

SOLICITATION ADDENDUM

Date: **January 23, 2015**
Subject: **Bid Questions & Answers**
Solicitation Number: **CN00038509**
Due Date/Time: **January 28, 2015 @ 2:30 PM**
Addendum Number: **1**

To All Suppliers:

The Commonwealth of Pennsylvania defines a solicitation “Addendum” as an addition to or amendment of the original terms, conditions, specifications, or instructions of a procurement solicitation (e.g., Invitation for Bids or Request for Proposals).

List any and all changes:

Q) We are already subscribers to the CoStars program via the State sheeting contract. Do we have to join and repay the fee again for any subsequent PA State contracts or is our subscription good for any bids that occur during the year?

A) Each Contract requires a yearly fee to be paid for that contract period if you elect to participate in Costars.

Q) 60 Mil thickness is mentioned both in the Specs and in the Price Spreadsheet. Is this an exact thickness required or are other thicknesses acceptable?

A) 60 mils is the minimum thickness. If the vendor wants to provide material of greater thickness that is acceptable.

Q) Unit of Measure on the Price Spreadsheet says FEET, not Square Feet (SQ2) as with most bids. Does this mean you wish to have a Lineal Foot price as opposed to a Square Foot price?

A) The width of the material has already been specified and we inventory the material in linear feet. Yes, the bid is in lineal foot.

Q) On the Temporary Removable tape section (lines 63-67) can the length of roll be anything other than 50 yds (150 ft) or is that an exact length requirement?

A) 50 yards is the maximum for weight and handling concerns. If they want to bid smaller rolls that is satisfactory since the bid is in lineal feet.

Type of Solicitation: Hard Copy (Paper) Bid - If you have already submitted a response to the original solicitation, you may either submit a new response, or return this Addendum with a statement that your original response remains firm, by the due date.

Except as clarified and amended by this Addendum, the terms, conditions, specifications, and instructions of the solicitation and any previous solicitation addenda, remain as originally written.
