

Addendum No. 6 to Solicitation # 95192

Questions & Answers as of April 21, 2022

<p>Is there a Closure Report available related to the demolition and remediation that took place at the former Allentown State Hospital site?</p>	<p>Yes, we were able to locate a Closure Report related to the demolition and remediation that took place at the site. That Closure Report is now available upon request.</p>
<p>Would the state consider a private/public partnership for the development of the former Allentown State Hospital site?</p>	<p>No, the Commonwealth of Pennsylvania will not consider a private/public partnership for this Solicitation.</p>
<p>The SFP speaks to a “public communication strategy” in the evaluation criteria (p.7) and in the work plan (p.13). Can you describe a bit more what it’s asking for?</p>	<p>The “public communication strategy” refers to how proposers intend to inform and update members of the local community on the status of their redevelopment project once underway.</p>
