Pre-Bid Meeting of 08/24/2017, Questions and Answers.

1.

Question: Will contractor be permitted to store trucks at drivers' residences? Please put this in writing.

Answer: Trucks are the property of the contractor, If the contractor feels that the drivers' residence is a secure location than trucks can be stored there.

See SOW Section X. SPV Vehicle and Accessory Requirements Subsection G. Vehicle Maintenance and Storage.

2.

Question: Who is an authorize vendor for potential bidders to get quote for the PennDOT 800 MHz radios?

Answer: A qualified Vendor list attached.

3.

Question: What are the MBE/WBE/SBE required percentages for this project?

Answer: Because this project is receiving federal funds the Disadvantaged Business Enterprise program is required. Even though there is no percentage goal for this project, contractors are encouraged to involve Disadvantaged Business Enterprises, Small Business Enterprises, and small business concerns in the required work and to submit documentation of any such involvement in the response.

4.

Question 1: Do we (vendors) need to use PennDOT vendors to do the truck wrap graphics. Can we use our own vendor?

Answer: You can use your own vendor as long as it matches the graphic design set forth by Travelers Marketing

5.

Question: Do any SEMP/GREEN PLAN documents or paperwork need to be submitted at the time of the bid opening?

Answer: No. The Green Plan Policy is designed protect the environment, conserve resources and comply with environmental laws and regulations.

The Contractor shall ensure that its personnel are aware of the Commonwealth of Pennsylvania's commitment to protecting the environment, are properly trained about the environmental impacts of their work and are competent (through appropriate work experience, job training or classroom education) to perform the work that they do.

6.

Question: Can we bring bid security in person at bid opening or does it have to be brought in prior? Certified Check?

Answer: All bidders must submit, with their bids, bid security in the amount of \$224403.70. Bid security received after bid opening time and date shall cause the bid to be rejected. Bid security must be in the form of a bid bond, a specific performance bond, an irrevocable letter of credit or a certificate of deposit, all in a form acceptable to the Commonwealth, or a certified check or bank cashier's check drawn to the order of the "Commonwealth of Pennsylvania".

1. Scan all the Bid Security documents and attach it electronically to this Invitation for Bid. Any Security Documents not electronically attached to this Invitation for Bid will be considered as a Non-Responsive submission and the bidder will be rejected.

2. The original Bid Security document (paper) must be received on or before the Bid Opening date and time. Also, the bid security documents must be in an envelope labeled and delivered to the following address:

Pennsylvania Department of Transportation

Bidding Documents Enclosed for Contract Number

IFB Number 6100043253)

District 6-0 Office (Mail Room Lower Level) – Attn: Larry Ballard

7000 Geerdes Blvd.

King of Prussia, Pa 19406-1525

Delivery of the bid security documents and Qualification Documents must be stamped in by the District 6-0 Mail Room. If bid security documents and Qualification Document are being hand delivered, please leave enough time to go through building security by sign in and getting visitor badge beforehand delivering.

7.

Question: DBE Goals?

Answer: No Goal. Please refer to Disadvantaged Business Enterprise (DBE), Small Business Enterprise (SBE), and Small Business Concern Involvement attachment.

8.

Question: The contractor must purchase and maintain the 800 MHz Radios, what happens to them at the end of the contract?

Answer: The radios can be used on another PennDOT Contract that the contractor may have. The radios can be reprogrammed at contractor's expense and the contractor can have their own channels to communicate with their staff. The radios can be reprogrammed at contractor's expense and re-sold.

9.

Question: Some 800 MHz radios have GPS capability, is it required that the radios be GPS enabled?

Answer: No, the radios do not have to be GPS enabled, however, if the radios are GPS enabled, this does **NOT** serve as a replacement for the requirement that the SPV have GPS installed.
