To All Suppliers:

The Commonwealth of Pennsylvania defines a solicitation "Addendum" as an addition to or amendment of the original terms, conditions, specifications, or instructions of a procurement solicitation (e.g., Invitation for Bids or Request for Proposals).

List any and all changes:

The Commonwealth hereby issues Addendum 7 to IFB #6100043293, Fuels, Truck Transport Delivery.

The date and time deadline for all bidders to enter pre-bid pricing for the live auction was previously established in Addendum 6. However, due to a system limitation resulting from a tie bid that was discovered, entering pre-bid pricing is not possible. Suppliers will no longer be required to enter pre-bid prices.

Therefore, each bidder's opening bid in every Auction Item that is part of the Reverse Auction must be equal to or less than the supplier's initial bid price for the item as submitted in Exhibit 3.

Except as clarified and amended by this Addendum, the terms, conditions, specifications, and instructions of the solicitation, and any previous solicitation addenda remain as originally written.

Very truly yours,
