To All Suppliers:

The Commonwealth of Pennsylvania defines a solicitation “Addendum” as an addition to or amendment of the original terms, conditions, specifications, or instructions of a procurement solicitation (e.g., Invitation for Bids or Request for Proposals), including but not limited to questions and answers, which are considered a material part of the solicitation.

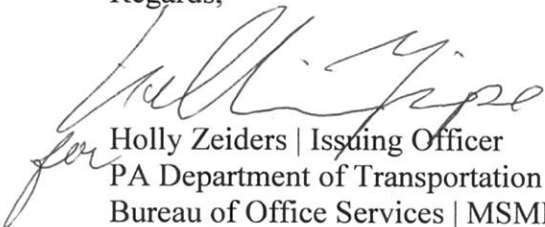

**Please see the following update:**

Addendum 7 does the following:

1. The Official Response to Contractor Questions was due to be posted on the DGS website today, June 20, 2017. In Addendum 6, the Pre-proposal Meeting was postponed and therefore, the Official Response to Contractor Questions is also postponed. We are working on rescheduling the Pre-proposal Meeting and will issue a subsequent Addendum to update the Calendar of Events to include the new Pre-proposal Meeting date and the Official Response to Contractor Questions issuance date.

Except as clarified and amended by this Addendum, the terms, conditions, specifications, and instructions of the solicitation and any previous Addendum(s), remain as originally written.
