

Physician's Clearance for Respirator Fit Testing Pennsylvania State Police Fire Marshal Unit

Member's Name : _____

To the Physician:

The above named individual is a member of the Pennsylvania State Police Fire Marshal Unit. The duties of this position include assignments which may necessitate wearing Personal Protective Equipment (PPE) to include bunker coat, bunker pants, bunker boots, helmet, air purifying respirator and gloves. The combined weight of this PPE is approximately 40 pounds. Situations may also arise during field duties or training exercises that would require the use of SCBA with respirator. The physical activity engaged in during the performance of the duties of this position include: climbing, bending, kneeling, lifting, and digging. The member will perform these tasks during all seasons of the year and may be in an enclosed structure, partially collapsed structure or fully exposed to existing climate conditions.

Please check one block indicating your determination for the member:

- Member is physically cleared for half face/full face respirator Fit Testing without limitations.
- Member is **NOT** physically cleared for half face/full face respirator Fit Testing.
- Member is physically cleared for half face/full face respirator Fit Testing with the following **limitations:**
