The Commonwealth of Pennsylvania defines a solicitation "Addendum" as an addition to or amendment of the original terms, conditions, specifications, or instructions of a procurement solicitation (e.g., Invitation for Bids or Request for Proposals).

Question:

Vendor requested clarification due to conflicting information found within the attachments and online bidding platform. On page 2 of the "Statement of Work" attachment, only 3 bid items are listed, for all of the roads are lumped into the "Lovedale and Monroeville Section" on page 3. There are 6 bid items in the online response, and the tonnages are broken out equally into "Monroeville Section" and "Lovedale Section".

If all of the roads are to be bid as one section, could you revise the bid to just have the 3 items as listed in the "Statement of Work" attachment? If that is not the intent of the State, would you please clarify which roads are in each of the "Sections" that are listed in the online response?

Answer:

There will be 6 lines on the Purchase Order because it will span two Fiscal Years. FY22 – March 20, 2023 through June 30, 2023 and the remaining will cover FY23 – July 1, 2023 through November 30, 2023. There are only 3 lines per fiscal year, all roads are to be bid as one section.

Type of Solicitation: Electronic Bid (SRM) - Review the Questions section of your solicitation response to ensure you have responded, as required, to any questions relevant to solicitation addenda issued subsequent to the initial advertisement of the solicitation opportunity.

Except as clarified and amended by this Addendum, the terms, conditions, specifications, and instructions of the solicitation and any previous solicitation addenda, remain as originally written.
