To All Suppliers:

The Commonwealth of Pennsylvania defines a solicitation “Addendum” as an addition to or amendment of the original terms, conditions, specifications, or instructions of a procurement solicitation (e.g., Invitation for Bids or Request for Proposals).

*List any and all changes:*

- With the change in focus of the Supplier Forum, and to enable potential attendees to determine appropriate personnel, the Department wishes to define that Business Support Services would be for the Business Planning and Business Architecture in support of our program offices. Technical Support Services would be the systems and products to support those services.

Type of Solicitation: Hard Copy (Paper) Bid - If you have already submitted a response to the original solicitation, you may either submit a new response, or return this Addendum with a statement that your original response remains firm, by the due date.

Except as clarified and amended by this Addendum, the terms, conditions, specifications, and instructions of the solicitation and any previous solicitation addenda, remain as originally written.

Respectfully,
