

Specifications Part 1
Green (Eco-Friendly) Vehicles Contract

**This is a supplemental bid to the Green Eco-Friendly Vehicles Contract.
Supplemental contracts will be awarded for the remaining term of the contract.**

***VEHICLES CURRENTLY AWARDED ON THIS CONTRACT WILL NOT BE AWARDED ON THIS SUPPLEMENTAL
BID***

**TO SEE A LIST OF ALL CURRENTLY AWARDED VEHICLES PLEASE VISIT: EMARKETPLACE.STATE.PA.US
(PARENT NUMBER 4400024780).**

1. Specifications

Minimum specifications are defined in the specifications (IFB 6100059217 Green Eco-Friendly Vehicles Minimum Specs) attached to this bid, the actual bid sheet (IFB 6100059217 Green Eco-Friendly Vehicles Bid Sheet), and as well as PCID-1067 and PCID-1075 for PENNDOT. These are minimum specification requirements. Specifications shall be industry standard with approved options, including alternative fuel where applicable.

2. Contract Term

The supplemental contracts will run concurrently with the original contracts. The current contracts run till 07/31/2024 and have two one-year renewals remaining. The renewals allow for price adjustments at the beginning of each renewal. All price adjustment requests must be reviewed and approved by the Commodity Specialist before taking affect.

3. Price Submission

A single award by line item will be made to the lowest responsive and responsible bidder. Bidders must provide a firm-fixed price for each vehicle bid. Bid awards will be based on the lowest responsive, responsible bid for each make/model vehicle bid. The bid price shall include destination charges and all eligible discounts offered by the supplier and the OEM to the Commonwealth. This fixed price shall be effective for the first year of the initial term of the contract. A price adjustment may be requested in the second year with supporting documentation. It shall be understood that the pricing offered by the supplier to the Commonwealth shall be equal to or lower than that offered to the supplier's most favored customer. **Fleet delete options may be used after contract award for individual vehicle orders only, not at the time of bid submission.**

4. Optional Equipment Pricing and Vehicle Availability

Please note that only additional options within the contracted vehicle make, model, and trim can be ordered. Upgrading to another vehicle trim such as LS trim to LT trim within a vehicle model is not allowed. Prior to contract completion the tentative awarded suppliers will be notified by the Commodity Specialist to submit a list of available options per awarded vehicle(s) with the manufacturers invoice price within five (5) days of the notification. Failure to provide this information may result in your tentative awarded vehicles being awarded to the next low bidder.

The awarded supplier shall verify that the contract and option pricing is correct prior to issuing an acknowledgement of order. At the end of the current model year ordering dates, vehicles may also be sold from supplier existing stock at the contract price. Existing stock vehicles equipped with options not usually ordered by the Commonwealth may be sold at the invoice price for the options on top of the contract vehicle price.

5. Vehicle Model/Trim Discontinuation/Additions and Order Cutoff.

Specifications Part 1
Green (Eco-Friendly) Vehicles Contract

The awarded supplier is obliged to inform the contract Commodity Specialist of any discontinued vehicles or trim level options. The awarded supplier is obliged to provide the contract Commodity Specialist with any announced order cut-off dates for vehicles, options, colors, etc.

6. Acknowledgement of Order / Delivery Time Frame

The awarded supplier must acknowledge receipt of an order within ten (10) calendar days from the day the purchase order is issued to the supplier. To ensure timely delivery, Commonwealth Agencies and participating local public procurement units should follow up on orders if a written acknowledgement is not received within ten (10) calendar days. The delivery time frame for vehicles is 130 days after the order acknowledgement.

7. Pickup Site

The awarded supplier must have a site within the confines of the Commonwealth of Pennsylvania for participating local public procurement units to pick up contract vehicles in lieu of paying for delivery.

8. Owner's Manuals

For each make/model contract vehicle ordered by the Commonwealth, the awarded supplier shall provide one copy of the vehicle owner's manual directly to the DGS Bureau of Vehicle Management, Attn: Director, 2221 Forster Street, Harrisburg, PA 17103. Each vehicle shall include a copy of the manufacturer's service and warranty policy with all warranty verification vouchers, certificates and/or coupons.

9. Business Meetings

The Commonwealth reserves the right to require the awarded suppliers and the OEM government sales representative to participate in a bi-annual business review meeting with Commonwealth staff. Suppliers are also obligated to attend contract implementation meetings as the Commonwealth deems necessary.
