Date: **12/7/2017**
Subject: **Rental of Portable Toilets and Septic Waste Removal Services**
Solicitation Number: **6100042301**
Due Date/Time: **12/11/17, 3:30pm ET**
Addendum Number: **2**

To All Suppliers:

The Commonwealth of Pennsylvania defines a solicitation “Addendum” as an addition to or amendment of the original terms, conditions, specifications, or instructions of a procurement solicitation (e.g., Invitation for Bids or Request for Proposals).

List any and all changes:

Q1. We would like to know approximately how many gallons the tanks are for the Septic Waste Removal portion of the bid. The Price submittal form just shows a minimum quantity of 250 gallons. Even a range would be helpful.

A1. This information is not currently available.

Q2. **Septic Systems’ Waste Removal Services:** Septic System Waste Removal Services consist of pumping, hauling, and disposing of septic waste. The service must take place within 48 hours of receipt of the Notice to Proceed, excluding weekends and holidays. Using agencies will request additional removal services, as needed. Is the waste removal bid only for the waste generated by the portable toilets or is this for other septic waste as well i.e. rest stops, permanent out houses, etc.?

A2. Yes.

Type of Solicitation: Electronic Bid (SRM) - Review the Questions section of your solicitation response to ensure you have responded, as required, to any questions relevant to solicitation addenda issued subsequent to the initial advertisement of the solicitation opportunity.

Except as clarified and amended by this Addendum, the terms, conditions, specifications, and instructions of the solicitation and any previous solicitation addenda, remain as originally written.

Respectfully,
