

REQUEST FOR BIDS
Invasive Plant Species Herbicide Treatment
STATE GAME LAND # 025
Elk County
Aug 7, 2019

Prospective Service Contractors:

The Northcentral Region of the Pennsylvania Game Commission is soliciting bids for an invasive woody plant species herbicide treatment on 82 acres of State Game Land No. 025, in the City of St. Mary's and Jones Twp., Elk County. The project will involve the treating of invasive woody plants species including but not limited to multiflora rose, honeysuckle, barberry, autumn olive and buckthorn with an herbicide application. The boundary and location of the area to be treated is outlined on the attached maps. Specific specifications are detailed in the Supplement Pages and Two Attachments of the specifications.

Bids are to be submitted electronically thru the Commonwealth's "PA Supplier Portal" system by 2:00 PM, August 22th, 2019. If you have not registered as a vendor with the state, you must do this first at www.pasupplierportal.state.pa.us before submitting an electronic bid. Any questions regarding this may be directed to PGC Contracts and Procurement at 717-787-6594.

This bid should include the Unit Price per acre. The bid will be awarded on a lump sum total of the entire project. The work may begin on or after August 15th, 2019 and the work must be completed by September 27, 2019. No extension of time will be awarded.

The PGC will provide a tour of the site. The tour is planned for Thursday August 15, 2019. The tour will begin at 10:00 and all project locations will available for review. Tour meeting location and directions can be found in Section III of the general specs. Questions concerning the site characteristics of this project should be directed to Travis Weinzierl at 814-335-6470.

The attached Bid Prospectus provides all necessary specifications, instructions, contact information, map, etc.

Please contact me if you have any questions.
