

Roadside Equipment Inspection Form (REI)

RFQ Name: _____

RFQ #: _____

List Only the Vehicles and Equipment that will be used for this Purchase Order, including Work Zone Traffic Control Vehicles and Equipment

License or ID Number	Purpose	Type of Vehicle or Equipment	Capacity/Size	Age	# Hours (Equip.) Or # Miles (Veh.)	# Non-work Hours due to Equip. Failure (in past 12 mos)	For PennDOT Use Only	
							Equip. Provided at Inspection (Pass/Fail)	Comments

Vehicles and equipment utilized for maintenance contract work must meet the requirements as described in the contract specifications and the laws and regulations of Pennsylvania. The Contractor hereby verifies that all vehicles and equipment in the above table as submitted with the bid is adequate and necessary for the contract maintenance work and all listed vehicles and equipment will be available at the initial inspections/demonstration. All vehicles and equipment in the above table shall be inspected and approved by PennDOT during the inspection(s)/demonstration(s). Where a contractor intends to rent vehicles and equipment, the identification number or license number on the table above may be provided at the time of the initial inspection/demonstration; however, all remaining information for the rented vehicles and equipment must be provided in the table above with the bid. The Contractor agrees to maintain and, as applicable, update this list of all vehicles and equipment after start of work for the duration of the contract. Upload as many pages as are necessary to report all equipment which will be used for this Purchase Order.
