

IFB 6100046042 Specifications

The Pennsylvania Emergency Management Agency is requesting pricing on the items provided in this document. Quotations should be written as they will be billed. Shipping charges must be included on your bid submission as either a separate line or factored into the unit cost per item. Substitution is allowable but substituted items must be exact matches with equal or exceeding quality as this equipment will be added into current cache and must be interoperable with current equipment.

Please complete and return the PA Reciprocal Limitations Act Form and Lobbying Certification attached with tis bid request.
