

Commonwealth of Pennsylvania
Invitation to Qualify For National Emission Standards Compliance Services

PART III – OPEN ENROLLMENT PROCESS

There will be full time open enrollment for this ITQ contract. This enrollment period shall commence on the date this contract is issued and shall remain open throughout the life of the contract. All applications received from interested suppliers during this period will be processed and all suppliers whose applications meet the minimum requirements contained in Part II will be issued a contract.

The bid evaluation and contract execution process for a new supplier may take an estimated sixty (60) Commonwealth business days to complete. Please note that the bid evaluation and contract execution process may take longer to complete depending on the volume of bids received and the availability of Commonwealth resources.
