

# Contract Overview

Prior to utilizing this contract, the user should read the contract in its entirety.

## CONTRACT DESCRIPTION/HIGHLIGHTS

This Contract covers the requirements for storage devices for all using agencies of the Commonwealth and COSTARS members.

The Commonwealth must develop a statement of work (SOW) for related services utilizing the Statement of Work Template, which must be attached to the associated purchase order. A SOW is not required for standard maintenance and support, but the service level must be described on the quote and attached to the associated purchase order.

Maintenance/warranty services may be procured on this Contract and extend for up to four (4) years past the termination date of the contract.

DGS has identified this Contract as one which will be made available for COSTARS members' participation. Those suppliers having agreed to sell to registered COSTARS members are designated on the "Search Contracts" page of PA eMarketplace. "Yes" within the COSTARS column means the supplier has agreed to sell to COSTARS members. "No" within the COSTARS column means the contract for a specific supplier is not available to COSTARS members.
