

The Pennsylvania Fish & Boat Commission is seeking bids for a Peerless Pump and a corresponding motor to run the pump, bid together and shipped to the Oswayo State Fish Hatchery. Both pump and motor must be received at the Oswayo State Fish Hatchery **no later** than September 1, 2023.

Price should **not** include installation.

- **Pump**- We need a Peerless Pump model 10MA 2-Stage that will match the data plate of the original pump in the photo below.
- No substitutions for the pump, it must be a Peerless Pump so it will match existing infrastructure.

- **Motor-** We will also need a motor that will match and run the pump above, that meets the specifications of the data plate pictured below.
