

EAST STROUDSBURG UNIVERSITY OF PENNSYLVANIA
ADDENDUM NUMBER 01

for
State System of Higher Education
Contract for
Repair and Refinish Arena Floor, Mattioli Recreation Center
Project No. ESU 30-1405RB.1 - General Construction
Addendum Issue Date: July 9, 2014

Bid Opening Date and Time: The bid opening date and time remain unchanged.

This Addendum refers to and is intended to take precedence over, clarify, revise or add to those portions of the specifications and drawings to which it refers.

The purpose of this Addendum is to make changes to the Project Manual for the project referenced above. Bidders must acknowledge receipt of any and all Addenda in the space provided on the Bid Form. Failure to do so may result in rejection of the Bid. All requirements of the Project Manual remain unchanged except as cited below:

GENERAL

This Addendum is hereby issued and addresses the following:

1. Attachment #1 consisting of one page of the ESU "Handout Sheet" from the Pre-Bid Meeting.
2. Attachment #2 consisting of one page is the Attendance Sign-in Form from the Pre-Bid Meeting.
3. Attachment #3 is the test results of the existing athletic flooring in the Recreation Center.

PRE-BID CONFERENCE
East Stroudsburg University
Hand-Out Sheet

Project Number: ESU 30-1405RB Date: 8 July 2014
Project Title: Repair and Refinish Arena Floor, Mattioli Recreation Center

East Stroudsburg University welcomes you to this Pre-Bid Conference for the project referenced above.

KEY PERSONNEL.

University Contracting Officer: Patricia L. Reich, CPSM, C.P.M
University Project Manager: Thomas A. Bartek, Auxiliary Project Manager
University Quality Assurance Coordinator: Michael Phillips
Design Professional Firm: Spillman Farmer Architects
Project Architect: Salvatore Verrastro, AIA

PARKING. There is a shortage of parking space on the Campus. We have five to seven thousand people on Campus any given day and only twenty four hundred parking spaces.

To park a private vehicle on the campus, it is necessary to obtain a temporary parking permit from Campus Police and then hunt for a parking place in the permit specified parking lot(s) like the rest of us.

Mike Phillips will arrange for a limited number of Contractor Company Vehicles (with markings) to park close to the Building where the work is to be performed.

SITE CLEANLINESS. This is an operating Campus and appearance is important to our ability to sell our services. Therefore, we expect our contractors to help us keep the Campus reasonably neat and orderly. We have two special emphasis days a year; Spring commencement and Winter commencement. These two days we make an extra special effort to present the Campus at its best.

PROCUREMENT CODE. In accordance with ACT 1998-57, the Commonwealth Procurement Code of November 1998, **Contractors must pay subcontractors within 14 days after receipt of progress payments from contracting bodies**, less sums held for deficiencies. There is a 15 day grace period, but, after that time, **the contractor shall pay INTEREST** on late payments in accordance with Commonwealth law.

BUILDING PERMITS. The Design Professional will submit the contract drawings to the Pennsylvania Department of Labor and Industry (L&I) and obtain the required Building Permits. (Note: For this project, the Elevator Shop Drawings from the General prime contractor must accompany the contract drawings in the submission to PA L&I). The University will pay any required Building Permit fees and related inspection fees. The Contractors will be responsible for coordination of all required inspections with the PA L&I assigned Building Inspector(s). The Contractors shall comply with the Uniform Construction Code (UCC).

~~MBE/WBE REQUIREMENTS: Not applicable due to nature and specialty of project~~

MBE/WBE REQUIREMENTS. Failure to comply fully with the MBE/WBE requirements as cited in the Project Manual will result in **your bid being determined as non-responsive and your bid will be rejected**. It is important that the person at your firm responsible for MBE/WBE solicitations be notified of the Project MBE/WBE requirements and start the MBE/WBE solicitation process as soon as possible but not later than 10 days before Bids are due. Please see the attached MBE/WBE Handout, the Notice to Contractors and the Bid Form for Project MBE/WBE requirements. See Attached MBE/WBE Handout.

NOTICE - IMPLEMENTATION OF PA E-VERIFY Refer to Notice to Contractors Handout

Questions. Do you have any questions regarding the administrative items just discussed? If not, the program is now turned over to the Design Professional's representative for a discussion of the project scope of work and critical schedule issues.
