Locating a Solicitation

Log into the [PA Supplier Portal](#) to search for and locate a specific Solicitation in SRM.

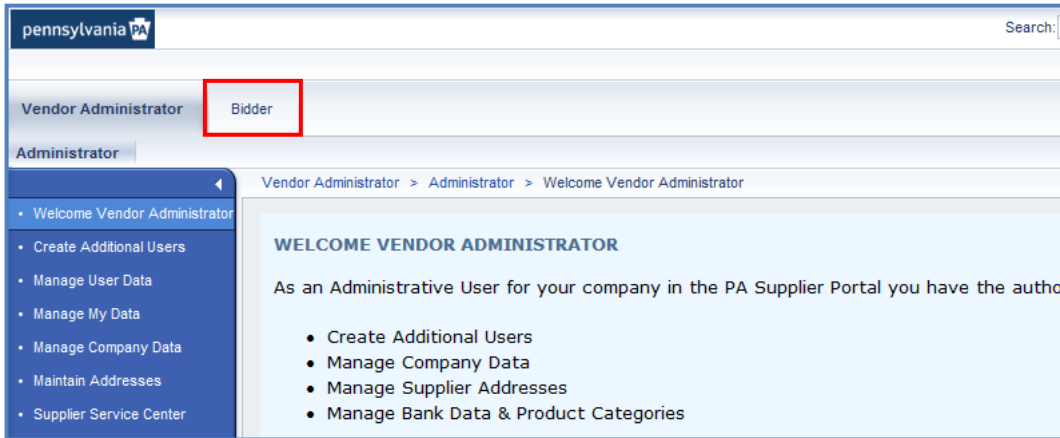

1. Open your web browser and enter www.pasupplierportal.state.pa.us.
2. Select the **Log on** button.

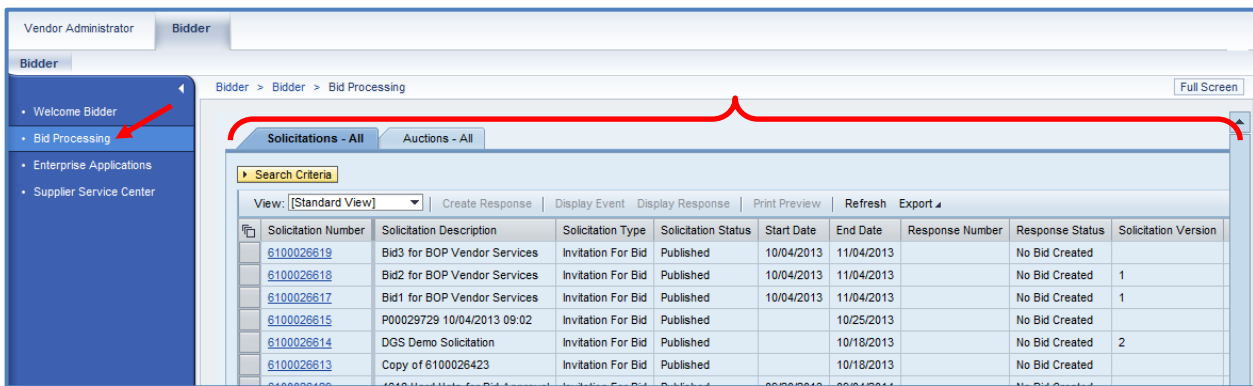

3. Enter the User ID and Password you created when you registered as a supplier, and select the **Log On** button.

- Choose the **Bidder** role to begin. (Note – If you have been assigned only the Bidder role by your company, you will not need to perform this step because it will already be chosen by default.)

The resulting *Bid Processing* screen opens and will display your Personal Object Worklist (POWL). By default, the POWL will display all Solicitations (or RFX's) which are currently open for responses.

- Select the **Search Criteria** button to display the available search fields.

By default, the **Solicitation Status** field will display Current RFX. However, you may adjust the search criteria in your POWL at any time to customize your queries.

The screenshot shows the 'Solicitations - All' search interface. The 'Search Criteria' section includes the following fields: 'Solicitation Number' (text input), 'Solicitation Status' (dropdown menu, highlighted with a red box and set to 'Current RFX'), 'Creation Date' (text input with a calendar icon), 'Deadline Date Flag' (dropdown menu), 'Status' (dropdown menu), 'Response Timeframe' (dropdown menu), and 'Smart Number' (text input).
