

# Contract Overview

Prior to utilizing this contract, the user should read the contract in its entirety.

## CONTRACT DESCRIPTION/HIGHLIGHTS

► This contract covers the requirements for all using Agencies of the Commonwealth and COSTARS members for Two-Way Radio Equipment/ Services.

► As of November 2020, the COPPAR review policy has been revised. Radios to be procured for use on the PA Statewide Radio Network, PA-STARNet, no longer must be approved through the COPPAR review process.

► Any equipment purchased from this contract that is intended to be installed or provisioned on the PA Statewide Radio Network, PA-STARNet, should be procured using guidance from an approved radios/required features list distributed quarterly by Pennsylvania State Police. Agencies should submit quotes to PSP for review before making purchases.

Statewide Radio Network Division  
Bureau of Communications and Information Services  
Pennsylvania State Police, 8001 Bretz Drive, Harrisburg, PA 17112

Phone: 717-772-8005 Fax: 717-772-8097 Email: [radio@pa.gov](mailto:radio@pa.gov)

► This is a multiple award catalog contract. Each supplier offers a specific manufacturer brand with a % discount off of current manufacturer price list.

► All discounts are defined in the contract document Appendix A, Manufacturer Discount List.

► All prices are F.O.B. destination.

► Contact supplier for price book listing.

► Awarded suppliers may update their contract price list twice a year during the months of January and July to reflect the introduction of new products manufacturer's price increases, as well as deletions and substitutions of a manufacturer's discontinued items. The percentage discounts may not be decreased during the term of the contract or any extension thereto.
