

Pennsylvania Game Commission Specifications for 6x6 Utility Task Vehicles (UTVs)

PGC seeks a vendor to supply (4) 6x6 UTVs for prescribed fire and other habitat management activities. UTVs will meet the included and attached specifications and shall be delivered to the address(s) provided below. Bid will be awarded to the vendor that meets all specifications at the lowest cost to PGC. Vendors shall provide a total cost per unit delivered and an overall total cost for all 4 units. PGC reserves the right to reject any and all bids.

Detailed specifications are attached. In addition to those specs, PGC requests the following to be provided and installed on each unit:

- Color: White
- Can-am 4500 winch, mounted, with remote controller
- Heavy Duty Front Brush Guard
- Heavy Duty Rear Bumper
- Full windshield
- Roof

Delivery Details:

Units shall be delivered to Harrisburg HQ by June 15, 2023. **Project POC must be notified a minimum of 1 business day in advance of delivery.**
