

PennDOT Contractors/Business Partners Using the Mobile M-609 app and Web Portal

The current Mobile M-609 app and Web Portal is available in the Apple App store for download that will include the implementation of a new Business Partner (BP) log-in entitled **Enterprise Application Security Solution (ESEC)**.

Attachment entitled “Business Partner Registration jun22” provides additional information and a series of screen shots you will see throughout the registration process.

To acquire or retain access to the current release of the Mobile M-609 app and Web Portal, register now with the following steps and links:

Step One

- Register your organization – starts on page 3 of attachment
- Business partner registration:
<https://idservices.penndot.gov/iam/im/BusinessPartnersPub/pd/index.jsp?task.tag=PDUserSelfRegistrationBOMOMobile&application=PD-BOMOMobile&flag=false>

Step Two

- Register a delegate user for your organization – starts on page 12 of attachment
- Business partner delegate/admin user registration:
<https://idservices.penndot.gov/iam/im/BusinessPartners/pd/index.jsp?task.tag=PDSendInviteBOMOMobile&application=PD-BOMOMobile&flag=false>
- More than one user can be designated as a delegate/admin user
- Delegate/admin user manages the general users of the organization

Step Three

- Register general users of the organization - starts on page 21 of attachment
- Business partner general user registration:
<https://idservices.penndot.gov/iam/im/BusinessPartners/pd/index.jsp?task.tag=PDRequestBPAccessBOMOMobile&application=PD-BOMOMobile&flag=false>

Contract users that have a **current c-username need to list it in the justification block** during registration. All b-usernames also need entered in RoSA by PennDOT after receiving ESEC approval.

Note: M-609 apps downloaded before August 15, 2022 need updated by installing the M-609 app listed in the Apple App store. Any new users or users with c-usernames need to register for a new b-username using the steps above.
