMA (National Electrical Manufacturers Association) has established an energy efficiency motors program that provides highly energy-efficient products for consumers. Choosing energy efficient motors can reduce energy consumption lowering energy operating cost and improving overall system reliability.

Recycled Products

Every time you purchase recycled products, you are helping to conserve the environment's natural resources, including trees, water, electricity, and oil. MSC can offer you a number of products made from recycled materials, such as can liners and various paper products. Products made from recycled content help to preserve natural resources.

Low VOC

Traditional paints and finishes release low levels of harmful toxins into the air caused by a variety of VOCs (Volatile Organic Compounds). New environmental regulations in many states have prompted the development of low VOC paints and finishes that are less harmful to the consumer and the environment.

Greenhouse Gas Free

MSC Industrial Supply has over a hundred products that are Greenhouse Gas Free, meaning they do not contain any global warming agents. Try a Greenhouse Gas Free alternative today to help reduce the impact these types of products can have on the environment.

4.8.9. All drums shall remain the property of the supplier. Empty drums shall not become the property of the affected state entity under any circumstance or condition. All empty drums, including their respective caps, plugs, or bungs, shall be collected by the supplier within a reasonable time frame specified by the affected state entity for reuse or recycling via the most reasonable transport method.

In accordance with our Terms and Conditions once hazardous materials or non-hazardous materials that can become hazardous waste are accepted for delivery, MSC is unable to take these items back. The Customer takes ownership and is responsible for proper handling, use and disposal/recycling in accordance with federal, state and/or local regulations. Any type of program to take back empty (as defined by the Federal EPA and/or state or local environmental agencies) will need to be established through a third party as a possible added cost.

4.9 DISASTER RECOVERY

Please describe your emergency management plan to aid States during an emergency or disaster recovery. Be specific as to response time, supplies availability and other goods and services that you offer.

MSC Industrial Direct, Inc. (MSC) recognizes the need to be prepared to minimize the impact to MSC and its customers/suppliers in the event of a disaster. In order to fulfill this need, MSC has developed recovery procedures that ensure continuous business operations of critical functions in the event of a disruption of business.

Emergency response orders due to natural disasters or threat of war, which are sent to MSC during normal business hours, will be shipped 24 hours a day, seven days a week, and delivered either the same day or the following day as specified. Customer may incur a separate shipping charge for this service. To meet the emergency demand requirements, MSC will maintain a designated point of contact that is available 24 hours a day seven days a week.

If the emergency order involves truckload quantities, and the carriers are not able to respond the day the order is received, MSC will contact the person designated on the order for further instructions. Emergency orders may be shipped using manually prepared shipping documents. However, acknowledgement of the orders and other required information will be electronically transmitted back to the WSCA entity.

MSC Industrial Direct has developed its own Emergency Preparedness program (see attached catalog) in which MSC can take the worry out of the storm. From generator's to flashlights, tarps to batteries, wet/dry vacs to pumps, first aid kits to water, MSC has everything you'll need to prepare for any emergency. MSC can help provide WSCA's Participating Members with free consultative services in order to help them prepare for natural disasters in order to minimize the damage during the storm as well as to help them recover after the event. In post-disaster situations MSC will designate specific Company contacts who will be able to arrange the shipment of trailers (working with our Logistics Team) loaded with supplies into disaster stricken areas. The time line for this type of response will be determined by local Authorities. MSC can provide water and other basic necessities as part of our response. The nature of MSC's logistics program will keep it operational and functional regardless of location or severity of the affected geographic area.

Your source for emergency preparedness – Let www.mscdirect.com plan and keep you informed for an emergency. From helpful emergency links (EPA, FEMA, HOMELAND SECURITY, CDC, NERT, WEATHER CHANNEL AND RED CROSS) to a huge selection of emergency products to help you through any emergency.

4.10 EMERGING SMALL BUSINESS (ESB), MINORITY BUSINESS ENTERPRISE (MBE), WOMEN BUSINESS ENTERPRISE (WBE), and DISABLED VETERAN OWNED BUSINESS

Some Participating States, may desire to purchase products and services from ESB/MBE/WBE/DV companies. Some Participating States may or may not have an ESB/MBE/WBE/DV program and therefore each state will integrate this desirable into its Participating Addendum, if applicable. In some Participating States, to qualify as an ESB/MBE/WBE/DV supplier the listed companies must be registered with either the government or a recognized certifying entity and provide a certification type and number. Registered ESB/MBE/WBE/DV companies must be operating from a legitimate commercial site, carry all applicable

insurance policies, required business licenses, and have operated continuously for at least two years. Please explain how the Proposer will provide opportunity for, ESB/MBE/WBE/DV companies.

At a minimum, the following policies and practices must be described in detail:

4.10.1 Describe in detail how the Proposer will work with the registered companies to determine what products can be a part of the contract.

MSC is dedicated to supporting small business. We currently have a process on www.mscdirect.com that allows small business enterprises to become a partner with MSC.

MSC is dedicated to supporting small business. Over the course of the past several years MSC has developed working relationships with many ESB/MBE/WBE companies located across the USA.

DIVERSITY

Become a Small Business Vendor

If you are a small business and have a new or unique product opportunity that will deliver greater value to our customers and you would like to join forces with MSC Industrial Supply, e-mail us at cust_service@mscdirect.com or write us to request a "New Supplier How-To Package":

Product Management/New Product Inquiries
MSC Industrial Supply Co.
75 Maxess Road
Melville, NY 11747-3151

Become an Small Business Partner

If you are a SBA certified small business registered with ccr.gov and interested in becoming an MSC Industrial Supply authorized small business, e-mail your request for a small business information package to diversity@mscdirect.com.

If you are a customer interested in learning more about our small-business program, or you would like to order MSC Industrial Supply products from an authorized small business, e-mail your request for information to diversity@mscdirect.com or call 1-800-645-7270.

Small Business Reporting

MSC Industrial Supply is a GSA Multiple Award Schedule holder on the Hardware Superstore, Schedule 51V. We are also an authorized MRO contract supplier to the USPS, and provide both the GSA and USPS with small business subcontract reporting throughout the year.

For further information on our Diversity Programs, please e-mail us at govteam@mscdirect.com.

4.10.2 Describe in detail how the Proposer will track all ESB/MBE/WBE Products and services, including ordering, delivery, and invoicing.

MSC currently has a process in place which earmarks and tracks all ESB/MBE/WBE Products and services. This report is available upon request.

4.10.3 Provide a list of Products that may be available to be purchased from ESB/MBE/WBE companies under the proposed Contract.

MSC currently has many products available for purchase from ESB/MBE/WBE Companies/ Manufacturers. MSC can provide a list of these products upon request.

4.10.4 Describe how Proposer will make best efforts to increase the number of Products available to Authorized Purchasers under the Contract acquired from ESB/MBE/WBE businesses.

MSC continues to build its ESB/MBE/WBE partnership program as evidenced by our website. As we continue to build out our program the number of products has grown and will continue to grow over time. MSC strives to cultivate key ESB/MBE/WBE relationships with our suppliers and vendors. Our goal is to grow our supplier diversity base while developing new business opportunities for ESB/MBE/WBE companies to partner with MSC.

4.10.5 Describe what other products or services the Proposer can offer within a category that supports ESB/MBE/WBE suppliers.

The goal of MSC's Diversity program is to increase our relationships with ESB/ MBE/WBE businesses by developing additional business opportunities for our suppliers, vendors, and customers

4.11 Community Rehabilitation Program (CRP) / Qualified Rehabilitative Facilities (QRF):

4.11.1 Describe how the Proposer supports the use of products and/or services sourced from QRF and the CRP programs.

MSC is an authorized Ability One (formerly JWOD) distributor and supports its participating agencies. You can see our Ability One product offering by logging on to mscdirect.com.

4.12 RETAIL STORE PURCHASES/WILL CALL:

Describe the availability of contracted items through Proposer's branch locations. Please provide a list of branch locations that provide a will call service in each of the Participating States.

Provide a narrative that explains how authorized purchasers will be able to make purchases at will call branch locations, make payment for those items and have those items included in the reporting described as described in Section 4.7.

MSC has over 100 branch locations and 4 Customer Fulfillment Centers (see locations attached) all of which can provide will call service. Our AS400 system allows our associates to enter orders under the proper account which will ensure those items are captured in the desired reporting requested. Customers who wish to pick up from one of our branch locations can call to place an order. Our local associates will inform the purchaser when they can pick up the merchandise. MSC policy is to have customer sign packing slips, record driver license or company ID and keep packing slip documents on file.

Our business strategy is to provide an integrated, lower cost solution to the WSCA participating states. Our business model leverages our four giant customer fulfillment centers, outstanding logistics network which delivers your order at a 99% fill rate virtually eliminating back orders. MSC believes that delivering your product directly to your member locations is the most effective way to get the job done. Our goal is to let our procurement system work for your members in order to provide the best overall procurement value.

Each of our four Customer Fulfillment & Call Centers is staffed with a full compliment of Customer Service Representatives and Managers who are ready and able to take your orders. Our standard 800 phone number is routed fluidly within our call center network in order to provide seamless custom service support throughout the country.

Each of our Branches is staffed with both trained and experienced Inside Sales Associates and Inside Sales Supervisors as well as trained and experienced Outside Sales Associates and Branch Managers. Each of the branches provides support for customers who prefer local support. Please see our CFC and Branch Listings below.

4.12 GROWTH INCENTIVES:

4.13.1 Describe in detail any contract growth incentives, e.g. larger revenue, different levels of discounts for large orders that may be offered to the Participating States/purchasing agency.

As part of MSC's normal business practices we offer quote based pricing for large orders. This can be coordinated through your local Sales Associate, local customer service branch and our call centers.

4.13.2 Describe in detail any incremental pricing incentives for on-line ordering verses fax or call in ordering.

MSC has the ability to offer discount incentives for on-line ordering as part of our Ecommerce program. This can be negotiated within each State's participating addendum.

5. COMPANY BACKGROUND AND REFERENCES

5.1 PRIMARY PROPOSER INFORMATION

Proposers must provide a company profile. Information provided shall include:
Please see MSC 2009 ANNUAL REPORT in Pricing Proposal.

5.1.1. Company ownership (sole proprietor, partnership, etc).

MSC is a publicly held company that is traded on the NYSE under the symbol "MSM"

5.1.1.1. Incorporated companies must identify the state in which the company is incorporated and the date of incorporation. Please be advised, pursuant to NRS §80.010, incorporated companies must register with the State of Nevada, Secretary of State's Office as a foreign corporation before a contract can be executed between the State of Nevada and the awarded proposer, unless specifically exempted by NRS §80.015.

Sid Tool Co., Inc. d/b/a MSC Industrial Supply Co. is incorporated in NY as of 9/1946

5.1.1.2 The selected proposer, prior to doing business in the State of Nevada, must be appropriately licensed by the Department of Taxation, in accordance with NRS §360.780.

State Registration c6753-1998

Sales tax license # 010-1001865162

5.1.2 Disclosure of any alleged significant prior or ongoing contract failures, contract breaches, any civil or criminal litigation or investigation pending which involves the proposer or in which the proposer has been judged guilty or liable. Officers of the corporation involved in any litigation?

MSC is not the subject of any contract failure, contract breach or civil/criminal litigation or investigation that is significant to MSC's business. None of MSC's officers are involved in litigation relating to MSC.

5.1.3 Location(s) of the company offices and location of the office that will provide the services described in this RFP.

5.1.7 Company background/history and why proposer is qualified to provide the services described in this RFP.

MSC Industrial Supply Co. is a \$1.8 billion nationwide distributor specializing in providing MRO and Metal-working supplies to the industrial, commercial and government segments. MSC was founded in 1941, and for more than 68 years has been the most dependable and responsive team in the business. MSC consistently provides its customers with the best quality, value and service. This is accomplished by leveraging our world class logistics system, our enormous buying power, best in class e-commerce capabilities and our unbelievable breadth of over 500,000 items that are in stock and ready to shop today. In addition, an integral part of MSC's Mission Statement, and single focus of every associate, is "To be the best industrial distributor in the world." In other words, we strive to every day to be the BEST supplier you work with.

The MSC Difference:	
o 99+% Fill Rate	o www.mscdirect.com – e-commerce integration
o Same day shipping	o Flexible ordering options
o Good-Better-Best Product offering	o Flexible billing options
o Big Book – World's largest Industrial Supply catalog	o 4 Giant, Fully stocked customer fulfillment centers
o Over 500,000 plus sku's	o Emergency preparedness
o Inventory Solutions	o Technical Support
o Local Sales Team Support	o Non-Catalog Items Support
o Enhanced shipping until 7pm	o Green Product offering

MSC Timeline	
1941:	Sid Jacobson founded Sid Tool in New York
1964:	Published its first catalog, The Big Book™. Moved operations from New York City to Ames Court in Plainview, Long Island - MSC's first Customer Fulfillment Center
1969:	Entered into computerized inventory management and order processing, one of the first distributors to do so
1978:	Established a fully integrated Quality Assurance Department, one of the first distributors to do so
1982:	Sid Jacobson's son, Mitchell Jacobson, became President of MSC
1988:	Offered UPS 1- to 2-day delivery
1988:	Opened its first branch in Pawtucket, RI
1989:	Introduced Total Quality Management
1990:	Opened a second Customer Fulfillment Center in Atlanta, GA
1991:	Started the industry's first Same Day Shipping Guarantee
1994:	Began major product expansion into MRO type product categories
1995:	Began trading on the NYSE (ticker symbol MSM)
1996:	Opened a third Customer Fulfillment Center in Elkhart, IN
1997:	Relocated its Plainview, NY, Customer Fulfillment Center to Harrisburg, PA
1998:	Moved its Customer Support Center/Corporate Headquarters to Melville, NY
1999:	Opened a fourth Customer Fulfillment Center in Reno, NV

MSC Timeline

2000:	"Big Book" items offered on the Internet
2002:	Awarded GSA Contract #GS-06F-0010N
2003:	Awarded USPS MRO Contract #2CMROS-03-B-4457
2004:	Started the West Coast expansion by opening our first sales office in Southern California (the Los Angeles sales office)
2005:	David Sandler promoted to CEO. Launched New Keyword Search on msdirect.com.
2006:	MSC acquires J&L Industrial
2007:	Successfully merged J&L's systems to MSC's computer systems. Completed the integration of the J&L distribution centers, positioning MSC to begin working on full integration and offering customers the best of both worlds.
2008:	MSC launched its "Get It Next Day...at no additional cost" program with a standard national ordering cut-off time of 8:00PM ET.
2008:	MSC fully integrated J&L and launched a new brand, "MSC/J&L Metalworking", focused on offering technical information and assistance, products and services targeted towards our metalworking customers.
2009:	MSC completed the final phase of the brand transition and MSC/J&L Metalworking became MSC Industrial Supply - Metalworking's Best Choice. The focus continues to be on metalworking - offering customers best-in-class service and technical assistance.

Our business strategy is to provide an integrated, lower cost solution to the purchasing, management and administration of our customers' MRO needs. We add value to our customers' purchasing process by reducing their total costs for MRO supplies, taking into account both the direct cost of products and the administrative, personnel and financial cost of obtaining and maintaining MRO supplies.

We reduce our customers' costs for their MRO supplies in the following manner:

Our extensive product offerings allow customers to reduce the administrative burden of dealing with many suppliers for their MRO needs;

We guarantee same-day shipping of our core business products and offer next day delivery on qualifying orders placed up until 8:00 P.M. Eastern Time, which enables our customers to reduce their inventory investment and carrying costs;

We consolidate multiple purchases into a single order, provide a single invoice relating to multiple purchases over varying periods of time and offer direct shipments to specific departments and personnel within a single facility or multiple facilities, allowing our customers to reduce administrative paperwork, costs of shipping and personnel costs related to internal distribution and purchase order management;

We have extensive eCommerce abilities that enable our customers to lower their procurement costs. This includes many features such as swift search and transaction abilities, access to real-time inventory, customer specific pricing, workflow management tools, customized reporting and other features. We can also interface directly with most purchasing e procurement platforms

We offer inventory management solutions with our Customer Managed Inventory ("CMI"), Vendor Managed Inventory ("VMI") systems and vending solutions that can lower our customers' inventory investment, reduce sourcing costs and out of stock situations and increase business efficiency.

Our customers include a wide range of purchasers of industrial supply products, from individual machine shops to Fortune 100 as well as Fortune 1000 companies, to government agencies such as the General Services Administration ("GSA") and the Department of Defense. We have approximately 379,000 active customers (companies that have purchased at least one item during the past 12 months).

5.1.8 Length of time proposer has been providing services described in this RFP to the public and/or private sector. Please provide a brief description.

MSC Industrial Supply Co. has been providing Metalworking supplies to the industrial, commercial and government segments since our inception in 1941. In 1994 we expanded our product offering to include MRO and were awarded our first State contract in 2001 (NY). In the following years we secured our GSA contract (2002) and our USPS contract (2003). Since 2007 MSC has had a Dedicated State Government Team that has successfully secured and serviced many State, City, Municipal, Educational, State Agency and State Contracts.

Has the proposer ever been engaged under contract by any Participating State?

Yes [] No If “Yes,” specify when, for what duties, and for which agency.

Date of Contract	Type of Contract	State	State Agency
6/30/2011	PSS Cooperative Contract MRO Supplies	Arkansas	Entire State
6/21/2007	MRO Contract	Connecticut	Entire State
10/1/2010	Tools, Hand Held, and Hand Held Power Tools ITB #24-445-00-Z	Florida	Entire State
11/1/2009	Misc. hand & power tools	Iowa	Iowa DOT

7/10/2006	Industrial Supplies GSA Schedule BDA # 1	Vermont	Entire State

5.1.10 Is the proposer or any of the proposer’s employees employed by a Participating States or any of its political subdivisions?

[] Yes No If “Yes,” is that employee planning to render services while on annual leave, compensatory time, sick leave, or on his own time?

5.1.11. Financial information and documentation to be included in Part III of your response in accordance with the Submittal Instructions.

5.1.11.1. Dun and Bradstreet number
932619265

5.1.11.2. Federal Tax Identification Number
13-5526506

5.1.11.3. The last two - (2) years and current year interim: Profit and Loss Statement, Balance Statement

[See MSC 2009 Annual Report in the Price Proposal](#)

5.1.12. Is the proposer currently under litigation in any Participating State? If the answer is yes please briefly describe.

MSC is not the subject of any contract failure, contract breach or civil/criminal litigation or investigation that is significant to MSC's business. None of MSC's officers are involved in litigation relating to MSC.

5.1.13. Has the proposer been party to any litigation in the past? If the answer is yes please briefly describe.

MSC is not the subject of any contract failure, contract breach or civil/criminal litigation or investigation that is significant to MSC's business. None of MSC's officers are involved in litigation relating to MSC.

5.2 REFERENCES

Proposers shall provide a minimum of three (3) references from similar projects performed for private, state and/or large local government clients within the last three years. Proposers are required to submit Attachment D, Reference Form to the business references they list. The business references must submit the Reference Form directly to the Purchasing Division. It is the proposer's responsibility to ensure that completed forms are received by the Purchasing Division on or before the proposal submission deadline for inclusion in the evaluation process. Business References not received, or not complete, may adversely affect the proposer's score in the evaluation process. The Purchasing Division may contact any or all business references for validation of information submitted.

6. SUBCONTRACTOR INFORMATION

6.2 Does this proposal include the use of subcontractors?

Yes _____ No **XX**_____ Unknown _____

If "Yes", proposer must:

- 6.1.1 Identify specific subcontractors and the specific requirements of this RFP for which each proposed subcontractor will perform services.
- 6.1.2 Provide the same information for any proposed subcontractors as requested in the Primary Proposer Information section.
- 6.1.3 References as specified above must be provided for any proposed subcontractors.
- 6.1.4 The State may require that the awarded proposer provide proof of payment to any subcontractors used for this project. Proposals should include a plan by which, at the State's request, the State will be notified of such payments.
- 6.1.5 Primary proposer shall not allow any subcontractor to commence work until all insurance required of the subcontractor is provided to the using agency.
- 6.1.6 Primary proposer must notify the using agency of the intended use of any subcontractors not identified within their response and receive agency approval prior to subcontractor commencing work.

**REQUEST FOR WAIVER
RECIPROCAL LIMITATIONS ACT**

The Reciprocal Limitations, 62 Pa.C.S. § 107, requires the Department of General Services: 1) to include in all invitations for bids for the procurement of supplies exceeding \$10,000 a list of all the states that have been found by the department to have applied a preference favoring in-state supplies and bidders and the amount of the preference; and 2) to apply a reciprocal preference to Pennsylvania bidders and those bidders offering Pennsylvania supplies as against bidders resident in one of the listed states or bidders offering supplies from one of the listed states.

The Bureau of Procurement of the Department of General Services intends to enter into a Statewide Contract for Maintenance, Repair, and Operation (MRO) materials. The lists of Materials are so large and fluid that the distributor has no realistic way of listing every location of the source of supply for the items in their catalog. Application of the Reciprocal Limitations Act would require bidders to identify the state of manufacture for each and every part on the lists. The price lists of both manufacturers contain so many different items manufactured from so many places that it is impossible or impractical to attempt to identify the source of manufacture. It would be a severe hardship on the prospective bidders to identify each source. In addition, it would present a very difficult challenge for the Commonwealth to review and analyze all of the state of manufacture information. All bids will be based upon the same list, and, therefore, the state of manufacture chart should be identical for all bids. Therefore, identification of the state of manufacture for the thousands of parts would be of no value, since (with all charts being identical) there would be no reciprocal bid preference given to one bidder over another.

The Reciprocal Limitations Act does provide a waiver. In 62 Pa.C.S. § 107 (i), Waiver, it states, as follows.

- (i) Waiver. The provisions of this section may be waived when the head of the purchasing department determines in writing that it is in the best interests of the Commonwealth.

I request that the requirements of the Reciprocal Limitations Act be waived for Maintenance, Repair, and Operation materials. I also request the delegation of the waiver to be assigned to the C.P.O. for future distributor contracts involving large catalog listings.

4/11/13

Kenneth Rapp
Deputy Secretary for Procurement
Bureau of Procurement

AUTHORIZATION FOR WAIVER

For the reasons outlined, I have determined that it is in the best interests of the Commonwealth to waive the requirements of the Reciprocal Limitations Act for Maintenance, Repair, and Operation (MRO) materials contracts.

Department of General Services

4/15/13

Sheri Phillips
Secretary
