Thank you, I am waiting for an addendum. Will it be posted on PAMarketplace? Do you know the previous bid #, because it's hard to find?

Ianna,

The answers to your first two questions are in the specs in the bid and the third you go into PA-Portal, Right To Know.

I am doing the addendum's tomorrow morning so check the solicitation.

Could you give us the number of the previous contract, so we can search for a tabulation on your website?

Thank you,

Dear Margaret Roberts,

I am very interested in bidding on the solicitation referenced above. As such I had a few questions I was hoping you could answer

- 1) Are there any limitations in subcontracting?
- 2) Are there any form of special certifications required?
- 3) What was the cost for these services last year and is it possible for you to provide a copy of last years bid tabulation along with the winning bidder?

In advance anticipation of your assistance I look forward to your reply and thank you for same.

Respectfully,
