

## **ATTACHMENT E - STATEMENT OF NON-COLLUSION**

**Made by** \_\_\_\_\_ **("Proposer")**  
(Name of Proposer)

I, the undersigned, state that I am the Proposer, or am the duly authorized representative of the Proposer, and that I am the person responsible for determining the price(s) in this Proposal.

I state that:

(1) The price(s) in this Proposal were arrived at independently and without consultation, communication or agreement with any other proposer or potential proposer.

(2) No assistance or cooperation was provided to, nor did the Proposer act as a consultant or contractor to, any other entity or affiliate that is/was a Proposer or potential Proposer relative to this solicitation.

(3) The price(s) in this proposal have not been disclosed to any other Proposer or potential Proposer, and they were not disclosed before proposal opening or the proposal receipt date.

(4) No attempt was made to induce any other Proposer or potential Proposer to refrain from submitting a proposal on this solicitation or to submit any intentionally noncompetitive proposal or other form of complementary proposal.

(5) The price(s) in this proposal is offered in good faith and not pursuant to any agreement or discussion with, or inducement from, any other Proposer or potential Proposer to submit a complementary or other noncompetitive proposal.

(6) The Proposer (including any of its affiliates, subsidiaries, officers, directors, and employees) has not been convicted or found liable for any act prohibited by federal or state law in any jurisdiction involving conspiracy or collusion with respect to bidding on any public contract within the last three years, except for the following:

\_\_\_\_\_.

Note: A statement that a Proposer has been convicted or found liable for any act prohibited by federal or state law in any jurisdiction involving conspiracy or collusion with respect to bidding on any public contract within the last three years does not prohibit the Department of General Services from accepting a proposal from that Proposer, but it may be grounds for consideration of the question of whether the

Department of General Services should decline to award a contract to that Proposer on the basis of lack of responsibility.

I understand and acknowledge, on behalf of the Proposer, that the above representations are material and important, and will be relied on by the Department of General Services in awarding the solicitation for which this proposal is submitted. I understand on behalf of the Proposer that any misstatement in this document is and shall be treated as fraudulent concealment from the Department of General Services of the true facts relating to the submission of this proposal.

I affirm that the foregoing information is true and correct to the best of my knowledge, information and belief, said affirmation being made subject to the penalties prescribed by 18 Pa.C.S. Section 4904 (unsworn falsification to authorities).
