To All Suppliers:

The Commonwealth of Pennsylvania defines a solicitation "Addendum" as an addition to or amendment of the original terms, conditions, specifications, or instructions of a procurement solicitation (e.g., Invitation for Bids or Request for Proposals).

*List any and all changes:*

The Commonwealth hereby issues Addendum 5 to IFB #6100043293, Fuels, Truck Transport Delivery.

The Commonwealth has determined the items to be included in a reverse auction for this solicitation as outlined in the attached 2017 Truck Transport Fuels Auction Schedule.

This Reverse Auction is scheduled for Thursday October 5, 2017. On this date, Auctions for all bid items will open at 10 AM Eastern Time. The initial duration for the first auction item shall close at 10:10 AM though any Overtimes may extend this auction event past the initial time period. Once the auction for the first bid item closes inclusive of any overtime periods, the auction for each subsequent bid item will close 3 minutes after.

Overtime for a bid item shall activate when a new low price is submitted for any of the lots within the auction event within the last 60 seconds of the auction duration. Successive overtime extensions are activated whenever new low price submittals are placed for any lot within the auction event with 60 seconds or less remaining. Each overtime extension resets the time remaining in the auction to one (1) minute. There will be no limit to the number of extensions that may occur in overtime. The overtime period will end when no additional extensions are triggered and the time expires.

The Initial Duration and Extension Rule Sections on Page 4 of Exhibit 1 – Reverse Auction Package are hereby modified to reflect the Auction Schedule and parameters described above.

Except as clarified and amended by this Addendum, the terms, conditions, specifications, and instructions of the solicitation, and any previous solicitation addenda remain as originally written.
