Subject: Rough Terrain Forklift

Danni,
Below are the replies for the questions for the forklift bid to be posted.
Thank you

Page 3 D. Oil Cooler No cooler, but hydraulic tank capacity is sufficient to cool the oil. PENNDOT will accept a unit without a hydraulic oil cooler provided the hydraulic tank will sufficiently cool the oil and all other specifications are met.

E. Engine size is 52 HP (not 49 as listed in our literature) PENNDOT will accept an engine minimum of 49 horsepower. and all other specifications are met

F. Tires are 31 x 10 x 16.5 Front, 31 x 15.5 x 15 Rear PENNDOT will accept 31 x 10 x 16.5 Front, 31 x 15.5 x 15 Rear tires and all other specifications are met.

Overall width is 96" with these tires
