To All Suppliers:

The Commonwealth of Pennsylvania defines a solicitation “Addendum” as an addition to or amendment of the original terms, conditions, specifications, or instructions of a procurement solicitation (e.g., Invitation for Bids or Request for Proposals).

*List any and all changes:*

The Solicitation in SRM and eMarketplace advertisement for Solicitation 6100046024 erroneously listed two maps which did not provide information as to where the primary survey area was and has been removed. A new map showing the primary second inner circumference area to be surveyed has been added to both the Solicitation in SRM and eMarketplace.

Type of Solicitation: Electronic Bid (SRM) - Review the Questions section of your solicitation response to ensure you have responded, as required, to any questions relevant to solicitation addenda issued subsequent to the initial advertisement of the solicitation opportunity.
