

**WALL ROCK & DELIVERY
STATE GAME LANDS #067
“Woodrat Condos”**

April 7, 2020

The Pennsylvania Game Commission (PGC) requires delivery of approximately 918 tons of *either* limestone *or* hard sandstone of pieces rock 2-3 feet thick, 3-5 feet wide, and 5-8 feet long, sometimes called “wall rock” or “derrick stone.” The stone is to be delivered in equal amounts (approximately 306 tons each) to 3 locations on State Game Lands 67 in Carbon Township, Huntingdon County: “Kenrock 1” (coordinates 40.2397, -78.1605, “Burma Road” (coordinates 40.2501, -78.1815), and “Kenrock 2” (coordinates 40.2378, -78.1616). See accompanying maps for details of delivery locations and access. In the event the project is delayed due to the coronavirus pandemic, alternate drop locations on this Game Lands have been identified. These are within 1 mile of the above-identified coordinates.

Contractors are **strongly** advised to use steel-bed, 22-ton dump trucks to haul this material. Long-bed trailers cannot access the sites due to grades and curves.

Rock must be delivered between the notice to proceed (receipt of purchase order by bid-winning vendor) and **Saturday May 30, 2020**, inclusive.

As further guarantee of faithful performance of the conditions set forth in this Contract, the successful bidder hereby agrees to furnish the Commission with Cashier’s or Treasurer’s Check, payable to the Pennsylvania Game Commission, **as bond in the amount of \$5,000.00**. Acceptable forms of bond are Cashier’s or Treasurer’s Check, Letters of Credit, Bonds from Security Companies, or Certificates of Deposit. Cash, personal checks, or business checks are not acceptable. Bond must be paid to the “Pennsylvania Game Commission” and received at 8627 William Penn Highway, Huntingdon, PA 16652 prior to the commencement of any work and on or before 4 p.m. within 10 business days after the date this contract is awarded. Bond may be mailed. Address attention to “Justin Vreeland, 2020 Woodrat Condos Project.” Any security posted must have an expiration date a minimum of 2 months beyond the expiration date of the contract identified on the fully executed purchase order.

Access to the Kenrock sites is via State Route 913, 4.7 driving miles east of Saxton, then 1.5 miles along an improved dirt and gravel road to the Kenrock 2 site, and 0.2 miles farther to Kenrock 1.

Access to the Burma Road site is from Little Valley Road (SR3001) 2 miles north of Route 913 in Middletown, Carbon Township, then 1.3 miles along the State Game Lands road known as Burma Road to the project location.

Due to space limitations, dump piles must be concentrated as tightly as possible and coordination with PGC staff on timing of start of deliveries is essential. Contractor will provide at least 48 hours notice to PGC representatives listed below prior to commencing hauling. Dump piles must not obstruct passage along the Game Lands road except where indicated at Kenrock 1.

Bidders must provide a bid for the delivered cost of the material per ton. One purchase order will be issued for this project. Bid amounts must be in dollars and cents: no fractions of a cent will be accepted.

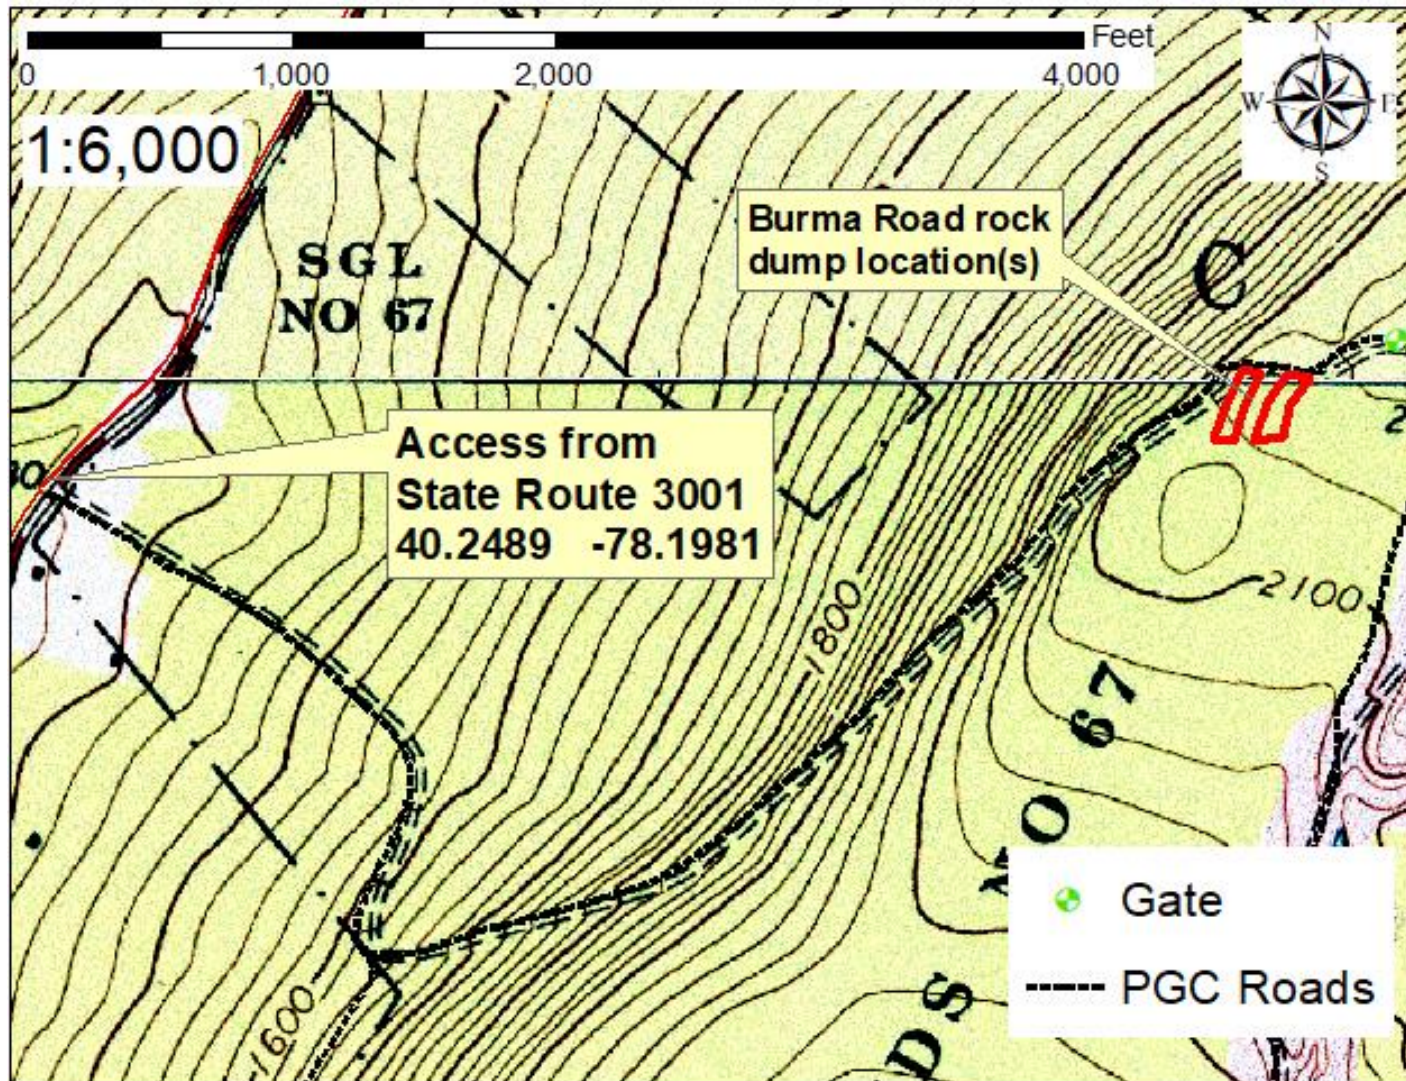

Contractor will provide documentation of weights for each and all delivered loads.

Questions concerning project specifications, requirements, access, and site conditions should be directed to Land Management Group Supervisor Chris Skipper or Wildlife Management Supervisor Justin Vreeland at 814-643-1831.

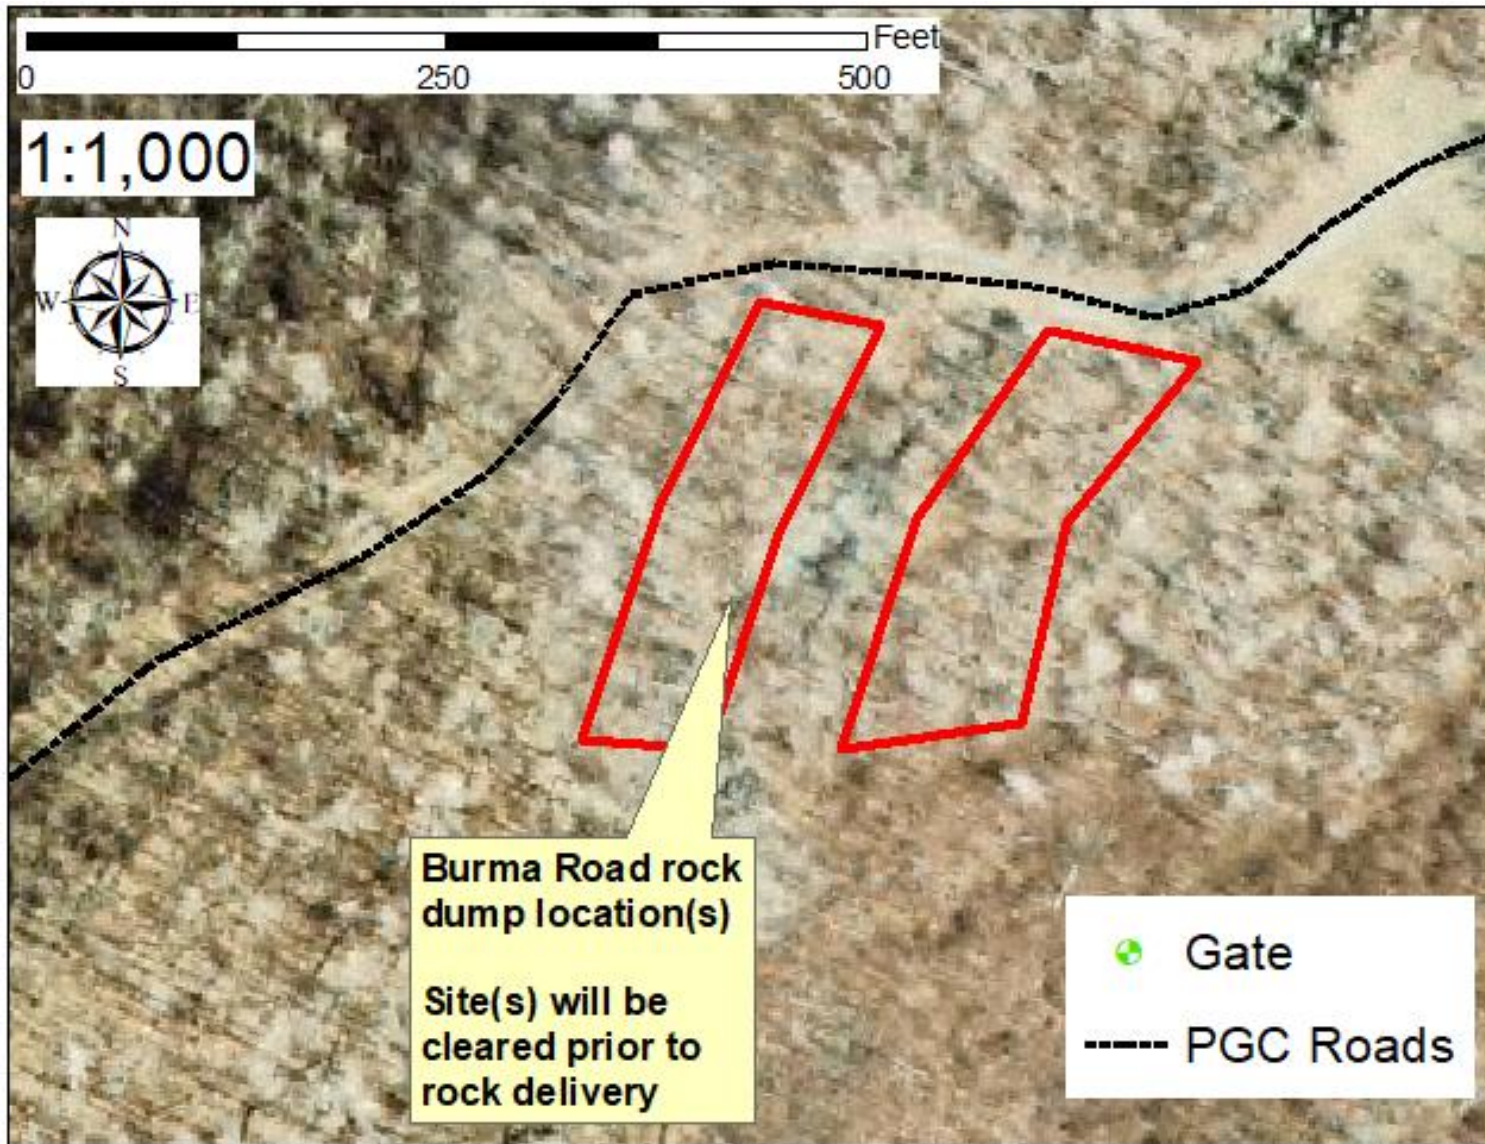

Bidders should consult attached maps and/or visit the sites to assess pertinent conditions such as access, road slope, proximity of utilities, and other conditions in the access and delivery areas. Burma Road is open to public travel to the Burma Road site. The Game Lands road leading to the Kenrock sites is open to public travel up to a locked gate at coordinates 40.2351 -78.1646. The project sites is located approximately 0.3 and 0.4 miles beyond the gate. A combination lock has been placed on the gate with combination 4-0-6-7. Access to vendors is permitted only to the project site. Lock and gate must be securely locked closed after your site visit.

The Commonwealth reserves the right to reject any and all bids, to waive technical defects in bids and to accept or reject any part of the bid deemed in the best interests of the Commonwealth. Except as otherwise provided by law, award will be made to the lowest responsible and responsive bidder. A Purchase Order will be generated at the time of award without further input from the successful bidder. Awarded vendor will be sent a copy of this document and no work will be authorized until the vendor is in receipt of the Purchase Order.

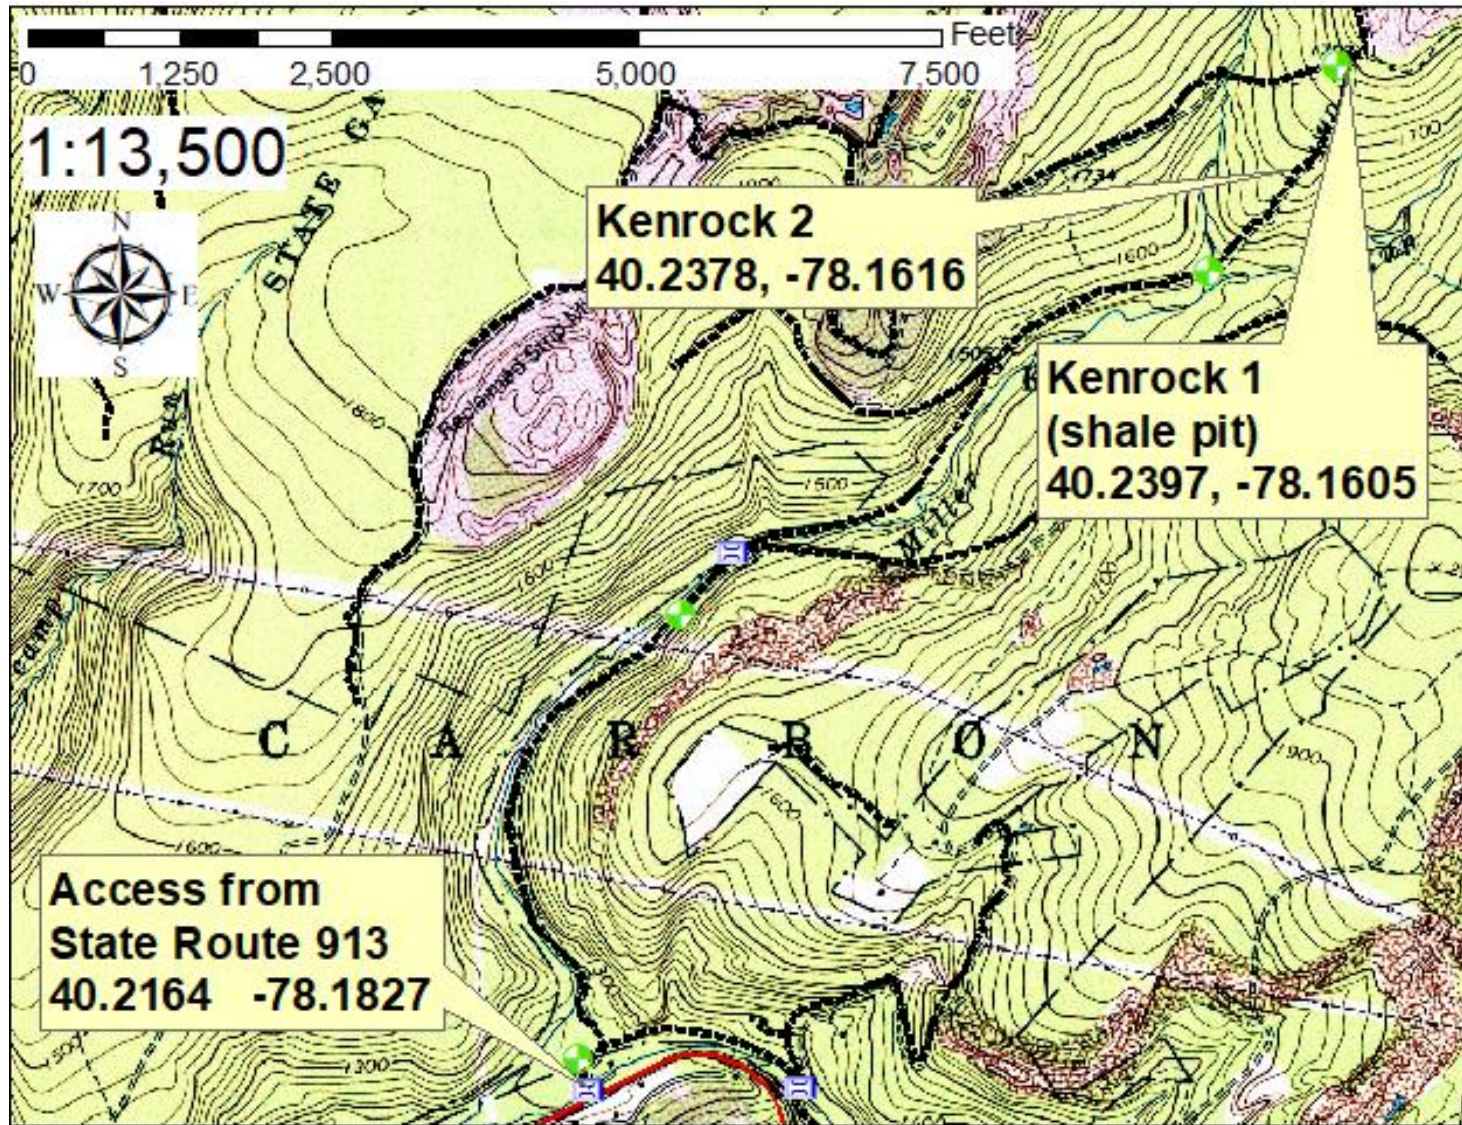

Access to the Burma Road site. Note lengthy grade.
