To All Suppliers:

The Commonwealth of Pennsylvania defines a solicitation “Addendum” as an addition to or amendment of the original terms, conditions, specifications, or instructions of a procurement solicitation (e.g., Invitation for Bids or Request for Proposals).

*List any and all changes:*

**Q.** Item 70 – PN -02-038345815BF – Does NOT exist in the Whelen parts book or website nor can it be identified by Whelen personnel.

**A.** Item 70 - 02-038345815BF is a good number it’s your new design 400 Series Brake/Tail/ Turn LED, you could add MODEL 60BTTD for additional clarification. **THE BID SHEET HAS BEEN UPDATED.**

**Q.** Item 90 – PN – 01-0286361811B – appears to have been superseded to 01-02863618118J – please confirm if supplying a superseded part number is acceptable. Item 130 – PN – 01-0264258-01D – appears to have been superseded to 01-026425258-01G – please confirm if supplying a superseded part number is acceptable.

**A.** Items 90 and 130 are fine. That last letter only indicates the revision. When we started Whelen must have been on rev B & D and now up to J & G. If they make any changes to any part internally that revision changes.

**Type of Solicitation:** Electronic Bid (SRM) - Review the Questions section of your solicitation response to ensure you have responded, as required, to any questions relevant to solicitation addenda issued subsequent to the initial advertisement of the solicitation opportunity.

Except as clarified and amended by this Addendum, the terms, conditions, specifications, and instructions of the solicitation and any previous solicitation addenda, remain as originally written.

Respectfully,
