If the Contractor expends total federal awards of less than the threshold established by 2 CFR 200.501, it is exempt from federal audit requirements for that year, but records must be available for review or audit by appropriate officials (or designees) of the federal agency, pass-through entity, and Government Accountability Office (GAO).

If the Contractor is a for-profit entity, it is not subject to the auditing and reporting requirements of 2 CFR Part 200, Subpart F – Audit Requirements (Subpart F). Methods to ensure compliance for federal awards made to for-profit subrecipients may include pre-award audits, monitoring during the contract and post-award audits. The post-award audits may be in the form of a financial audit in accordance with Government Auditing Standards, a single audit report or program-specific audit report in accordance with Subpart F. However, these post-award audits must be submitted directly to the affected commonwealth agency that provided the funding. Only single audit reports for local governmental and

non-profit subrecipients are electronically submitted to the Federal Audit Clearinghouse.

ADDITIONAL POTENTIAL COMPONENTS OF THE SINGLE AUDIT REPORTING PACKAGE

In instances where a federal program-specific audit guide is available, the audit report package for a program-specific audit may be different and should be prepared in accordance with the appropriate audit guide, Government Auditing Standards, and Subpart F.

In addition to the requirements of Subpart F, commonwealth agencies may require that the single audit reporting packages include additional components in the SEFA, or supplemental schedules, as identified through the respective grant agreement.

SUBMISSION OF THE AUDIT REPORT

The Contractor must submit an electronic copy of the audit report package to the Federal Audit Clearinghouse, which shall include the elements outlined in Subpart F.

Any such additional audit work will rely on work already performed by the Contractor's auditor and the costs for any additional work performed by the federal or state agencies will be borne by those agencies at no additional expense to the Contractor.

Audit documentation and audit reports must be retained by the Contractor's auditor for a minimum of five years from the date of issuance of the audit report, unless Contractor's auditor is notified in writing by the Commonwealth, the

cognizant federal agency for audit, or the oversight federal agency for audit to extend the retention period. Audit documentation will be made available upon request to authorized representatives of the commonwealth, the cognizant federal agency for audit, the oversight federal agency for audit, the federal funding agency, or the GAO.
