Header Text

On March 19, 2020, the Governor's Office issued a General Purchasing Ban to limit spending of goods or services that are not critical to operations. The agency has determined through its internal approval process that this contract is absolutely critical to operations and the purchase does not violate the Governor's General Purchasing Ban. Additionally, the issuing agency conducted due diligence before issuing a solicitation via positive vendor affirmation and determined that there was sufficient competition due to the prevalence of teleworking allowing a preponderance of suppliers to have access to respond to the solicitation. The phased reopening of counties across the Commonwealth also allowed suppliers to respond to the solicitation in advance of execution of this Contract and work initiation dates. However, this does not alleviate agency responsibility to request approval to issue purchase orders against this Contract.
