Municipal Waste Removal Services						
Under this service category qualified contractors will be required to provide scheduled, on-call, seasonal, and emergency waste removal services. Contractors will also be required to provide various sizes (8, 10, 20 cu. yds), styles (bear proof, locking), and types (roll-off, open top) of waste containers. In addition, Contractors may be required to service Commonwealth-owned or leased containers.						
The types of waste covered by this category includes, but is not limited to, garbage or refuse resulting from the operation of residential, municipal, commercial, or institutional establishments; not meeting the definition of residual or hazardous waste.
