To All Bidders:

The Commonwealth of Pennsylvania defines a solicitation “Addendum” as an addition to or amendment of the original terms, conditions, specifications, or instructions of a procurement solicitation (e.g., Invitation for Bids or Request for Proposals).

***Question is as follows:***

**Q1:** On the bid itself—it calls for 120,000 sq. ft. What amounts do you need delivered of this quantity over what period of time? We want to compute accurate shipping expense to be incorporated into our proposal. In the past quantities were established.

**A1:** According to Specification A, Quantities are estimated and are based on an anticipated annual usage. Correctional Industries does not guarantee quantities or a routine delivery schedule. They anticipate an annual estimate of 120,000 square feet to be delivered periodically throughout the year.

At one time there was no Leather Contract, instead a one-time Purchase Order was issued. It is the intent of this solicitation 6100048274 to award a Contract. Per the Terms and Conditions Correctional Industries may issue Purchase Orders against the Contract. Purchase orders constitute the Contractor's authority to make delivery.

Type of Solicitation: Electronic Bid (SRM) - Review the Questions section of your solicitation response to ensure you have responded, as required, to any questions relevant to solicitation addenda issued subsequent to the initial advertisement of the solicitation opportunity.

Except as clarified and amended by this Addendum, the terms, conditions, specifications, and instructions of the solicitation and any previous solicitation addenda, remain as originally written.

Respectfully,
