List any and all changes:

Section H.3.b Pilot List is amended to read as follows due to incorrect Section references:

b. Each spray pilot slated for use on the project, whether in a primary or backup role, must complete an Application for Spray Aircraft Pilot Approval Form for review and approval by the Department as indicated in Section V.6. The form will be reviewed and approved/disapproved by the bureau’s Aircraft Operations and Safety Specialist.

The bid opening is now scheduled for Thursday, February 34, 2022 at 10:00 am.

Type of Solicitation: Electronic Bid (SRM) - Review the Questions section of your solicitation response to ensure you have responded, as required, to any questions relevant to solicitation addenda issued subsequent to the initial advertisement of the solicitation opportunity.

Except as clarified and amended by this Addendum, the terms, conditions, specifications, and instructions of the solicitation and any previous solicitation addenda, remain as originally written.
