

SOLICITATION ADDENDUM

Date: **8/6/18**
Subject: **Thermal Register Tape**
Solicitation Number: **6100045996**
Due Date/Time: **8/6/18 12:00pm**
Addendum Number: **2**

To All Suppliers:

The Commonwealth of Pennsylvania defines a solicitation “Addendum” as an addition to or amendment of the original terms, conditions, specifications, or instructions of a procurement solicitation (e.g., Invitation for Bids or Request for Proposals).

List any and all changes:

- (1) Shipping addendum #1 shows 3 locations. Are the shipments still single 24 pallet truckloads to only one of these e locations at a time? **Shipments are usually for truckload quantities to single location at a time.**
- (2) I do not see any price escalation information in the SOW or in the Terms during the 1 year contract. I just want to be sure there is no contract provisions to accommodate the current direct thermal market which is very volatile. Assume we need to hold pricing for the 1 year contract plus consider the Commonwealth’s contract right for a 3 month extension if needed. Is the price hold needed for August 2018 through November 2019 (15 months)? **Question is answered in the Terms and Conditions.**

Bid is being extended to 8/9/18
