#### **Header Text**

This contract covers the requirements of Commonwealth of Pennsylvania agencies for the predictive and preventive maintenance of proprietary facility control systems, i.e., systems that control heating, temperature control systems, software updates/upgrades and computer upgrades, ventilating, air conditioning equipment, etc., at various agencies. All Commonwealth agency locations and facilities statewide are eligible to utilize this contract. This contract is NOT intended for the procurement of new facility control systems or the expansion of existing systems.

The price list contained in the attached Rate Fee Schedule (Attachment A) is intended to be all inclusive of all services which may be required or rendered and will be used to verify hourly rates being quoted by the Supplier. The Rate Fee Schedule is divided into four (4) regions as defined on Attachment C – PA County Region Map. A travel time allowance of up to a total of two (2) hours per job visit will be accepted. When responding to RFQs, Suppliers must honor, or offer a reduced rate from, their submitted pricing listed in Attachment A - Rate Fee Schedule.
