AMENDMENT NUMBER 1
TO
CONTRACT NO. 4600016283

This Amendment No. 1 to Contract No. 4600016283 (the Contract) is by and between CANON (“Contractor”) and the Commonwealth of Pennsylvania, acting through the Department of General Services (“DGS”).

WHEREAS, the Contractor and DGS entered into the Contract, identified as SRM No. 4600016283, for the provision of Digital Multifunctional Devices beginning with contract execution and ending August 31, 2020;

WHEREAS, DGS desires to add Background Check Language to the Contract requiring Contractor to conduct background checks for each of its employees and the employees of its subcontractors.

WHEREAS, Contractor agrees to comply with these Background Check requirements.

NOW THEREFORE, for valuable mutual consideration and intending to be legally bound hereby, the parties agree as follows:

1. The following Background Check Language is hereby added to the contract:

Background Checks

a. The Contractor must, at its expense, arrange for a background check for each of its employees, as well as the employees of any of its subcontractors, who will have access to Commonwealth facilities, either through on-site access or through remote access. Background checks are to be conducted via the Request for Criminal Record Check form and procedure found at <http://www.psp.state.pa.us/psp/lib/psp/sp4-164.pdf> . The background check must be conducted prior to initial access and on an annual basis thereafter.

b. Before the Commonwealth will permit access to the Contractor, the Contractor must provide written confirmation that the background checks have been conducted. If, at any time, it is discovered that a Contractor employee has a criminal record that includes a felony or misdemeanor involving terroristic behavior, violence, use of a lethal weapon, or breach of trust/fiduciary responsibility or which raises concerns about building, system or personal security or is otherwise job-related, the Contractor shall not assign that employee to any Commonwealth facilities, shall remove any access privileges already given to the employee and shall not permit that employee remote access unless the Commonwealth consents to the access, in writing, prior to the access. The Commonwealth may withhold its consent in its sole discretion. Failure of the Contractor to comply with the terms of this Section on more than one occasion or Contractor's

failure to appropriately address any single failure to the satisfaction of the Commonwealth may result in the Contractor being deemed in default of its Contract.

c. The Commonwealth specifically reserves the right of the Commonwealth to conduct background checks over and above that described herein.

d. Access to certain Capitol Complex buildings and other state office buildings is controlled by means of card readers and secured visitors' entrances. Commonwealth contracted personnel who have regular and routine business in Commonwealth worksites may be issued a photo identification or access badge subject to the requirements of the contracting agency and DGS set forth in Enclosure 3 of Commonwealth Management Directive 625.10 (Amended) Card Reader and Emergency Response Access to Certain Capitol Complex Buildings and Other State Office Buildings. The requirements, policy and procedures include a processing fee payable by the Contractor for contracted personnel photo identification or access badges.

2. This Amendment shall become effective when it is fully executed by the parties and all approvals required by Commonwealth contracting procedures have been obtained, as indicated by the date of the last Commonwealth signature. This Amendment is not binding in any way on the Commonwealth or the Department until it has been fully executed, as prescribed in the preceding sentence.
3. Except as amended by this Amendment Number 1, all other terms and conditions of the Contract shall remain as originally written.

[THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, the parties hereto have signed this Amendment No. 1 to the Contract the day and year first above written. Execution by the Commonwealth will be as described in the Contract Terms and Conditions.
