

# IFB 6100058512 - 7840630000, Delaware County, LINER, PIPE

## Questions and Answers

### Addendum 1

1.

**Question:** 1. Would shotcrete be considered an acceptable alternative lining method instead of the CIPP for this project?

**Answer:** No.

2.

**Question: 2.** The specs said we can request the video of the pipe. Can you provide me the information?

**Answer:** The pipe videos are now attached to the solicitation.

3.

**Question 3:** I did not see the following information on the website, [PA - eMarketplace \(state.pa.us\)](http://PA - eMarketplace (state.pa.us)). Can you please provide it if it's available?

- Plan Holders list
- Cost estimate or budget

**Answer:** The Department do not have any plans, nor do PennDOT give out our estimates.

4.

**Question 4:** We would like to obtain this bid package. I do not have the original advertisement for this bid, so I do not have specific details.

**Answer:** See attached Supplier Guide - Locate Bid Opportunities on eMarketplace.

Look for the solicitation # 6100058512.

**Bidding Help:**

**(877) 435-7363**

**Choose option 2**

5.

**Question 5:** Could you provide some insight as to why UV cured CIPP is not being considered for this project, just heat cured CIPP?

**Answer:** The Department recommend all bidders should be bidding on this project as per the Statement of Work.
