To All Suppliers:

The Commonwealth of Pennsylvania defines a solicitation “Addendum” as an addition to or amendment of the original terms, conditions, specifications, or instructions of a procurement solicitation (e.g., Invitation for Bids or Request for Proposals).

*List any and all changes:  
Statement of Work (SOW)*

1. This solicitation is a ‘no substitute’ bid. Only Innospec or FPPF products are acceptable.

*Attachment A Bid Sheet Revised*

1. Fuel Power on the FPPF Brand tab of the Bid Sheet incorrectly identified the bottles per case and has been revised.
2. Lubricity Plus Fuel Power on the FPPF Brand tab of the Bid Sheet performed an incorrect calculation. This has been corrected on the Revised Bid Sheet.
3. If you are bidding FPPF products you must complete “6100049473 Attachment A Fuel Additive Bid Sheet Revised”. A new/revised bid sheet has been uploaded to the pa supplier portal and the original bid sheet has been removed.
4. Only the tab for the manufacturers product you are bidding needs to be completed.

Type of Solicitation: Electronic Bid (SRM) - Review the Questions section of your solicitation response to ensure you have responded, as required, to any questions relevant to solicitation addenda issued subsequent to the initial advertisement of the solicitation opportunity.

Except as clarified and amended by this Addendum, the terms, conditions, specifications, and instructions of the solicitation and any previous solicitation addenda, remain as originally written.

Respectfully,
