STATE OF MANUFACTURE CHART

THIS FORM MUST BE COMPLETED AND RETURNED WITH THE BID

The Reciprocal Limitations Act 146 requires the Department to give Pennsylvania resident bidders a preference against a non-resident bidder from any state that gives or requires a preference to bidders from that state. The amount of preference shall be equal to the amount of preference applied by the state of the non-resident bidder. More information on this Act, or how to claim preference, can be obtained at our internet site at www.dgs.state.pa.us, by faxing a request to 717 787 -0725, or by calling Vendor Services at 717 787-2199 or 4705.

All bidders must complete the following chart by listing the name of the manufacturer and the state (or foreign country) of manufacture for each item. If the item is domestically produced, the bidder must indicate the state in the United States where the item will be manufactured. **This chart must be completed and submitted with the bid or no later than two (2) business days after notification from the Department of General Services to furnish the information.** Failure to complete this chart **and provide the required information prior to the expiration of the second business day after notification shall** result in the rejection of the bid.

RE: Two-Way Radio Equipment & Services IFB 6100039075 Contract

Dear Gregg:

Tait Communications is a manufacturer/distributor of two-way radio communication products with our corporate offices located in Houston, TX. Our company has been providing products and services to the Two-Way Radio Communications Industry and marketplace in N. America for 51 years.

We have structured our organization to utilize Authorized Resellers and Distributors who are charged with the responsibility of soliciting and servicing our customers. We primarily sell, service and provide warranty support for our products through our indirect reseller network, which is in turn supported by our distributor network. However, in the event that the dealer becomes unable to maintain or support the equipment, Tait will directly guarantee maintenance and support per the terms of our Warranty Agreement.

Accordingly, please be advised that Eastern Communications is authorized by Tait Communications to sell and service all two-way radio communication products to any State and Local Government entities in Commonwealth of Pennsylvania as well as to any additional non-State entities authorized by the Commonwealth of Pennsylvania to procure products under any contract award resulting from their offering.
