Department of General Services eAlerts

Important Points

- E-Alerts is an e-mail based system that notifies suppliers of new bids issued by the Department of General Services. This program can be accessed through the PA Supplier Portal at www.pasupplierportal.state.pa.us (for registered suppliers) or through the [DGS Procurement website](#) (for unregistered suppliers).

- E-Alerts are notifications for solicitations issued only by the Department of General Services - Bureau of Procurement (DGS-BOP). DGS-BOP manages procurements for services in excess of \$250,000 and materials in excess of \$20,000.

- Bidding opportunities under \$10,000 are not posted online, and therefore do not fall under the E-Alerts system. Suppliers interested in bid opportunities through other departments or under \$10,000 must still search [PA E-Marketplace](#) or contact the agency's [purchasing agent](#).

- **We recommend that you still check [PA E-Marketplace](#) website on a daily basis.** These E-Alerts are not meant to be the only notification of bidding opportunities. The Department of General Services assumes no risk or liability for any delays, errors or failures in suppliers' receipt of these E-Alerts.

Accessing the E-Alerts System - Overview

The E-Alerts system can be accessed two separate ways.

- Suppliers who have not registered at the PA Supplier Portal (www.pasupplierportal.state.pa.us) may access the E-Alerts system at the [DGS Procurement website](#).
NOTE: Please proceed to page 4 for instructions on how to access the E-Alerts system.
- Suppliers who have registered at the PA Supplier Portal may access the E-Alerts system after logging in to their account (www.pasupplierportal.state.pa.us).
NOTE: Please proceed to page 5 for instructions on how to access the E-Alerts system.
