To All Suppliers:

The Commonwealth of Pennsylvania defines a solicitation “Addendum” as an addition to or amendment of the original terms, conditions, specifications, or instructions of a procurement solicitation (e.g., Invitation for Bids or Request for Proposals).

*List any and all changes:*

Appendices M on page iii , being removed from RFP#6100043131

The financial worksheet in Appendix M was over-specific and was too restrictive to allow bidders to clearly present their version of their financial plan for the program. Responding to the requirements in Part IV of the RFP will allow bidders to clearly present their financial plan. Therefore, Appendix M is being removed as a requirement of the RFP

Type of Solicitation: Hard Copy (Paper) Bid - If you have already submitted a response to the original solicitation, you may either submit a new response, or return this Addendum with a statement that your original response remains firm, by the due date.

Except as clarified and amended by this Addendum, the terms, conditions, specifications, and instructions of the solicitation and any previous solicitation addenda, remain as originally written.
